CONFERENCE IS NOW ORGANIZED

APPOINTED SECRETARY FOR ELEVENTH TIME

METHODISTS TRANSACT MUCH DETAIL BUSINESS

Elect Various Officers, Hear Reports and Listen to Addresses on Missionary Progress in Foreign Lands

The thirty-third session of the Southern California Methodist Episcopal conference was organized formally by Bishop Henry W. Warren yesterday morning in the First Methodist church. Following the opening session the sacrament of the Lord's Supper was observed by the conference.

After conference services the business session was opened and the regular work of the conference began.

Rev. Charles Edwin Locke, G. A. E. H. of the conference, and F. Seymour were introduced at the opening of the morning session as the guests of the conference, having been admitted during the past year's session.

Rev. A. W. Adkinson nominated Rev. E. J. Inwood for the office of secretary and he was unanimously elected. This is the first time since the session that Rev. Mr. Inwood has been elected to the position. The other officers elected were Rev. Carl M. Ross, statistical secretary; Rev. F. D. Mather, treasurer; and Rev. W. P. Wenk, railroad secretary.

Rev. Mr. Healy led the annual memorial service. Three memorial sermons were read during the year were read. The last third was that of Mrs. Adam Bland, three days ago.

To the all day reports from the four district superintendents Rev. J. L. Pitner of the San Diego district was the only one who responded. He stated that during the past year he had been 800 conversions, an increase of church membership of 1134; that the pastoral visits numbered 19,000, and that thirteen churches had been built, aggregating about \$60,000. Much of the work had been done in the Imperial valley.

Work Done in Korea

Rev. G. B. Smythe spoke of the missionary work in Korea, saying there were 400 Methodist churches, Bishop J. W. Bashford being the leading worker. As Bishop Warren was obliged to attend a cabinet meeting Rev. J. B. Green, in his stead, presided at the annual session from 2 to 2:30 o'clock. This was followed by the annual anniversary meeting of the Woman's Foreign Missionary society of the conference, first vice president, Mrs. W. H. Wallace of Long Beach had charge of the program and gave interesting statistics.

The foreign missionary society of this branch is composed of eighty-three auxiliaries, with additional work for men, people and children in fifty places. The society maintains thirteen missionaries in the foreign field, aside from seventy-five Bible women and 300 orphaned children in fifty places. The society maintains thirteen missionaries in the foreign field, aside from seventy-five Bible women and 300 orphaned children in fifty places.

Bishop Warren left the executive session long enough to make a brief address on his experiences in foreign lands.

The evening session the anniversary of the board of foreign missions was held, J. S. Carroll presiding. Rev. J. W. Wadman of Honolulu, Hawaii, made an interesting address on the work on the island, illustrated by maps. He was followed by Rev. Mr. Smythe, missionary to China.

The conference will be opened at 8:30 this morning with a devotional service led by Chaplain G. W. Wilson, who will speak on "Four Aspects of Experience." The business session will be opened at 9 o'clock and continued at an afternoon session.

COUNTY TO PAY REBATES ON PERSONAL PROPERTY

New Rate Has Been Fixed at 10 Cents Lower and the Law Requires That Difference Be Refunded

Rebates amounting to \$17,087 and averaging 80 cents each will be paid to holders of unsecured personal property in Los Angeles county. More than 20,000 taxpayers will receive the rebate, which is made necessary by the fact that the assessor last spring collected taxes on unsecured property at the last year's rate of \$1.24 on every \$100.

The board of supervisors this week fixed the new rate at \$1.14, and under the law the county must refund the difference between the old rate and the new, or 10 cents on every \$100 of valuation. Persons entitled to rebates must call at the auditor's office, as no checks will be mailed.

NEW YORK LIFE MAY INVEST IN REAL ESTATE

Special Representative Is in Los Angeles and Has Reported on Values Here as Basis of Investment

Walter A. Halbert, special representative of the New York Life Insurance company, has been in Los Angeles during the past week making an exhaustive study of realty values which will be submitted to the finance committee of that corporation as a basis for investment.

If Mr. Halbert's report is favorable, as it seems quite sure to be, it is probable that loans will soon be offered on Los Angeles real estate which will be the first investment of this company in the city. Mr. Halbert will remain here about a week longer.

CHOSEN SECRETARY OF M. E. CONFERENCE

REV. E. J. INWOOD

Society

THE engagement has been announced of Miss Huston Bishop, daughter of Mr. and Mrs. Roland West Adams street, and Edward Bosbyshell, son of Mr. and Mrs. William F. Bosbyshell of West Eighth street. The wedding will take place at the home of the bride the evening of October 28.

Announcement is made of the marriage of Miss Edna Waterman and William M. Kinney, which took place Monday evening at the family home of the bride at 237 East Twenty-seventh street. Rev. B. C. Cory, pastor of Vincent Methodist church, officiating in the presence of about forty friends.

No formal announcement of their engagement had been made by the young people, and it was ostensibly for this purpose that Miss Waterman invited about forty friends to her home on the evening referred to, but a few of them became suspicious and did a little Sherlock Holmes work, thereby discovering that a marriage license had been procured. The prospective hostess and her fiancé late in the afternoon.

The guests gathered at the appointed hour, one party, composed of Miss and Mrs. Herber Keenan, Miss Maud Dering, Miss Grace Dering, Miss Alice Blanchard, Miss Iris Newman, Miss Bess Woodville, Miss Mabel Brown, Messrs. George Hamilton, P. M. Durn can, Ward Van Deuzen and Arthur Clapp, who had ascertained the facts, waiting outside until the other guests had assembled, and then, entering, made the soon to be bride and groom with handfuls of rice and offerings of shoes of the vintage of '77. Other guests at once became wiser, and congratulated the bride and groom.

The ceremony took place at 9:30, the bride being gowned in Pima cloth and carrying a bouquet of Cecil Bruner roses. Her only ornament was the groom's gift, a crescent of diamonds, at her throat. A collation followed, and the newly wedded pair made several ineffectual attempts to steal away unnoticed, but, failing to do so, finally left in a speedy machine, which they evidently expected would take them at once beyond the reach of attentions from their assembled friends.

Their machine, however, was not so speedy as they expected, and when, to their chagrin, they heard directly behind them another car, which proved to contain some of the above mentioned guests, they were obliged to return to the front machine containing a newly wedded party, which was finally decided to allow the couple to slip away.

Mr. and Mrs. Kinney are spending their honeymoon of ten days at Idyllwild, and on their return will make their home at 237 East Twenty-seventh street, where they will receive their friends after October 15. Mr. Kinney conducts a jewelry and the family of the bride formerly were communicants.

Mr. and Mrs. Bailey left immediately after the ceremony for their home on Hudson avenue, Oak Knoll.

Miss Hannah McDonald entertained at her South Bonnie Brae street home yesterday afternoon with a miscellaneous shower for Miss Mary Widney, whose marriage with Sidney Reeves will be one of the notable November weddings.

Miss McDonald, who will serve Miss Widney as one of her bridesmaids, used yellow and white for her decorative scheme, the same chosen by the bride elect for her wedding, utilizing sunflowers and carnations.

The gifts were presented in a basket to the charming guest of honor, and after the fun of opening the parcels was over cards were enjoyed.

The invited guests were Mesdames W. V. Widney, Gregor McDonald, Frank Alton, Leland Bagley, Will Crippen, C. C. Colyear, J. O. Cashin, E. H. Clark, Herbert Howard, W. M. Murray, Edwin Metzger, Belle, Paul Farley, John Munro, Adolph Hein, A. L. Stephens, George March Shelton, Fred Salyer, R. J. Van Houten, Misses Julia Hutchinson, Ethel Shrader, Eda Heineman, Edith Van Alstyne, Grace Van Alstyne, Grace Norton, Kate Widney, Mollie McDonald and A. L. McDonald.

MUNICIPAL AFFAIRS

FINANCE COMMITTEE IN GENEROUS MOOD

AUTHORIZES PAYMENTS THAT TOTAL \$35,000

Fire Department Relieved in Matter of Salaries—Prospects of Obtaining Improved Receiving Hospital Grow Brighter

The finance committee, which among the various departments of the city has acquired a reputation as a "tightwad," cut the purse strings of the city yesterday at the meeting of the general expense fund. The fire department was allowed \$6000 for salaries, the health department \$3000 and the police department \$3000. These amounts, in addition to the \$4000 granted the housing commission last Monday, have made a well defined reduction of the general expenditure.

The amount was not granted these departments until the heads had assured the finance committee that their forces would be badly crippled unless the amount was granted.

The deficit in the fire department has been \$600 a month since the first of the fiscal year, and Chief Lips could find no way to reduce the amount without discharging necessary men. This has been true of other departments.

In addition to the \$6000 to the fire department to pay of the deficit, the committee also allowed from the general expense fund for the purchase of fire hose.

The recommendation from Fire Chief Lips that the positions of two battalion chiefs be created was laid over by the finance committee until the fire engine houses which are to be built are constructed.

The city probably may have a more respectable receiving hospital than it is now compelled to use. The finance committee yesterday instructed Chief Lips to reduce the amount of conditions in the receiving hospital, and try to locate a suitable place near the police station for such a hospital.

The finance committee has practically agreed to furnish the necessary money for a receiving hospital located at some other place than the police station.

The committee has made several changes in the employees ordinance of the health department. Instead of creating the position of live stock inspector at a salary of \$150 a month, it has increased the salary of the health officer to \$200 a month, and the position of second assistant health officer be created at the same salary.

The school nurses were increased from three to four, and the sanitary inspectors decreased from ten to nine.

PARK GARDENER DAVIDGE IS ORDERED REINSTATED

Charges Preferred by Commission Respecting Non-Payment of Debts Dismissed, but a Solemn Warning is Issued

The civil service commission yesterday morning crumpled a decision down the throats of the park commission that came near turning the stomachs of the able commissioners. It was that the charges preferred by the park commission against Thomas Davidge, gardener at the Eastlake park conservatory, were dismissed and Davidge reinstated.

The park commission had preferred charges that Davidge had refused to work, and that he was drunk on the part of the park commission, because there was nothing else to do. He was warned, however, that if he did not pay his debts further charges would be preferred, and the park commissioners would individually make it their duty to see that they were pressed.

FOY PLEADS GUILTY OF ASSAULTING VETERAN

Former Policeman at Soldiers' Home Fined \$25 by Judge Jamison for Attacking William Muiford

William A. Foy, formerly a policeman employed at the Soldiers' home, Sawtelle, yesterday pleaded guilty to a charge of simple assault before Judge Jordan in the superior court. Foy is said to have assaulted William Muiford, a veteran, on July 29 after arresting the latter for drunkenness. Foy was bound over to the superior court after an examination on the charge of assault with a deadly weapon, but this was yesterday changed to simple assault at the request of the district attorney. Since his arrest Foy has resigned as a keeper of the peace at the home.

CHAMBER OF COMMERCE TO WORK FOR GOOD OF COAST

With the hope of inducing the federal government to recognize the commercial and strategic importance of the Pacific coast a conference of the executives of the commercial organizations of the Pacific coast will be held October 5 in the chamber of commerce of San Francisco. Measures that tend to broaden the usefulness of the several organizations and which tend generally to promote the welfare of the community in which these organizations operate will be discussed.

The local chamber of commerce will be represented by President Stewart.

BUSILY CHECKING UP PETITION SIGNATURES

EXPENSES OF VERIFICATION MOUNTING UP

Referendum Proposition to Defeat the New Dance Hall Ordinance Has Seven Thousand Names Attached to It

While fifteen persons are still working over the initiative petition for the charter, amendments, another petition which has 10,000 names attached to it will take a long time to check up with the great register.

The petition filed with the city clerk yesterday is the referendum proposition to defeat the dance hall ordinance recently passed by the city council. The ordinance prohibits dance halls being kept open Sundays, and minors under 18 years of age from attending without parents or guardians.

The referendum petition submitted yesterday bears more than 7000 signatures, although but 2900 are required, and F. H. Solomon, manager of Morley's dancing hall, who has had charge of the circulation of the petition, declares he has 10,000 names in abeyance to submit in case the petition now in the hands of the city clerk prove insufficient. The law provides that should the petition be insufficient ten days are to be allowed to submit supplementary petitions.

Mr. Solomon declares he has withdrawn the 10,000 names in order to save expense to the city.

The fifteen persons now at work verifying the initiative petition cost the city \$50 a day, and the verification of the referendum will cost the same amount. As the referendum petition is more carefully precipitated than the initiative, it is expected to require less time to compare it with the great register.

The city clerk's force will go to work at once checking up the last petition, and must complete it by October 5.

The filing of the referendum petition suspends the operation of the ordinance, which would have gone into effect Friday. It is also the belief that the matter can be carried over to the people at the special election for the charter amendments, if such special election is held, and it is not likely a special election will be held in January, as long as the operation of the ordinance is suspended for that length of time they claim they will be satisfied.

DOG CATCHERS MUST FACE LONG LIST OF CHARGES

Mrs. Giese and Her Witnesses to Be Heard This Morning by Special Committee Appointed by Council

At 10 o'clock this morning another hearing of the charges preferred against Dog Catcher Charles Giese will be heard by the special committee handling the case.

This time witnesses for Mrs. Giese will be present to testify to charges against Vacher. Mrs. Giese has a large number of persons who claim they have seen things committed by the dog catcher and his dog on the streets.

Violation of law, and this morning they will have an opportunity to tell their stories before the committee.

The hearing will be held this morning at 10 o'clock in the city hall. Mrs. Giese was the only one appearing for the prosecution. There were no witnesses on her side present, as none had been subpoenaed to appear. They have been ordered to appear this morning by subpoenas issued by the city clerk, and if they do not come will be held guilty of a violation of law as though they were subpoenaed by a court.

The charges made by Mrs. Giese against Vacher, include accusations of drunkenness while on duty, cruelty to the animals in his care, raising dogs from puppies until they reach the age for which the city allows a fee for their scums and then killing them unlawfully impounding animals, taking licensed dogs from their owners by force, selling licensed dogs instead of permitting them to be taken care of by their owners, purchasing dead dogs and collecting fees from the city for their scaps, and enticing dogs from the country into the city limits and then taking them to the pound, where they are treated as dogs caught in Los Angeles. There are other minor charges included in the list, and Mrs. Giese maintains she can prove them all.

Of Interest To Women

Such women as are not seriously out of health but who have exacting duties to perform either in the way of household cares or in social duties and functions which seriously tax their strength, as well as nursing mothers, Dr. Pierce's Favorite Prescription has proved a most valuable support to tone and invigorating nerve. By its timely use, much serious sickness and suffering may be avoided. The operating table and the surgeon's knife, when it is believed, seldom have to be employed if this most valuable woman's remedy were resorted to in good time. The "Favorite Prescription" has proven a great boon to expectant mothers by preparing the system for the coming of baby, thereby rendering childbirth safe, easy, and almost painless. Bear in mind, please that Dr. Pierce's Favorite Prescription is not a secret or patent medicine, against which the most intelligent people are quite naturally averse, because of the uncertainty as to their composition and harmless character, but is a MEDICINE OF KNOWN COMPOSITION, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure, triple-refined glycerine taking the place of the commonly used alcohol in its make-up. In this connection it may not be out of place to state that the "Favorite Prescription" of Dr. Pierce is the only medicine put up for the cure of woman's peculiar weaknesses and ailments, and sold through druggists, all the ingredients of which have the unimpeachable endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure this cause and you cure the disease. Easy to take as candy.
