

MANY HUNTERS ABROAD TODAY PROSPECTS OF FINE WEATHER FAVORABLE TO SPORT

PRESIDENT OF TRUST COMPANY PROCURES LICENSE

Good Bags of Quail Have Been Reported Since Rain Ceased, Thus, Repudiating Theory That Birds Haven't Bred

Prospects for a good day's shooting is expected to cause hundreds of Los Angeles sportsmen to turn their steps today to the surrounding hills and various gun clubs in an attempt to procure the limit of either ducks or quail.

The latest addition to the ranks of the hunters is W. H. Holliday, president of the Merchants National bank, who procured his hunting license yesterday and will try his first shot on the Dominguez Gun club grounds.

President Holliday was never interested in shooting before the present season and this marks a new era that should be an example to many of the brain workers of Los Angeles to follow as a means of rest and recreation from the monotonous duties of the office.

The recent poor shooting that has prevailed in Southern California has been caused by the heavy fog that has hung over the gun clubs and do not lift until 10 or 11 o'clock, when the shooting is over.

Good bags of quail have been reported since the weather has cleared, thus contradicting the bad impression that was made during the first week of shooting which was spread by a great many shooters to the effect that the birds have not bred this year.

H. W. Kellar, one of the best known sportsmen of California, and also president of the State Game and Fish Protective association, was a guest of Fish Commissioner M. J. Connel at the Baise Gun club Friday and Saturday.

They were joined at the club by E. B. Tufts of the Tufts Lyons Arms company Saturday evening, when an inspection was made of the state reserve. They left the club last night for the Irvine ranch and will shoot quail this morning.

Police Justice Rose, accompanied by Dr. Harding and Bert Smith, left Los Angeles yesterday afternoon for the San Joaquin Gun club, where they will hunt ducks this morning.

W. B. Barber and W. R. Sterling of the W. H. Hoeger sporting goods house will pass Sunday at Smith's ranch in the Solla canyon hunting for quail.

The couple left Los Angeles last night for Newhall, where they will procure a buggy and drive to their destination.

L. E. Hall left Los Angeles Friday for Occidente, where he will remain till Sunday night hunting quail in the hills.

L. M. Lidster, accompanied by A. A. Spear, is passing a few days at Santa Barbara. The couple left Los Angeles yesterday and expect to return to the city tonight with the limit of quail.

C. E. Bacon will leave Los Angeles this morning for parts unknown. He asserted that he would be gone a week and would return with nothing less than the limit of quail.

J. J. Cull left the city yesterday morning for the San Gabriel valley, where he will pass two days hunting for quail.

Charles Balke, the motorcycle racer, left Los Angeles yesterday for Alameda bay, where he will hunt ducks today.

H. C. Cutler returned to the city yesterday from two days' quail hunt at Ventura. During the trip he succeeded in shooting about eighteen quail.

George Cline and B. H. Dyas of the Dyas-Cline sporting goods house, accompanied by Ed Smith, will shoot today at the Moore's gun club, and expect to return with the limit.

Sherman Baker, Smith Warren and J. A. Cox of the Tufts-Lyons Arms company, will go to San Pedro this morning and fish for abacore from the deck of the Maitland.

is Believed Insane James S. Meiners, 61 years old, living at 1008 Santa Fe avenue, was placed in the detention ward of the city jail last night by Patrolman A. A. Green, pending an inquiry into his mental condition.

Meiners has been acting queerly and last night made an attack on his wife because of her refusal to give him a sum of money which he alleged she had taken from him.

L. A. A. C. GOSSIP

Hardly a day passes in Los Angeles but that a new champion is made to rule for an indefinite period in the limelight of some particular sport or pastime. Richard Dunnigan, a former ping pong artist of the club, last night won a wrestling title from Edward Don Moriarty.

Cliff Reuman will box a few rounds with Al Kaufman this afternoon at Venice. Many of the members are planning to go to the beach to see the fun.

The members of the baseball team and those who are planning to accompany them are requested to meet at the club at 8 o'clock this morning. The train leaves the Arcade depot at 8:55 o'clock for Norwalk.

A ride to Naples this afternoon would benefit any member of the club. The crew will do a few stunts on the water under the direction of Coach Treloar. The boys are beginning to hit things up a bit and Friday morning they should be able to average as high as thirty-three.

WHERE TO FISH

The fog end of the fishing season, because of the continued good weather and tide conditions, has brought the best sport of the year for the angler after food fish.

San Pedro, which has been leading all of the beach resorts in popularity and results for the past three weeks, was outperformed by the waters of Playa del Rey, which led all of the coast towns with the Waltonians.

There have been Jacksmelt caught in years gone by at every point on the south and west coasts, but never before has this palatable and gamy little fish run in such numbers and size as at present.

Think of a Jacksmelt weighing eighteen to twenty ounces, and if it were not almost unbelievable, thirty ounces, and you have the size of the majority of the fish caught here.

The tide will be high Sunday morning at 8:45 o'clock, with a rise of 6.8 feet and a low at 3:15 p. m. with a drop to 0.6 of a foot.

BROWN PLAYS YALE TO TIE

ONLY FOR CARELESSNESS, WOULD HAVE WON

OUTPLAYS THEM EVERY WAY, EXCEPT IN KICKING

Visitors Score Quickly in First Half, but Overlook Chances for Points, and at the End They Stand 10 to 10

NEW HAVEN, Conn., Nov. 7.—For the second time in the history of the football relations between the universities, Brown played a tie game with Yale today, the score being 10 to 10.

The visitors outplayed Yale in every department of the game, except that of kicking, and but for carelessness in catching a punt from Yale goal line in the second half and for holding on the line just before the close of the game, undoubtedly would have won.

Brown's first score came quickly after the opening of the first half. Hobbs kicked for Yale, Brown rushing it down to the 40-yard line, McKay and Mayhew carrying it 20 yards more. Sprackling passed it forward to Dennis and the latter carried it over for a touchdown. McKay failed to kick goal.

Five minutes later, after Brides and Coy had run the first half, Brown's 30-yard line and Brown had held Yale for a second time, Coy kicked the first goal for the field.

In the second half, Brown replaced Murphy at quarter for Yale. Following the kickoff, runs by Coy brought the ball back over to center and then Yale scored on a play from the 10-yard line from Philbin to Logan for 20 yards, and the second from Johnso to Hayes, who took the ball over the line. Hobbs kicked the goal.

Two minutes later Dennis intercepted a forward pass from Philbin to Hayes, ran thirty yards and crossed Yale's goal line. No goal was kicked, and afterward the ball was turned over to Sprackling and he allowed it to just touch the ground. In the last minute of play, McKay ran forty yards for a touchdown, but it was not allowed, as there had been holding in the line.

PENN FINDS IT EASY TO BEAT LAFAYETTE

At No Time After Scoring Goal Did Visitors Become Dangerous, and Never Could Make Much of a Showing

PHILADELPHIA, Nov. 7.—The University of Pennsylvania overwhelmed Lafayette today, the first in a series of easy games. With the exception of the one time that they scored, the visitors did not menace Pennsylvania's goal. Lafayette's score, the result of a goal from placement, was made before Pennsylvania had registered a single point.

The Pennsylvania team braced immediately and carried the ball half the length of the field for a touchdown. Hollenback carrying the leather over the line. The same player scored two more touchdowns.

In the second half the Pennsylvania team resorted to the running game, using forward pass continually.

FOOTBALL IN SANTA MONICA DRAWS AN IMMENSE CROWD

SANTA MONICA, Nov. 7.—The Occidental preps literally walked all over Lafayette today, the game was scored in the eleventh minute of the first half, the victors did not menace Pennsylvania's goal.

The preps made two touchdowns and a goal in the first half, the latter having the credit of making both. Lindsey for the cadets and Gilky of the visitors made some pretty runs for gains of fifteen and twenty yards.

In the second half the Los Angeles team was repeatedly penalized for off-side plays and once for slugging. The ball was forced toward the end of the field by gains of ten yards at a time and Bradbeer made a touchdown, afterward kicking a goal. The soldier boy woke up at this stage of the game and scored a touchdown, Eastman making a 75-yard run and planting the ball squarely behind the goal. Lindsey's goal finished the scoring for the home team.

The academy team was weakened by the absence of Borde, who has not recovered from his injury of last Saturday, and in the last half went all to pieces when Lockhart, who had been the life of the team, was compelled to retire with a broken collarbone.

The preps failed in the forward pass repeatedly, but the game was a pun and aggressive line work, while the cadets were inclined to fumble and were poor in defense. The lineup: OCCIDENTAL PREPS: f. g. Holt Gaskell, f. e. Spangier Underhill, f. b. Anderson Bradbeer, f. t. Lindsey Gilky, f. r. Eastman McDowell, f. s. Lockhart Church, f. c. Warner McNeary, f. l. t. Jones Walters, f. l. b. March Gifford, f. b. g. Temperley Moore, f. c. Durban Referee, Richmond; umpire, Lowell.

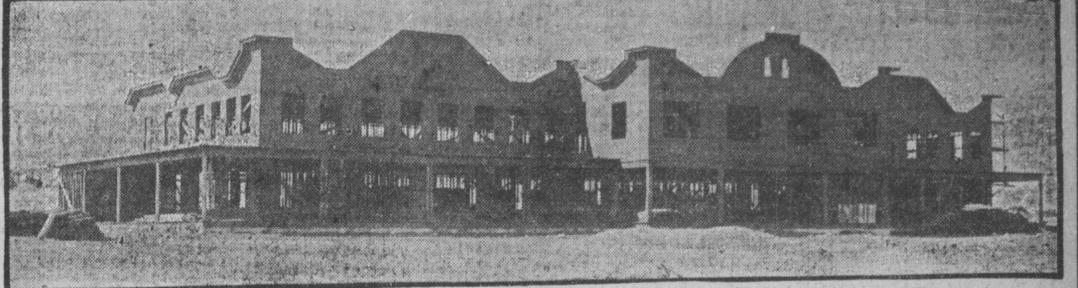

Proceeding the student game the "Ye Boys" of Santa Monica and a grammar school team of Long Beach gave the fans their money's worth by putting up one of the prettiest games of football ever witnessed in this city. Neither team was able to score and at no stage of the game was there any show for one. Both teams were of about the same grade and put on a splendid exhibition of blocking and quick, snappy work.

A 20-yard run by L. Meadows of the Long Beach team and one team were by Schilling of the same team were the only plays in which the ball got away from the line, and only resulted in giving the home team a chance to display some line tackle work. The lineup: WE BOYS: Young, f. h. E. Richmond Morrison, f. e. Wilbester Schilling, f. b. Smith Vallage, f. l. g. Still, Ockert Wood, f. l. b. Harrison, Butt Decodier, f. t. Cota, Percival Ross, f. l. t. Wilcox Meadows, f. c. H. Richmond Barton, f. c. Grubb

There is a rumor about the club that the next annual three cushion billiard tournament will be staged within the next fortnight. If the rumor materializes it is sure to bring prosperity to the fellow that gathers the profits on the games.

VANCOUVER FIFTEEN FINALLY IS BEATEN

STANFORD UNIVERSITY, Nov. 7.—For the first time since leaving British Columbia the Vancouver Rugby fifteen was defeated today when the Stanford varsity won, 11 to 3, in a game which was much more even than indicated in the result.

Neither side scored until half of the second period, when by a succession of quick rushes the varsity started scoring and disheartened the visitors.

Stanford played more on the offensive than in Wednesday's contest, which partially accounts for reversing the score.

Vancouver played a hard and fast game and made good gains in dribbling rushes, but the situation was relieved by Faulkner's clever kicks to touch.

The game was more open than the previous match, with frequent punting matches between opposing fullbacks. Stanford was strengthened by having Erb and Crawford back in the game.

The lineup today was as follows: Vancouver—Forwards, Scott, McKenzie, Moffat, Stacy, Deykin, Davis, Burke; wing forward, Sowers; half, Newcombe; five, Ellis, Bryson; center, Johnson; wings, Gibson, McLong; fullback, Bell Irving.

Stanford—Forwards, Higley, Koener, Reynolds, Dole, Pemberton, Miller, Evans; wing forward, Henley; half, Erb; five, Gamon, Mitchell; center, Scott; wings, Holman, Cook; fullback, Faulkner.

Men's and Young Men's Clothing

One thing we'd like to have you know about this store; it's a place where high priced clothes are sold. Suits and overcoats at \$15, \$20, \$25, \$30, \$35, \$40, \$45 and \$50. We could sell business suits at \$60 if we had them; some day we hope to find fabrics and finish good enough for us to see \$60 value in them.

We want you to feel as we do, that price is really a secondary consideration; whatever you can pay or choose to pay is a good deal less important than the value you get for it. That's the thing we put our efforts on; we're satisfied with a reasonable nominal profit; the thing with us is to see that you get the value.

At \$20 we show special values, including blue and black suits, and in tuxedo and full dress suits and overcoats everybody says we have the swellest line in town.
