Ransacking of Los Angeles Ice and Cold Storage Company Reveals Next to Nothing Worthy of Removal

A party of disappointed thieves left the office of the Los Angeles Ice and Cold Storage company, at Seventh street and Santa Fe avenue, Friday night. The robbery was discovered yesterday morning by a woman who sweeps out the offices.

WHISTLES WILL HERALD EXPOSITION WEEK OPENING

SLOGAN BUTTONS TO BE DISTRIBUTED FIRST DAY

Home Products Display at Chamber of Commerce Is Ready for Large Number of Expectant Spectators

Monday morning the real beginning of "Prosperity Week" in Southern California will be witnessed, when, at 7 o'clock, factory whistles in every part of the city will be blown for ten minutes steadily.

During the morning everybody will get a button with the "Buy and Boost Home Products" slogan on it from one of the 150 retail merchants and business houses which will distribute the buttons.

At 2 o'clock the exercises in Central park, which open "Prosperity Week," will begin. Leo Gates will deliver an oration, and the Santa Monica Bay Italian band will render music.

In the evening the first presentation of Richard Barry's home-made play, "The Searchlight," will be seen at the Auditorium, and as this is to be chamber of commerce night, the board of directors of the chamber will be seated in boxes, while members of the chamber will occupy the greater part of the lower floor.

At the chamber of commerce visitors will be received all day to view the exhibition of home products there, and at the same time 20,000 pennants for decorating the homes during the week will be distributed. These pennants are free, as are the badges, and the large and small cards, which the chamber of commerce has provided for "Prosperity Week."

Banners and Cards Are Free

Some unscrupulous persons have been visiting the merchants in outlying parts of the city, representing they were sent by the chamber of commerce, and attempting to sell them "Prosperity Week" slogan cards and banners. These things may be procured free at the chamber of commerce, and no person is authorized to sell them.

Arrangements for the entertainment to be given by the members of the chamber of commerce to the retail clerks of Los Angeles are completed as far as the committee in charge is concerned. The entertainment is to be given Tuesday night, and the entertaining features of the program are numerous and interesting.

Frank Tyrrell, one of the speakers, will make an address, and also will include an appeal on behalf of the clerks for Saturday closing.

An excellent literary and musical program has been arranged and there will be some vaudeville acts interspersed. Arrangements for the clerk's entertainment is in the charge of E. W. Lewis, chairman of the committee of the Retail Clerks' association, but the invitations are not confined to the members of the association alone, but are extended to every retail clerk in the city.

J. Bond Francisco's famous painting of the Grand Canyon of the Colorado is to be a part of the exhibit of home-made art in Blanchard art gallery during the week. This exhibition will be open to the public every day of the week, from 10 to 5 o'clock, and everybody is cordially invited to visit it free of charge.

There are more than forty exhibitors represented in the collection, and several hundred works of art have been hung.

I CURE PILES

Without Pain or Without Operation by My New Dissolvent Method

Piles may be alleviated by washes, salves or ointments, but never cured. The knife will cure you, but you may not desire a surgical operation. With my treatment an operation is absolutely unnecessary. I cure without cutting, cauterizing or using any surgical instrument. My method is new and absolute in its results, for I dissolve the piles without pain and without detention from business. This dissolvent treatment is absolutely my own and no other physician is using it.

I Guarantee to Cure every case I undertake or accept no fee for my services. My method is safe, with no danger of sloughing, blood poisoning or injury to neighboring parts. I HAVE CURED HUNDREDS of people in Los Angeles and surrounding towns and can cure you. Send for names and addresses of your friends and neighbors I have cured.

CONSTIPATION Most cases of constipation are the result of some form of trouble in the lower bowel, which serves to dry the bowel contents. By removing the cause I cure practically all cases of constipation. I will examine you free of charge and determine just what your affliction is.

Read a few letters I am receiving almost daily. LOS ANGELES, Cal., Oct. 21, 1908. My Dear Doctor White: You ask me how I am. I will say that I am perfectly well; not a relic of the piles remain. The few painless treatments that you gave me have cured that awful hemorrhage that had been of daily occurrence for the last ten years. The tumors that protruded almost constantly while awake are gone. I would not take a thousand dollars for what you have done for me with your dissolvent treatment. Yours very truly, B. F. LIVINGSTONE, 1157 Hobson street.

October 20, 1908. I take great pleasure in making this statement of my case. I am prompted to do so, that the world may know there is at last a perfect cure for piles. I learned of Dr. White and his cure for piles through a neighbor, who had been cured of that disease by him. I left my home in Colorado and came to Los Angeles, where I began treatment on June 11. I arrived at my home on August 16, ENTIRELY CURED, having had eight treatments. The treatments were not painful and I improved from the first. Before I went to Dr. White I was practically an invalid. MRS. RUFUS SMALL, formerly of Redondo, Cal. PASADENA, Cal., Oct. 10, 1908.

My Dear Dr. White: I am writing you this letter that others may know what you have done for me. For twenty years I have been a Southern Pacific locomotive engineer. Two years ago, on account of severe rectal troubles (piles and fissure) I was compelled to give up my job. For sixteen months I treated with different doctors and tried numerous remedies. At last when worn out and discouraged, I heard of you. In two months, under your treatment, I was a well man. I will be glad to verify this statement to any one interested. His charges were very moderate. G. W. WILLIAMS, Sherman, Cal., Nov. 14, 1908. CHARLES TUNNICLIFFE, 225 Fig street.

To Whom It May Concern: I was taken with painful spasmodic attacks which I supposed were piles, from which I had been suffering for several years. The pain increased; I grew daily worse. I had to lay off from my work—that of street car motorman on the Los Angeles-Pacific line. I lost most of my summer's work. I learned, after an examination, that the pain was from ulcer of rectum. Dr. White cured me with his painless absorbent method. I work every day now. He cured the ulcer and also the piles; my relief was so great and it was done so readily that I am prompted to make this statement. His charges were very moderate. G. W. WILLIAMS, Sherman, Cal., Nov. 14, 1908. DR. C. H. WHITE Office Hours 453 1/2 S. Spring St., Cor. Fifth 11 to 12-2 to 5. Los Angeles, Cal.
