

TAFT GUEST OF OHIO; TELLS POLICIES ADDRESSES A BIG BANQUET GATHERING IN GOTHAM AGREES TO STAND BY POLICY ADOPTED AT CHICAGO

NEW YORK, Dec. 16.—President-elect Taft was the guest of honor tonight at the twenty-third annual dinner of Ohio society in New York. Around the 100 tables placed in the grand ball room of the Waldorf-Astoria hotel were men gathered from every section of the country and leaders in many walks of life.

Mr. Taft then took up the Sherman anti-trust law and said it was one of Mr. Roosevelt's policies which the party had pledged itself to carry out. "We must enforce the Sherman act," he said, "or have such modification of it as will carry out the purpose of those who adopted the original legislation. This modification should make a distinction between the combinations and the stalling of competition which is illegal."

Mr. Taft closed by expressing the belief that the party during the next administration would make an earnest effort to carry out its platform principles. He dwelt almost wholly upon the revision of the tariff, which he singled out as the most important declaration made at the last national convention, and after having previously referred to the veto power, the chief executive said with all the emphasis of which he was capable: "Better no revision at all; better that the new bill should be passed than that it should be revised."

The Anti-Trust Law Mr. Taft also referred to the Sherman anti-trust law and declared for its enforcement as one of the Roosevelt policies that the party had pledged itself to carry out. Seated at the "president's table" with Mr. Taft were the vice president-elect, Mr. Sherman; Governor Charles E. Hughes; Henry W. Taft, president of the society; Charles P. Taft of Cincinnati; Horace D. Taft of Watertown, Conn.; Dr. Arthur C. Hadley, president of Yale; former Senator John C. Spooner, one of those who responded to the toast; J. Pierpont Morgan, Paul Morton, Governor Franklin Fort of New Jersey, Secretary Straus, Frank H. Hitchcock, Bishop Leonard of Ohio, Gen. H. C. Corbin, Admiral Caspar Goodrich, and Vice President-elect, George F. Baker, president of the First National bank; George W. Perkins of J. P. Morgan & Co.; E. H. Gary of the United States Steel corporation; John C. Clark, Frank A. Vandenberg, vice president of the National City bank; Darwin P. Kingsley, president of the New York Life Insurance company; J. P. Morgan, Jr.; J. F. Stotesbury of Drexel, Morgan & Philadelphia; and Charles Steele of J. P. Morgan & Co.

At another table were four Rockefeller-John D., John D., Jr., William and P. A. Rockefeller. With them sat John D. Archbold, the active head of the Standard Oil company, and John G. Milburn, the special counsel of the company. Frank B. Kellogg, who has been prosecuting the Standard, and William Cronwell, who has been at the front in the recent Panama discussion, were near neighbors to the Rockefellers. Thomas E. Ryan sat at a table with E. F. Young, James Speyer and Lord Revelstoke. Paul D. Cravath, Melville E. Ingalls, Wade H. Ellis, Leslie M. Shaw, Myron T. Herrick, Justice William A. Brewer, Charles H. Frost and Deland Smith were among the more than 900 diners. The galleries of the ball room were filled with splendidly gowned women. Governor Vandenberg presided as toastmaster. Henry Taft and Senator Spooner as the "Successor of Mr. Taft" when it should again become New York's turn to name the occupant of the White House. Henry Taft was toastmaster.

BURTON FATHERS RACE FOR TOGA OHIO CONGRESSMAN REFUSES POSITION IN CABINET CHARLES P. TAFT IS CONFIDENT HE WILL BEAT HIM

NEW YORK, Dec. 16.—It was authoritatively announced tonight that the offer of a cabinet position to Congressman Theodore Burton of Cleveland had been withdrawn by Mr. Taft and would not be renewed. Mr. Burton has been mentioned as the probable secretary of the treasury and it is said the portfolio had been definitely offered to him. The statement follows a conference of Mr. Taft with several Republican leaders from Ohio. Mr. Burton, it is believed, will not make an active campaign in the Ohio senatorial campaign. Charles P. Taft was asked what bearing, if any, the conference may have upon his candidacy for the senate to succeed Senator Foraker, he replied: "I am going to win. Everything is favorable."

The president-elect had nothing to say concerning the conference as regards the cabinet position. He has repeatedly announced he is keeping "hands off" the Ohio senatorial situation. He so stated his position anew to Congressman Burton some days ago in Washington. The conference made Mr. Taft and his three brothers late for the reception in honor of the president-elect at the Waldorf-Astoria hotel, preceding the Ohio society dinner.

ALDERMAN IN CHICAGO IS ACCUSED OF BEATING MAN Councilman Known as "The Bathroom" Arrested on Charge of Assault on Person of News-paper Photographer CHICAGO, Dec. 16.—Alderman John Coughlin, otherwise known as "Bathroom John," was arrested here today, charged with assault on Lyman Atwell, a photographer of the Chicago Record-Herald. Atwell, with Wyncie King, a cartoonist of the Record-Herald, were assigned to get photographs and illustrations of the first ball game of the Chicago ball last Monday night. Coughlin, who, with Alderman "Hinky Dink" Kenna, is the annual beneficiary of the ball, was standing on the sidewalk receiving guests as they alighted. Atwell, according to his own story, attempted to snapshot Coughlin, whereupon the latter led an assault in which the photographer was badly beaten and his camera smashed. A plain clothes policeman held him during one phase of the struggle while others pounded him. A policeman in uniform to whom Atwell appealed, told him to "clear out of here."

MONTANAN MURDERED OAKLAND, Dec. 16.—Christopher Diemler, a baker from Butte, Mont., whose body was found beside the railroad track at Niles Monday night, and who died after being brought to this city, was murdered, according to the police, and Bruno Auerricht, with whom Diemler became acquainted in San Francisco a few days ago, is held in jail at Niles on suspicion of knowing more about the mystery than he will tell. Diemler died from the effects of a fracture of the skull. There were several other wounds on his forehead.

FRESNO, Dec. 16.—Rev. E. W. Donnell, for five years pastor of the Baptist church here, attempted suicide late this afternoon in that town by shooting himself. Rev. Donnell had been suffering for some time from nervous troubles and this illness is thought to be the cause of the tragedy. He was married and several children. He may live.

WASHINGTON, Dec. 16.—The agreement between President Roosevelt and the Smithsonian Institution as to the president's hunting trip to Africa was made public today by Charles D. Wolcott, secretary of the institution. The board of trustees yesterday considered the president's letter and adopted a resolution entering into a contract with the president for certain work. The president wrote to Dr. Wolcott as follows: "About the first of April next I intend to start for Africa. My plans are of course tentative, but I present I hope they will be something on the following order: "By May I shall land at Mombasa and spend the first few months hunting and traveling in British and German East Africa, probably going through or toward Uganda, with the expectation of striking the Nile about the beginning of the new year and then working down it, with side trips after animals and birds, so as to come out at tide water says about March 1. This would give me ten months in Africa. "As you know, I am not in the least a game butcher. I like to do a certain amount of hunting, but my zeal and interest, the interest of a faunal naturalist.

STATE OFFICERS FAIL TO GET RAISE IN SALARIES State Controller Nye Points Out Defect in Constitutional Amendment—Courts Must Con-struct Meaning SACRAMENTO, Dec. 16.—In preparing his estimates of expenditures which are to be included in his biennial report, filed with Governor Gillett, State Controller Nye put in the salary of the state officers at the old figures and not at the new figures contained in constitutional amendment No. 14, which has been certified as adopted at the recent election. When asked today why he did this the controller said: "The constitutional amendment raising salaries is so far from clear that a good many persons until the end of the present term, two years hence. "There are two propositions more or less antagonistic to that amendment which shall not be increased during the terms for which they shall have been elected, and then it proceeds to fix salaries higher than those prevailing when the present officers were elected. "Under these conditions I believe it is best to have the courts construe the constitutional amendment in the way in which it has been done, to refuse to draw warrants except at the old figures."

TELEGRAPHIC BRIEFS ARMY OFFICER DIES—General Inoue of the Japanese army died yesterday at Kio, Japan. SOLOMON CONVALESCENT—Minister Hansbrough of North Dakota, ill at Minneapolis, has reported that he has been discharged from a hospital in San Diego and will return to the United States in January from Manila. FIRE DESTROYS RECORDS—WASHINGTON, Dec. 16.—Government records, maps, charts and photographs valued at more than \$200,000 were destroyed by a fire which broke out in the United States geological survey building. The damage to the building itself was slight.

VALLEJO, Cal., Dec. 16.—Acting under orders from Coroner B. J. Klott, Dr. Frederick Peterson held an autopsy today on the remains of Mrs. August Rose, who died yesterday after an illness caused by partaking of the luncheon provided after the launching of the collier Prometheus a week ago last Saturday. The autopsy, according to Dr. Peterson, showed that death was not entirely due to poisonous poisoning. Many organs were found to be diseased, and the woman's delicate health would have rendered more effective any poisonous substance introduced into her system. The diseased organs were all removed and sent to Dr. Martin Regenberger, president of the state board of health, at San Francisco. Dr. J. K. Hoffman, local representative of the state board of health, attempted to hold an autopsy on the remains, but was refused permission to do so by Coroner Klott, who claimed that it was his duty, as coroner to conduct the autopsy.

The alarm and two more small craft were seen approaching. Dives for Third Time One of these, containing three Japanese, was swamped as it neared the breaker and its occupants were thrown into the sea. Efforts to throw life buoys within their reach were futile, and the Japanese kept afloat until the lifeboat, which L. Hammel, George Fair and Capt. Grant had launched into the boiling sea, picked them up. The men were rescued and taken to the pier and swam to the aid.
