

PERMITS GAIN 33 1/2 PER CENT RECORD REPRESENTS ACTUAL FIGURES

BEARS PROPHECIC SIGNS FOR 1909 In 483 Permits \$646,007 Are Represented, as Against \$469,104 Last January—Seventeen Permits for Class C Structures

Building permits during January amounted to \$646,007, as compared with \$469,104 last January, making a gain of \$177,903, or nearly 33 1/2 per cent.

The number of permits this month was only a trifle in advance of last January, disclosing the fact that there are now being erected larger and better buildings.

There were issued 17 permits for class C structures, segregated as follows: Seven 1-story buildings, seven 2-story, two 3-story and one 4-story buildings. The amount involved in this item was \$168,529.

Class D 1-story structures was the largest item in point of number and amount, with 213 permits, representing \$235,716.

The January report of Chief Inspector Backus, segregated by Chief Clerk Cohn, follows:

Table with 2 columns: Permits, Value. Rows include Class D, Class C, Class B, Class A, Foundations, Alterations, Demolitions, etc.

Principal Building Permits

- List of building permits including names of owners and builders, such as 'Tarieton, 328, 1914, 1918, 1924—James McDonald and Ella Roberts, owners; H. D. Leatherwood, builder; 1-story 6-room house; \$3900.'

Distinguished Architect Visits in Los Angeles

Architect W. S. Eames of the firm of Eames & Young, St. Louis, one of the best known architects in the United States, is visiting Los Angeles.

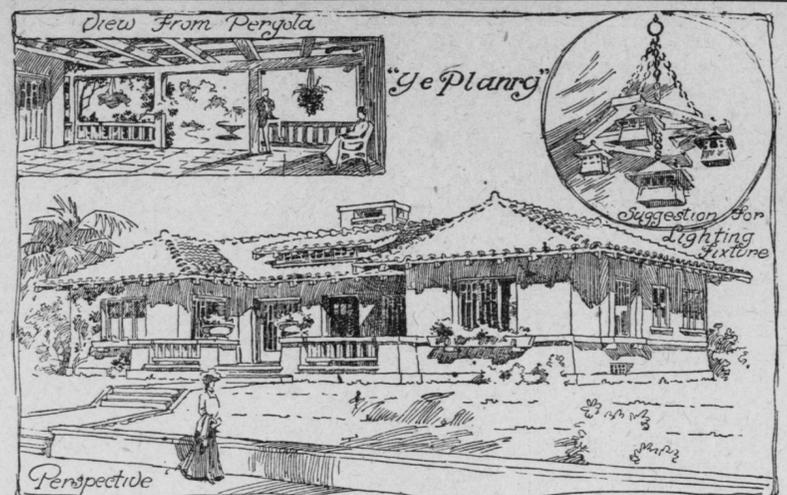

On South Virgil Avenue

W. R. Ireland, 416 American National Bank building, will erect a two-story seven-room frame residence at 509 South Virgil avenue.

Plan Additional Jails

The Riverside supervisors have ordered branch jails erected at Hemet, Blanning and probably Idaho. They will be for the temporary detention of prisoners and will contain a single steel cell each.

Typical Mission Bungalow with Sloping Beamed Ceilings and Pergola at Rear

This typical Mission bungalow is being built for G. B. Hinkley at Prospect and La Brea streets, West Hollywood, from plans done at Ye Planing, 212 Mercantile place, Los Angeles. The house will have five rooms and will cost \$2500.

YAQUI VALLEY LANDS TO SOON BE WATERED

WORK ON MAIN CANAL NEARS COMPLETION Agents Report Growing Demand for Delta Acreage—Marked Building Activity Follows—Texan Buys 100 Acres

Contractors are busily engaged in pushing the main canal work of the Richardson Construction company in the Yaqui river valley, Sonora, Mexico, and the system is fast approaching the time when several hundred thousand acres of fertile delta land will be supplied with water.

ODD FELLOWS OF PASADENA CONSIDER \$75,000 STRUCTURE

The Pasadena Odd Fellows are considering the advisability of erecting an Odd Fellows temple in the city. The estimated cost of the proposed structure will probably be three hundred thousand dollars.

Trades Auto for Lot

The Jones & Ryler Land company reports the following exchange: A five-room modern residence on a lot 60x120 feet, at Edwards and Eighth avenues, Springfield, Ill., for \$2000.

Sales at Pomona

The Pomona Progress reports the sale of a 10-acre lemon and orange grove at Upland by George Hoag to Alexander Gemmel of Claremont for \$10,000.

San Bernardino Plans

Architect W. W. Griggs is working on plans for an additional story to be added to the Earmann building on Third street, between D and E, in San Bernardino.

New Wilton Place Houses

The Los Angeles Investment company, 227 South Hill street, has the following contracts: A five-room cottage to be built at 1905 West Fifteenth street by Mrs. A. S. Hestorff.

Activity on Hillside

An unusually large amount of building is being done on the hillside bordering Sunset boulevard, from Lake Shore avenue northwest.

Consider \$25,000 School

The school board of Exeter is considering the erection of a \$25,000 high school.

New Water System

The Bloomington Land company will soon begin the installation of a new water system.

Tropical Mexico Attracts Americans; Excursions Result in Numerous Sales

The country that seems to be attracting great deal of attention from American home-seekers and investors at the present time is southern Mexico.

LOTS AND BUNGALOWS IN SOUTHWEST MEET WITH BRISK DEMAND

The McCarthy company reports a brisk demand for bungalows and building lots in the southwest portion of Los Angeles. Sales during the past week were as follows:

To L. E. Robert: House and lot at 1040 East Fifty-seventh street, lot being 40 of Harvard tract, for \$1500.

CITY PROPERTIES CHANGE IN TRADE AMOUNTS INVOLVED TOTAL \$24-500

Investment Purchase of Two Cottages at Ocean Park Is Made at \$4200—Other Nearby Sales

Croake & McCann report the following sales and exchanges: A lot 90x148 feet to alley, southeast corner Eighth and Hoover streets, improved with eight-room modern house, \$5000.

To A. Bethold: Lot 9, block 2, of the McCarthy company's Florence Avenue Heights tract, on Seventy-third street between Vermont avenue and Hoover street, size 40x140 feet, for \$755.

Lot 40x91 feet east side Key West street, between Tenth and Eleventh streets, improved with twelve-room modern cottage, Harry Kelly to Agnes Watson, \$2850.

Lot 70x170 feet southeast corner Franklin avenue and Paul place, East Hollywood, Croake & McCann to Mary M. Gilbert, \$2500.

Lot 50x135 feet east side Mariposa avenue, between First and Second streets, adjoining the Catholic cathedral, the building on which being entirely inadequate to accommodate the various lodges that hold their meetings there.

Lot 50x135 feet east side Gloria street, near Prospect avenue, Hollywood, Aldritt, Croake & McCann to Amelia Selzer, \$1000.

Lot 51x144 feet east side San Pedro street, between Forty-third street and Forty-fifth street, near Ramona, Reno Offring, \$800.

May Build Twenty Cottages The Paul H. Blades company is contemplating the erection of about twenty new cottages at Sierra Junction, adjoining Onesta Park, South Pasadena, each to cost about \$200.

To Cost \$10,000 Glass brothers of Corona are preparing to build a two-story pressed brick structure on East Sixth street near Ramona, in that city. The estimated cost is \$10,000.

Stop! Ye Who Chance to Read This, Stop! Think, and Think Seriously

When we are sick, the body is loaded with impurities. By taking drug medicines we add to these impurities, and make the case harder to cure.

DIVORCE IS THEME OF OBERMER PLAY

HOUSE OF BONDAGE TOUCHES VITAL PROBLEMS Miss Florence Roberts Appears in Drama Replete with Thrilling Interest of Character, Incident and Plot

It is quite natural that the turbulent demonstrations of England's suffragettes, which has of late interested and astonished the world, should be followed by a renewal in parliament of laws giving women equal conjugal rights with men.

Divorce is a theme which from the very inception of the Mosaic law has engendered radicalism and embittered differences among lawmakers.

Better Law in America Women of this country have an equal opportunity with their husbands in the laws of divorce, despite the varied causes of the states, but in England it is different.

There is probably a general belief throughout the civilized globe that there should be a uniform law governing the marital relations, but men disagree so widely in regard to its just scope that there is little hope that, even in this country, a constitutional amendment could be passed that would bring about such a result.

Varian of Laws In pre-Christian times the precise import of this language was sharply contested, some giving it a general meaning and holding that a man might divorce his wife for the most trivial cause.
