PASADENANS TO KEEP LINCOLN'S CENTENARY
CHURCHES TO HAVE SPECIAL CELEBRATIONS

G. A. R. Will Observe Anniversary of Birth of the Great Emancipator. Schools to Have Appropriate Exercises

PASADENA, Feb. 7.—Lincoln's birthday is to be generally celebrated in Pasadena. Not only will the Grand Army post hold special services but nearly every church in the city plans to observe the day with patriotic addresses and songs.

There will also be special exercises in the schools during the day. At the First Congregational church the services will be unusually attractive, including a lecture on the life of Lincoln by the Rev. Robert E. Meredith, pastor of the church, and himself a Grand Army man.

The negro citizens of the city are planning a celebration of their own which will be held in the Moscone auditorium. Rev. J. H. Hill will deliver the oration and music will be furnished by a choir of twenty-five voices under the leadership of Mrs. Corine Hicks.

WOMAN'S WHIM PROBABLY SAVES LIVES OF PARTY
Pasadenans Keep Away from Sicily Because Mrs. Scripps Took Dislike to Trip

PASADENA, Feb. 7.—Word recently received from Mr. and Mrs. William A. Scripps of Scripps' hall, Altadena, tells how a woman's whim saved the party from being in Sicily at the time of the earthquake.

The Scripps and their traveling companion, Mrs. Marie A. Fliske of West California, were planning to spend the winter in southern Italy, when the women of the party took a sudden dislike to the trip and at short notice insisted upon the abandonment of the plans and a journey up the Nile.

Mrs. Scripps changed her mind the day before the steamer which was to have borne them to the heart of the earthquake district was scheduled to sail. They would have disembarked at Messina the day preceding that of the first disturbance.

AUDUBON SOCIETY TRIES TO FIND POISONER OF BIRDS
PASADENA, Feb. 7.—Officers of the Audubon society of Pasadena have begun a systematic hunt through the east end of the city in the hopes of disclosing the person or persons who are poisoning the song birds of that section.

Many complaints have been received of late from people who have found dead birds about their yards and it is believed someone is distributing poison either with intent or to retaliate against the distribution of a menace to the birds.

Dogs also have suffered, two valuable animals having met their death during the past week through poison. In one case, where an autopsy was held, the animal's stomach was found to contain poisoned raisins, such as are used in poisoning gophers.

Humane Society Elects Officers
PASADENA, Feb. 7.—The Pasadena Humane society has organized for the coming year by electing the following officers: President, Dr. E. L. Conger; first vice president, L. R. Macy; second vice president, W. D. Medley; third vice president, Miss Mary Stewart; fourth vice president, J. D. Mersereau; fifth vice president, Mrs. M. M. MYSTERY LURKS IN NOTE FOUND IN CAN

AUTHOR STATES PARTY IS IN GREAT DISTRESS

Direction Supposed to Have Been Taken Leads to Death Valley, Where People May Have Perished

SAN BERNARDINO, Feb. 7.—Another desert tragedy seems to be wrapped up in a note found Thursday morning in the opening of Black's canyon by J. M. Wister and several other prospectors, who were making their way across the hills.

The note, which had been placed in a can, evidently had been there two or three days, and read: "We are lost, sick, out of food, but have a h-l of a lot of water. We have taken this trail for Douglas, Madrose, Howard Lane, Mrs. Lane, George Irish, Mrs. Irish and two children."

The trail which they say they took leads not to Daggett, but to the Death valley sink instead, and it is feared they may have perished. Wister and his party set out in search of the lost people and hope to overtake and save them before it is too late.

TWO SUSPECTS ARE UNDER ARREST; BURGLARY CHARGED
Say Prisoners Had Registered at Different Hotels in Various Cities

SAN BERNARDINO, Feb. 7.—Two men, giving their names as T. T. Ormsen and E. C. Pinkham, were arrested this morning by the police on a charge of burglary at the Hotel Roanoke and the rooms of Hazel Rourke and H. A. Walters at the Hotel Roanoke and robbed them of a watch and other valuables, the watch being sold at the shop of a local pawnbroker.

The men also are suspected of robbing a room at the St. Charles hotel, where they stopped two nights, a watch having been stolen there. At the latter hotel they registered from Seattle, while at the Roanoke they registered from Boston.

They have been in town several days and have been peddling dollar fountains pens about town. Next to a room at the Roanoke next to the one which was robbed.
