

BIG MANEER FOR BENEFIT OF ELKS DRIVING CLUB PLANS ELABORATE PREPARATIONS

LARGE ENTRY LIST IS EXPECTED FOR JULY RACES

Most Important Events of the Year Will Be Held at Agricultural Park. Local Horsemen Look Forward to Keen Contests

BY DAN PATCH Elaborate preparations are being made by the Los Angeles Driving Club, assisted by the B. P. O. E. lodge No. 1, for the manee on Saturday, July 1, for the benefit of the entertainment fund of the Elks...

A runaway wagon, presented by B. P. O. E. lodge 99; a pair of field glasses, presented by the Whitley Jewelry company; loving cups, given by S. Nordlinger & Sons, Montgomery Bros., L. B. Bailey and Donovan & Seaman Co.; driving gloves from R. J. Busch and J. Desmond; a pair of handsome brown blankets from the Tally Ho stables; silver mounted whips from Brydon Bros., Southwestern company and Pioneer company.

These certainly ought to bring out about everything fit to race, and there will be no trouble in making up a program at a matinee at Agricultural Park. In addition to the above the free-for-all race will be the beautiful solid silver cup presented some time ago by the Los Angeles Polo club, to be won three times by the same member. F. B. Long has two "legs" on it now with his great matinee pace and, this race will give him the cup for his own property...

One of Dan Hogan's novelty races will be programed probably a costume race on horseback, such as was given last Thanksgiving day with success. The prize for this will be an ice box filled with the finest generally keeps in an ice box for his friends.

A beautiful and artistic souvenir program will be given and every detail looking toward the hot and pleasure of the crowds that attend will be carried out to the letter. The Elks' drill corps will police the grounds, though the team of volunteers that respect; a band of eighty pieces will be in attendance and will render all the late popular airs between heats for the crowd on the grandstand. In addition to the program above the secretary is in communication with J. H. Bonnell, who drove Velox against Copa Oro at the "Thanksgiving matinee, with a view of the start of his great pacing mare Delliah up on May 1 and trying to break the coast record to wagon.

The California Circuit At last it has been definitely decided that Los Angeles shall join the California circuit and have the dates July 12 to 17. The Los Angeles Harness Horse association, of which C. A. Canfield is president, held a meeting at his office last week and undertook to finance the meeting and the purchase of the circuit, which will be light and moderate. The circuit will start at San Diego on July 5, then come here for the week of the Elks' reunion, after which the horses will go to San Bernardino, then to Redlands, Woodland, Chico and wind up at the state fair at Sacramento. Then they can continue up the coast in the North Pacific Fair circuit, which will be from July 18-19, Portland and Seattle or give them the coast road to the middle of October.

With a grand aggregating \$25,000 at San Diego, Los Angeles and San Bernardino, it will pay every northern stable from Sacramento or even farther to come to the state fair at San Diego and work their way north when they could not afford the expense, if it was for but one or perhaps two meetings. The circuit will be light and moderate as to give a horse a chance to start twice if he cares to—for instance, a 2:20 trot may begin the first day and a 2:15 trot the fourth day, and the same with the slow pace. It is hoped to have the entry blanks out this week and mailed to every horseman in the state, and as good as a professional racing program was ever seen on the coast.

PARAFFINES TAKE ON WINNING STREAK

The Paraffine Paint company baseball team yesterday afternoon took on a winning streak and defeated the Euclid on the Stephenson avenue diamond by a score of 7 to 3. The feature of the game was the pitching of Haight for the winners, who fanned twelve of his opponents, and the batting of Haight, who had three hits were made off Haight's delivery and the paint daubers were touched up for a dozen. Haight was in excellent form and should have been given credit for a shut-out game owing to the errors made by the fielders of the winning club. Following is the tabulated score:

The Hudson River Driving Park association at Poughkeepsie, N. Y., has withdrawn this year from the grand circuit, although they had secured in the dates of the week of August 23 assigned to them. The reason given by H. N. Bain, the secretary, is that they cannot stand the state tax of 5 percent, in return for which they are granted no privileges whatever. It would seem that the least the state could do for a party, produced a rusty sword which he assured them was the identical sword with which Balaam had sworn to kill his ass. One of the party observed that he thought Balaam had no sword, but only wished for one.

Walter (Long Shot) Cox is credited with two good things for the slow trots in Bid. C., 2:27 1/2, by Burgard, that he gave \$12,000 for last winter as a three-year-old in 1907. She was second to Gen. Watts when he won in 2:06 1/2, and she was separately timed in 2:08 1/2. She was not raced last year, and now as a five-year-old she is claimed to be everything a trotting mare ought to be, and will probably be Cox's M. and M. candidate. The other is also a five-year-old called Melva J., by Peter the Great, that Cox was seen to work a mile at Syracuse last year in 2:05 1/4. It is reported that Mr. Geers has converted Highball (2:03 1/2) to the pace. If this is so it is probably to save his game leg. Most trotters that have gone to pacing have showed extreme speed at that gait, so what may be expected of a horse that has trotted halves in 2:03 1/2 and tramped the third quarter of a mile in 2:05 in 2:03 1/2. He will make a pretty formidable adversary in the slow pacing class.

JOHNSON TO FIGHT JAMES J. CORBETT

CHICAGO, April 18.—If Jack Johnson, the heavyweight champion, and James J. Corbett, the former heavyweight champion, are to fight at San Francisco, the fight will be on Thanksgiving day. James J. Corbett, the former heavyweight champion, is to fight at San Francisco on Thanksgiving day. James J. Corbett, the former heavyweight champion, is to fight at San Francisco on Thanksgiving day.

Old Charter Oak park at Hartford, Conn., comprising about 120 acres, has been sold to the Connecticut Fair association by its owners, A. J. Welch and O. A. Jones, for \$175,000. So racing is still assured at that point in the grand circuit.

THROOPBOYS TO MEET PASADENA

ANNUAL TRACK EVENTS TO BE CONTESTED SATURDAY

Broad Jump and Pole Vault Conceded to the Institute, as Well as Many Seconds and Thirds

Although financial considerations will prevent medals being given, Throop Polytechnic institute and Pasadena high school students have decided to go ahead with their annual track and field meet to be held at Tournament park, Pasadena, next Saturday afternoon.

High school athletes will put in some hard work this week rounding into shape for the various events under the watchful eye of Coach Wilson and Capt. Rich. Rich will go into the quarter mile and hurdles. In the latter event the team of however, is lamentably deficient in second and third place men, and if it is beaten it will lose because of this deficiency. Barring reversals of form, however, the high school boys should capture several of the first place events.

Hardly is the only entry in the pole vault, which will no doubt go to Throop. Tyler, Parker and Chaffee will be on the high jump and pole vault. Throop a hard run for honors. The broad jump and pole vault are the events that Throop expects to win. Ed Blodgett, the sprinter, will give Throop's mainstay in the weights are Davis and Ross, but they can hardly do more than place. The stars in this event are the Bowyer field recently captured first place in the hammer throw, and can hardly miss doing the same Saturday. Pyle is out of the first event, owing to his inability.

PREPARE FOR SALT LAKE RACING

HORSEMEN GET READY FOR FORTY DAYS RACING

UTAH TOWN A-BUZZ IN ANTICIPATION OF OPENING

Good Staff of Officials Appointed and High Class Racing is Assured. Arcadia Turfmen Will Ship to New Track

SALT LAKE, April 18.—Everything is a-buzz and a-hopping out at the Fairgrounds course, where a force of artisans is busy from morn to night preparing for the expected influx of racing folk from the four points of the compass within the next fortnight or so. The life of the first annual meetings of the Utah Jockey club is scheduled to run from May 22 to July 7—forty days—but from the way the stabling accommodation is being taken up a much longer session might be easily maintained. The grand stand is being remodeled, while the betting sheds are being rearranged in order to meet with the increased class of racehorses already under way and it will be a snug little spot for the elite to rendezvous with the racing class racehorses on its surface. FAST BALL PLAYED IN SOUTHERN STATE LEAGUE

PITCHERS' BATTLE GOES TO THE LEADERS IN NINTH

First Baseman Wilhoit Suffers Torn Ligaments of Knee and is Treated by Doctor—Complete Results of Play

Before twelve hundred fans Redondo and Gardena put up a class A article of ball with the score tied 3 to 3 for six innings. In the sixth inning Wilhoit, who was playing the initial sack for Gardena, tore the ligaments of his right knee and was removed to a doctor's office. Bingham was placed on the first sack. It was a pitchers' battle, and Moore of Redondo made six of the strawberry pickers pound the air, allowing five hits and walking but one. Moore used his head when he found the pain, struck out six, allowing four hits and walking seven. The last half of the ninth Annis walked Moore, was sacrificed to second and came in on E. Lockner's double two feet inside of the third base line, scoring Moore with the winning run. Following is the tabulated score:

DOUGLAS WINS SHOOT MEDAL

THAXTER GETS SECOND ON BISHOP STREET RANGE

TWO TELEGRAPH CONTESTS ARE SCHEDULED

Los Angeles Revolver Club to Compete with Organizations of Springfield, Mass., and of Portland, Maine

The regular monthly shoot of the gold, silver and bronze medals took place yesterday on the Bishop street range. A. B. Douglas and H. D. Thaxter ran a close race for the gold medal, but at the final Thaxter had a score of 259 and Douglas 260, just one point ahead, won the trophy.

This being the third consecutive contest by the holders of these two trophies, had each one won the medal he was holding the trophies would have become the property of the winners. A. B. Douglas was high man with a score of 260, winning the gold medal as his own property.

The silver medal became the property of Thaxter. Will A. Wright, using a hand-made .22-caliber revolver, scored 254, winning the bronze trophy. The conditions were 30 shots per man at 50 yards on the standard American target.

Next Saturday the club will hold a telegraph match at 20 yards indoors with the Smith & Wesson Pistol and Revolver club of Springfield, Mass. A telegraph match will also be held with the Miles Standard club of Portland, Me., at 50 yards outdoors next Sunday.

Following are the scores made yesterday on the Bishop street range:

VAUGHN TAKES FIRST HONORS IN SHOOT

VENICE, April 18.—The first honors of the opening shoot of the season held by the Crescent Bay Gun club on its range today were carried off by Vaughn—who hit 174 out of 180 blue-locks. Bob Bungay made second highest score, but with this was the first time this season he will probably show better form later on.

Bert Carter was third from the percentage standpoint, but shot in but one event and can hardly be considered as competing on the general average. Arnold broke 157 out of his 180. Vaughn had a new arrival in the club. Mr. Pugh hails from Chicago and gives promise of doing some good shooting after a little practice has made him familiar with the range.

Twenty targets in each event.
