## INDEPENDENT ORDER OF FORESTERS

Court Pasadena held a whist party Friday evening, when a jolly party of members and friends met and had a very successful evening. Mrs. M. K. Jeffs was the winner of the first lady's prize and Beatrice Grover was consoled with the booby prize. The booby prize was a pair of socks. The city whist game was among the contestants and by winning the first gentleman's prize, and returned to the city with a new pair of socks as the result. Brother Cornish of Detroit won the booby prize, and says that the booby prize here is better than the first prize in Detroit, so he is going to place his membership in Pasadena now and bring his wife in also.

Deputy Supreme Chief Ranger McDonald says that in the City of Morris Vineyard going some now, and the boys certainly are taking a great deal more interest. At their last meeting a class of three were put through their paces, and the pace was a hot one, and three others who could not get to the meeting were placed in membership the day following. It is a thing of the day following, and the members of other courts are always welcome to help the good work along with their presence.

Court La Gazelle again demonstrated last week that it is one of the best fraternal courts in the city. It is taking of one of its members who was taken sick in San Bernardino. The court made an appropriation and sent a nurse to take care of the sick member. This is merely one of the cases that are at all times coming up for attention in the courts, and the work is being untold good with the help it gives to the companions and brothers in distress. The work is done unobtrusively but effectively, and there are many who are thankful for their membership in Forestry for smoothing the rough places that take to all at some time or other in life.

Court Occident at its last meeting inducted the chief ranger, Brother W. H. Leeds, for the Seattle trip, and the members are now busy getting new applications for membership to place to the regular monthly social Friday, May 28, and the committee, which consists of Brothers Buswell, Bean, Gould, Gillingham and Joe Modie, promises that there will be something startling unfolded that evening. It is known that a fine prize has been offered for the best whist player, but beyond that the program is a secret. All are invited to bring their membership in Pasadena avenue that evening.

Court Temple had a large attendance last week and added a number to its membership. Brother P. N. Roth, its vice chief ranger of Court Los Angeles, was among the visitors, and made an interesting talk.

Companion Court Los Angeles received applications for membership at the meeting last week. The members were busy in preparation for the coming meeting of the companion assembly. Do not forget the penny social of Companion Court Glad Hand in the Walker building Thursday, May 27, when the humble penny social gladly accepted by the fair companions. You surely will get your money's worth and will not ask for your penny back.

Court Semi-Century No. 142 gave another of its series of whist parties at the hall of the court, 105 1/2 South Main street, last Tuesday evening. The attendance, as usual, was good. Besides ten tables of players, besides a number of visitors who were present to enjoy the social features of the evening. The whist party was given by and under the auspices of the S. W. Van Domselaar, the financial secretary of the court, and the gross proceeds will be given to swell the general fund of the court. The party was won by Brother J. Strachan, the second by Miss Kelly. Refreshments were served.

Court Los Angeles had a good meeting last week and transacted considerable business of importance. Among the visitors was Brother Skinner of Fremont, who has lately located in the city. Court Long Beach has had several visits to the high court officers and to the courts to attend a big class initiation Thursday, May 27. The court and its officers are making great preparations to entertain the visitors as well as the candidates, and one of the largest meetings this big court ever had is expected. The court meets at 125 South Spring street.

Companion Court Miramar received applications at the meeting Tuesday evening and also gave the initiatory work.

Every one present, and there was a large attendance, had a good time with Court La Fiesta Tuesday evening, when Companion Hood was the guest of the entertainment committee. Whist was played and the first lady's prize was won by Mrs. Reed, who is shortly to join the court. Companion Hull was awarded the consolation prize. Brother Hull captured the first gentleman's prize, and Brother Wilson was strenuous enough to get the booby prize. A dance was also a part of the evening's entertainment.

Companion Franklin, who is a member of Court La Fiesta and president of the companion assembly, has been bereaved by the death of her mother this week, and receives the fraternal sympathy of the Foresters in her sorrow. Companion Hood, who is a member and family are all active Foresters, well known in the various city courts.

Companion Court Morris Vineyard had a large attendance last week and received three applications and added two to its membership by card. The members of Court Glad Hand are busy in preparation for their first anniversary celebration to be held Thursday, June 10. An active committee is at work and it will see that the event is a notable one.

## WOMEN OF WOODCRAFT

The Women of Woodcraft are looking forward with a great deal of pleasure to the picnic to be held at Santa Monica canyon May 31, when a number of the women from Poinsettia and Vernon circles will play baseball with a team from the Golden Gate circle. Practice games are going on every evening, and both teams are confident of winning.

Semi-annual election of officers and the election of district delegates to the district convention to be held in Santa Barbara June 24 will take place in the various circles this week. Poinsettia circle is planning a very attractive card party for the benefit of its delegates June 1, at Woodmen temple.

Applications are received and candidates initiated every meeting night at Laurostines circle. All officers were present last Wednesday night, and a very large attendance, among whom were many visitors.

The order is growing very rapidly, 1200 certificates having been issued last month by the grand circle.

## Prominent Officials Who Are Leaders in the Order of the Western Fraternal Association

TOP ROW, FROM LEFT TO RIGHT: DR. A. B. NEWKIRK, WM. E. RIGGS, C. J. BALFOUR, GUS A. KARPE; SITTING, FROM LEFT TO RIGHT: G. P. FALLIS, J. E. BROCKWAY, J. I. McLAUGHLIN, CHARLES STRONG

The Western Fraternal Association, a home product, organized in May, 1908, has reason to feel proud of its success along fraternal lines. The association is among the "adequate rate" societies, insuring reserves for future obligations. Essentially a live-up-to-date organization it embodies all the new ideas, eliminating the pitfalls of older societies and presents all that is new in the line of fraternal work.

J. I. McLaughlin, supreme president, is too well known as a successful fraternal man to need introduction throughout the western fraternal world. A "hustler" in securing business and an untiring teacher of his methods to organizers has placed him in a position second to none in the work on the Pacific coast.

Charles Strong, supreme vice president, retired capitalist and successful business man, has taken up the fraternal work and is making the same success in that line that made his name familiar to the mining men as a successful promoter in the business.

Dr. A. B. Newkirk, supreme medical examiner, is a well known successful physician of Los Angeles. Prominent booster of other fraternal organizations he brings to the Western Fraternal Association the benefit of long medical skill and experience in supervising medical examinations for fraternal insurance.

C. J. Balfour, supreme secretary, is occupying a position in the business life of Los Angeles for years.

William E. Riggs, assistant supreme secretary, is well known in the fraternal life of the city. A past master in the art of conducting floor ceremonies, he will have charge of all the degree teams and floor rituals of the order.

Gus A. Karpe, G. P. Fallis, deputy supreme president, are both former old line agents. Seeing in the fraternal work a larger field for the exercise of their abilities they have deserted the ranks of old line insurance and allied themselves with the new live organization they represent.

J. E. Brockway, past commander Roosevelt camp No. 9, U. S. W. V., attorney at law, former representative from Bay City, Mich., and a native of that state, also recognizes the importance of the fraternal work and has forsaken the law books for the active life of the field deputy. He is a prominent fraternalist, being a member of half a dozen orders and is also supreme treasurer of the Western Fraternal Association.

Stag lodge No. 2 announces the opening of its new club rooms and hall for Tuesday, June 1. A class initiation of 100 is expected to be held. The elaborate new ritualistic work written especially for the lodge will be put on for the first time. Companion Light, president of Stag lodge, has been very active in having the officers letter perfect in their work. The enterprise of this lodge in securing the lease of the old Elks' headquarters shows the spirit it possesses. Companions Danford and Karpe have been the leading spirits of the committee of arrangements. The club rooms are being fitted up elaborately. Pool and billiard tables will be placed in the rooms on Saturday and buffet lunches with soft drinks will be served. As the laws of the order prohibit liquors being sold or used where the order holds its meetings, the members are requested to bring their own. The club rooms will attract the best business and professional men in the city. In fact the membership has materially increased since the lodge was secured along these very lines. Charles E. Rice and Ben. Cohn have been elected to the board of trustees to fill vacancies.

Home lodge No. 1 will hold a mask ball in its hall, Mercantile place and Broadway, Friday, May 28. Dr. Gregg is chairman of the reception committee. Companions Ferguson and Brinor will serve as the floor and refreshment committee, assisted by the members of the lodge. A hat over presented by G. A. Nagle, manager of Silverwoods, will be for the most original men's costume. A pair of gloves presented by Harris & Frank for the evening will be for the most original men's costume. Refreshments will be served in the banquet rooms.

Western lodge No. 8 is making arrangements for a large entertainment of the given in Stag lodge in the early part of June. Announcement of the program, etc., will be made later in The Herald.

## ROYAL COURT

Next Tuesday evening Los Angeles assembly No. 2 will hold its regular monthly public assembly at which a fine musical and literary program will be rendered, at the conclusion of which a public review of the meeting of No. 2 last Tuesday evening was largely attended by members in eager anticipation of welcoming a class of candidates and refreshments were served.

Pico assembly No. 8 will be entertained under "good of the order" Monday evening at the home of the Iris club. The committee having in charge the public entertainment May 31 will make its final report to the review of "current events" at the meeting last Monday evening by Dr. J. S. Montague was very interesting and instructive. The "candy pull" after the close of the meeting was a very much "stuck up" affair and caused several members to "get sweet" on each other.

## KNIGHTS OF THE MACCABEES

Los Angeles tent No. 2 conferred the second and third degrees on four members at its last meeting. Next Wednesday evening the tent will give the initiation of the Knights and Ladies of the Maccabees of this city. Members and their friends are invited to be present.

Deputy Grand Commander J. W. Arbohart has completed his work at Santa Barbara. Last Tuesday evening he initiated a large class. Following the ritualistic work an elaborate banquet was served. The knights and ladies have made arrangements to meet on the same night in adjoining halls, and the arrangement is proving very satisfactory to both orders.

The funeral of Sir Knight Myers, a member of one of the Chicago tents, was held at St. Patrick's church on Tuesday and was attended by a number of the members of the Knights and Ladies of the Maccabees of this city. Sir Knight Myers had been a member of the order for over twenty-five years, having joined Lotrine tent No. 1, Ohio, the first tent organized.

The report of the supreme record keeper for the month of April shows that 3444 members were admitted. The tents and hives in Southern California are already beginning to agitate the question of holding the annual picnic. During the coming months committees will be appointed to arrange for the time and place of holding the picnic, and making other necessary arrangements. The members had a good time at the one held last summer, and are eagerly looking forward to the one to be given this year.

Monday evening Santa Ana tent gave a largely attended smoker. The great range offered some very attractive prizes for securing new members, and the Sir Knights at Santa Ana are bound that they shall have their share.

## EASTERN STAR

Los Angeles chapter, No. 168, Order Eastern Star, will entertain with a big theater comedy Monday evening, June 14. The chapter has secured the Burbank theater through the courtesy of Mr. Morosco for the date. Hoyt's "The Milk White Flag" will be the comedy.

Club rooms are being fitted up elaborately. Pool and billiard tables will be placed in the rooms on Saturday and buffet lunches with soft drinks will be served. As the laws of the order prohibit liquors being sold or used where the order holds its meetings, the members are requested to bring their own. The club rooms will attract the best business and professional men in the city. In fact the membership has materially increased since the lodge was secured along these very lines. Charles E. Rice and Ben. Cohn have been elected to the board of trustees to fill vacancies.

Home lodge No. 1 will hold a mask ball in its hall, Mercantile place and Broadway, Friday, May 28. Dr. Gregg is chairman of the reception committee. Companions Ferguson and Brinor will serve as the floor and refreshment committee, assisted by the members of the lodge. A hat over presented by G. A. Nagle, manager of Silverwoods, will be for the most original men's costume. A pair of gloves presented by Harris & Frank for the evening will be for the most original men's costume. Refreshments will be served in the banquet rooms.

Western lodge No. 8 is making arrangements for a large entertainment of the given in Stag lodge in the early part of June. Announcement of the program, etc., will be made later in The Herald.

The members are hereby notified that the name of the hall formerly known as Elks' on South Spring street, will be called W. F. A. hall in the future.

## BENEVOLENT AND PROTECTIVE ORDER OF ELKS

Owing to the number of applications for membership that are being brought in to Santa Monica lodge No. 99, B. P. O. E., the lodge has decided to hold three initiations during the coming month, and many of the business men of prominent men from all sections of the beach have joined the lodge in the past month, and every day brings more.

The "Booster committee" meets every Friday evening, and while discussing plans at the club house perfect plans and receive new suggestions for all of entertainment of visiting brothers who will be here during the July convention.

"Little Tycoon," a high class opera, will be presented by the committee appointed for the purpose of raising funds for the convention, in the early part of June. The cream of the beach talent has been drawn for the cast and the production promises to be a thoroughly creditable one.

## WOODMEN OF THE WORLD

The camps and circles of Los Angeles and adjoining towns will hold another picnic at Santa Monica canyon on Decoration day, Monday, May 31. The committee in charge of the affair and every effort is being made to insure a big attendance. The picnic will be a free barbecue prepared by Colonel Lawton's famous chef. A band of music has been provided by the sports committee, and an orchestra for dancing. The picnic is a baseball game for women. Prizes of \$150 will be offered and the contests will be exciting. Two picnics of the same name auspices at Santa Monica canyon last year attracted over 6000 members and their friends. This year it is expected that even a larger crowd will be in attendance, as the canyon is beautiful at this time of the year. The grass is green and the wild flowers send out their fragrant perfume. The picnic will consist of meat and beans. This year the members buy tickets direct from the Los Angeles Railway company, and cars marked "Santa Monica Canyon" will run every few minutes, beginning at 9 a. m.

Last Monday camp initiated thirty-two new candidates last Thursday night. The officers and team of La Fiesta camp conferred the degrees, and the work was almost over. A large attendance was present, among which were many visitors. Past Head Consul John H. A banquet was tendered the new members after initiation. Council Commander Rankin was absent for what reason? The stork arrived at his residence in Hollywood during the evening, bringing the boy cigars will be passed around next Thursday night.

Los Angeles camp has taken in more members in a given month than any other camp in this district, and it has promised to secure a hundred applications during May and another hundred during June.

Last Monday La Fiesta camp conferred the protection degree upon a class of candidates and received several applications. Boosting speeches were made by G. A. Nagle, supreme commander of Eastlake camp, and Organizer G. E. Stretch. Officers will be elected May 21.

The new service is most satisfactory in other ways, too. The old-time ice driver is a thing of the past so far as we are concerned.

You will find our new drivers courteous and accommodating. They are not like the drivers you had to put up with in former years. They have courteous, willing service for you, and not the "smart" talk and door-slaming of other days.
