STANFORD WINS WITH BIG SCORE

CASTAWAYS PLAYED OFF FEET ON BAER FIELD

NORTHERNERS WIN AT RUGBY BY SCORE OF 41 TO 0

Local Men Outweighed and Outclassed in Contest Before Big Crowd at Occidental College Grounds

BY CHARLES JERNEGAN
Stanford, 41; Castaways, 0

With a scrum averaging 105 pounds to the man and supported by the fastest backs on the coast, the Stanford fifteen literally played the Castaways off their feet at Baer field, Occidental college, yesterday afternoon. The best the local boys could do was to put up a gritty fight in a vain effort to hold down the rushes of the visitors. Twenty to nothing at the close of the first half and 41 to 0 at the end when the referee's whistle blew at the close of the second twenty-five minutes of play, tells the story in a nutshell.

Autos lined one side of the field, while on the other, bleachers were jammed to their utmost capacity. The Stanford club of Los Angeles was out in force, and when the heavy fifteen wearing the cardinal ran onto the field a few minutes after they were given a reception which must have sounded like a home crowd in the ears of the visitors.

For an hour prior to the game, a long line of ticket holders stood in front of the ticket window patiently waiting for an opportunity to witness a game of real Rugby. And they saw it. Never before has a fifteen playing the English game started on a local gridiron which proved as proficient in handling passes and as capable of plowing through any kind of a field.

Great Team for American
"What a team for the American game they would make," could be heard on all sides as, headed by Captain "Mow" Mitchell, the team lined up for the kick-off.

Crawford, the biggest man on the fifteen, and conspicuous by his red jersey, booted the ball well into the Castaway territory. Within two minutes after the pigskin had been put in play, it was apparent to everyone present that the local boys never had a chance with their heavy opponents. First it was Crawford and then a number of the Mitchell boys, who would charge down the field, leaving a string of Castaway players lying on the ground in their wake.

Many penalties marred the first few minutes of play, but as the game progressed and Stanford gained more and more confidence, lone runs became more frequent. Time after time wonderful passes and clean-cut open play brought cheerleaders to their feet.

Caley Makes Wild Kick
Caley was early awarded a free kick by Referee Higgins, and although in the middle of the field kicked the ball over the backfield fence, failing to score. This second time the cardinal player was a wee bit, and Crawford's beautiful kick into touch placed the oval well within striking distance of the Castaway goal. Scrambling forwards crumbled beneath the advance of Stanford as a wall of earth before a stream of water Horton grabbed the oval which he booted out with high accuracy and rapidity. A quick, accurate pass to Stan Mitchell and the one-time pride of Los Angeles high school plowed through a swirling crew of Castaways, hitting and going over the goal line, for the first try of the contest. Crawford failed to convert, giving Stanford a lead of three points.

Back stop the ball to Edwards, one of the speediest men in the aggregation, and for a moment it appeared as though the Castaways might score. With no one but Brown, the Cardinals full in the way, Edwards started at full speed for the Standard goal. But he was too near the side lines, and Brown was Johnny on the spot. The two players mingled for a moment in a cloud of dust, and then the ball again started for the Castaway goal under the protection of Crawford and Mow Mitchell. Pierce and Harrigan blocked the way, but only for a moment. Score, 9 to 0, when Crawford failed to convert.

The remaining few minutes of play were but a repetition of what had gone before. Well judged, accurate passes scored again and again for Stanford. The local scrum was a joke when locked with the 195-pound importation. They couldn't hold the ball; they couldn't even hold their ground. If they did not fall, they were shoved back yards at a time, and if they fell, Thorpe, Cheda, Pemberton and Minturn, accompanied by others, would race over them, carrying the ball down the field.

Poor at Converting
Stanford showed up poorly at converting tries, an important item when paired with an equal fifteen, only one try being converted during the first twenty-five minutes of play. The half ended with a 20 to 0 score in favor of Stanford.

During the first few minutes of the second half, by almost superhuman effort, the Castaways managed to stem the tide of defeat, but not for long. Weight, strength and accurate passing told on the lighter team, which was again swept down the field. Seven times did the northern boys carry the ball across the goal line and nearly as many times did they fail to convert.

Nearly every member of the northern squad tallied one or more tries. The nearest approach the Castaways made Stanford backs and dribbled the ball perilously close to the Cardinal goal. He was stopped by Brown in the nick of time, although the oval went over the goal line. It was immediately recovered by Stanford.

Despite the fact that the Castaways held Berkeley to an even score, yesterday's team was far from being the equal of the fifteen which faced California. Several of the players were

Shutt and Parker Play Star Game for Winners, Making Best Gains for the Victorious Team

Pomona, 9; Law School, 3

Pomona's speed was responsible for the defeat of the U. S. C. law school eleven yesterday at Fiesta park by the score of 9 to 3. At times, opening great gains for the force rushes of Selph, the Sagebrushers' line was immovable at critical moments. Forward passes were used extensively by the visitors, while the locals relied mainly on line bucking and end runs.

After playing the Pomona eleven the hardest game of their career, Parker made one of the most spectacular and remarkable runs ever witnessed at the Grand avenue coliseum. On a skin tackle play the speedy Pomona half straight-armed and dodged all but one of the barristers, carrying the ball safely over the coveted goal line.

Both Shutt and Parker played star games for the winners, making the majority of the longer gains for their eleven. Captain Fuller likewise put up a fine game, kicking and punting with accuracy. Shutt and Parker played their usual star games for the barristers. The lineups:

Right end, Jennings; right tackle, Kepner; left tackle, Arnold; right guard, Hentchke; left guard, Cass; center, Davis; halfback, Harrell; left halfback, Giff; right halfback, Yall; fullback, Foss; three-quarter, Selph; wing three-quarter, Cohn; wing three-quarter, Miller; fullback, Allan.

PRESELEY IS ENCOURAGED.
"Today's showing was very encouraging," said Coach Preseley in speaking of the game, "but I expect the battle of the season when we play Berkeley. It is too early to figure on a score, but it is safe to say that it will be far from one-sided."

Harrigan, Monk Pierce, Higgins and Edwards played a star game for the Castaways. Following are the lineups:

RIVERSIDE, Oct. 23.—Fast playing on the part of the Riverside team and the advantage of training under an English coach proved too much for the Rugby team from Los Angeles Polytechnic high school this afternoon. The game, which was called at 2 o'clock, was fast and furious throughout, as evidenced by the fact that Mead of Los Angeles broke his collarbone toward the end of the first half.

The score at the close of the first half was 11 to 6 in favor of Polytechnic, but the visitors never got a look-in after that. The game closed with a score of 18 to 11. The contest was refereed by Coach Davis of Riverside, who is a recent arrival from England and who was a member and star player on some of the English teams.

HARVARD ELEVEN DEFEATS BROWN

Forward Passes Successfully Carried Out Give Victory—Princeton Given Bitter Dose by Lafayette

Cambridge, Mass., Oct. 23.—In a raggedly played game this afternoon Harvard defeated Brown, 11 to 0, the home team scoring in each half and twice successfully defending its own goal when touchdowns by the visitors seemed almost inevitable.

Forward passes were carried off more successfully than in any other game on Soldiers' field this season. Harvard outkicked Brown and the Crimson line, when fully realizing its danger, stiffened better than in any other game so far.

Both scores came within a short time after the Harvard goal had been threatened. In the first half Frothingham in Harvard's back field, dropped a punt on Harvard's 35-yard line, from which Brown pushed the ball to the 2-yard line, where the ball was lost on downs.

After an exchange of punts Harvard secured the ball on Brown's 25-yard line and Minot by successive plunges carried it over for the first score. This action was repeated in the second half, but this time Brown managed to get within a foot of the Harvard chalk line before reluctantly relinquishing the ball on downs.

Minot carried the ball over for the second and last score for Harvard. The goal was missed.

E. Brown of Harvard snapped a tendon and will be out of the game for the rest of the year.

The teams lined up as follows:

Besides the fumbling Utah's tendency to offside play and holding in the line probably cost it at least one touchdown and possibly the game, as twice penalties were marked against it when the ball was within the very shadow of the miners' goal posts.

MICHIGAN GIVEN SCARE.
MILWAUKEE, Oct. 23.—Michigan had the narrowest escape of its career today when the Wolverine eleven defeated Marquette, 6 to 5, in one of the most brilliant games the Michigan eleven ever played.

With the exception of the first ten minutes of the game the two elevens were on exactly even terms. In the second half the play was almost entirely in Michigan's field.

CORNELL BEATS VERMONT.

SURPRISE FOR PRINCETON.
PRINCETON, N. Just as Captain McCaa kicked the goal time was called.

St. Vincents, 8; U. S. C., 6

In one of the hardest and closest games of the season the St. Vincent college defeated the University of Southern California yesterday afternoon on Bovard field by a score of 8 to 6. The game was a hard struggle from the first whistle, both teams being compelled to punt again and again, not being able to make the required gains.

In bucking the line and in all the close formation plays the Saints were decidedly superior to the Methodists, the latter excelling more in the open style of play. The Saints' punter, Neighbors, had the better of it in most of the punts, getting them higher in the air than the Methodists' punter, Decius, although the latter made some pretty kicks for his team.

U. S. C. suffered a little hard luck in the first of the first half by having Neighbors' fullback, get knocked out. After a fierce scrimmage early in this half, Hall, who had been in the thick of the play, suddenly threw up his hands, staggered to the side lines and tumbled to the ground. Manning was sent in to fill his place and finished the game for the Methodists.

Saints Kick Off.
The Saints kicked off to the Methodists. The latter failed to gain on their first down and lost the ball on a fumble. The Saints the ball on the Methodists' 25-yard line. They bucked it down for a few yards and were penalized for hurdling and were forced to punt. Decius tumbled the kick, but Decius recovered it.

The university team was again unable to make any headway against the Saints, and Paulen punting to the Saints, the latter was tackled almost in his tracks by Wirsching, who all through this half got down well under the punts and was generally sure on his tackles. From there on the Saints for downs, but lost the ball on their first down on a fumble. The ball was in the Saints' position on their opponents' 25-yard line. A forward pass failed to get anything, and Neighbors attempted a place kick, which was, however, blocked, although the Saints recovered the ball with a gain of about ten yards. Neighbors bucked up the field, finally sending Rader across for the first touchdown. Neighbors kicked the goal.

Hall Leaves Game.
Decius kicked off to Casey, who ran the ball in ten yards before being stopped. The latter tried to make any gain in the second half, but Neighbors kicked to Decius, who raced up the field for fifteen yards. On the next down this same player went through the Saints' line for five yards. The Saints held their opponents after this, and Paulen kicked to Tortez. The Saints could not make yards, so punted again. Ickes, who punting recovered the ball for Hill with a loss of some forty yards to the Methodists. At this point Fullback Hall had to be taken out of the game.

Decius punted back out of danger and Neighbors was forced to punt to Ickes. The Methodists could not gain on Ickes, but Ickes made thirty yards on a fake trick, which was one of the smoothest plays pulled off during the game. The penalty of three yards added a little to the distance gained for the university, but they were unable to gain further and had to kick. Tortez fumbled this punt. The Saints recovered, but were forced to kick at once. Paulen received the kick on the 35-yard line and ran it in for a touchdown through a scattered field, setting the Methodists' side of the bleachers wild with joy. Decius kicked the goal.

Tied in First Half.
The Saints kicked off to the Methodists, who, unable to make gains, kicked to Tortez. The latter tumbled the kick, and Hill recovered the ball for the Methodists with a gain of nearly fifty yards. The university was again forced to punt to Tortez, who was dropped in his tracks by Wirsching. Neighbors bucked the ball from the 30-yard line to the center of the field, where it was when the half ended. Score, 6 to 6.

Second Half.
Wallace was sent in to left half at the beginning of this half and Geller switched to right, retiring Wirsching. Decius kicked off to the Saints, but the ball was called back and the Methodists penalized fifteen yards for not reporting to the referee before kicking. The Saints successfully bucked for ten yards and were then held for downs. Paulen punts to E. Murrey, who fumbled it but recovered. A fake punt by the Saints failed to gain anything for them, and they punted to Ickes. Paulen returned the kick, which E. Murrey fumbled, and it was the Methodists' ball on the 40-yard line.

A forward pass to the right end failed to connect and the University was penalized 15 yards. Decius punted well up the field to within the ten yard line. Neighbors returned the punt and it was the University's ball on the 30-yard line. Paulen attempted a place kick but failed, the ball going into the scrimmage and the Saints recovering it. The Saints punted to

Ickes, who showed a little of his old-time form by running the ball in fifteen yards before he was stopped through a scattered field. Paulen kicked to Tortez and Neighbors returned it with honor a little in favor of the latter. In this half, Ickes showed up a little better than Tortez in running in punts. U. S. C. made the required gain on bucks through the line but were forced to punt almost at once.

Fake Kick Wins.
A fake kick by Neighbors gained 20 yards for the Saints and they kept right on down the field, making their gains each yard through the field. After thirty yards had been gained in this way the Methodists took a stand and held the Saints for downs. Ickes called a fake quarterback run and made thirty yards on it. Decius punted to Tortez who ran it in ten yards. Spaulding was sent in here to replace Crawford at guard for the Saints and Hogan took Captain Paulen's place for the Methodists.

Hogan punted to Tortez, who gained ten yards and on the next down Neighbors made ten more on a fake kick. They were held for downs here and Hogan punted the ball out of danger for the University. Martin was sent in here to replace Decius. The Saints rushed the ball down the field to the twenty-five yard line, where they were held and Neighbors kicked. The ball went high and the Saints' ends were down on Hogan before he could get the ball. He secured it, but was rushed across the line by the two heavier ends and scored a safety for the Saints. This won the game for the latter. The ball was kicked off again, but time was called before it had made much progress in either direction.

The lineup of the two teams was as follows:
ST. VINCENT. Right end, U. S. C. Tortez; right tackle, Wirsching; left tackle, F. WELSH RUGBY TEAM MAY VISIT SOUTH
Berkeley and Stanford Making Efforts to Induce the Crack English Fifteen to Play in California

In order that Southern California Rugby supporters may be given an accurate idea of what the game is as played in Merry England efforts are being made to induce the Welsh fifteen which leaves in the spring for a tour of Australia and New Zealand to include California del Sur on its return trip. D. Huddleston of Pasadena, whom there is no more ardent supporter of the game in the South, has written to Secretary Rees of the Welsh union regarding the matter and is confident of receiving a favorable reply. Stanford and Berkeley have taken the matter up also, and should the famous Welsh aggregation visit sunny California every effort will be made to give them the battle of their lives.

The Welsh team is considered by experts the world over as being one of the strongest teams in existence, and has rarely met defeat. The much-touted Australian Wallabies who invaded Southern California were downed in a one-sided game by the Welsh boys.

EASY FOR YALE.
NEW HAVEN, Oct. 23.—Yale defeated Colgate this afternoon, 36 to 0, making five touchdowns, five goals from touchdowns and two goals from the field. The field goals were both made by Coy in the first half. It was the first time since 1888 that a Yale man had kicked two goals from the other 52 yards.

Phibbin made two touchdowns after long runs, the first a 40-yard dash and field in the same game.
