LAST DOLLAR PAID FROM RELIEF FUND

HARPER'S EXTRAVAGANCE DEPLETES TREASURY

Injured Firemen Will Have to Depend on Their Own Association for Financial Assistance

Through the extravagance of the Harper fire commission the firemen's relief fund is depleted. The last dollar was drawn out of this fund yesterday in partial payment of the claim of Edward A. Johnson, fireman.

When Harper went into office there was about \$2500 in the relief fund. During his ill fated administration practically every claim presented was allowed, irrespective of its merit.

The relief fund was supported by voluntary contributions from grateful property owners, who expressed their appreciation of the work done by the fire fighters when their property was threatened by sending handsome checks.

Alexander's Price for Next Five Years but Little Increased Over the Former Contract Held by McClure

Mr. Alexander said yesterday that he was not ready to begin work at once, but he is delayed by the necessity of securing the cover of the board of public works has specified must be used in collecting the refuse.

"I will feed the garbage to hogs and not only observe the five-mile limit, but will take the garbage out about ten miles."

All the officials who have anything to do with the garbage matter are well pleased that it is disposed of, and at such an advantageous price.

The petition represents there are 180 pupils in the grammar school in that town and 80 pupils in the high school, and that these students are fourteen miles from library facilities.

The mayor referred the petition to the library department with the recommendation that it be granted as soon as possible.

The fire commission yesterday refused to consider the bid of F. O. Engstrom for building the hay barn in the rear of the fire engine house on Hill street, between First and Second streets.

The bid asked for \$3967 for the work and the board of public works declared this was a reasonable price, but because of this lack of competition the fire commission refused to consider the proposal.

The board of public works was directed to again advertise for bids.

Capt. T. M. Fernandez of Water tower No. 1 was ordered restored to duty by the fire commission yesterday, with loss of pay for the time he has been suspended.

He was suspended about two weeks ago for failing to appear before the fire commission and

ified electors to make it sufficient, but it is declared to have many more than the required number.

This ordinance is practically the same as that presented to the council by Guy Eddie, prosecuting attorney, except that it does not contain the provision that dice may be shaken for merchandise, which is a privilege placed in the ordinance exclusively for the benefit of the cigar stores.

The ordinance presented to the council by Mr. Eddie did not contain the dice-shaking clause, but the council insisted it be put in before it would pass the measure.

AWNINGS VIOLATE LAW SAYS ART COMMISSION

Attention of Board of Public Works Called to Canopies That Reach Too Far

The municipal art commission yesterday called the attention of the board of public works to several places in the business district where the ordinance regarding awnings is being violated.

The specific places pointed out by the commission are the Rathskeller cafe, the White House hotel, the Rainier cafe and the Brennan hotel. The objections to these awnings are that they stretch from the property line to the edge of the curb and obstruct the view.

They are also considered a menace in case of fire, these awnings are forbidden by ordinance, and the board of public works referred the matter to the chief of police with the request that he take action.

GARDENA PEOPLE WANT BRANCH PUBLIC LIBRARY

Send Petition to Mayor, Who Refers It to Board with Recommendation It Be Granted

A petition signed by the most prominent residents of Gardena was received by Mayor Alexander yesterday, asking that a branch library be established at that point in Los Angeles.

The petition represents there are 180 pupils in the grammar school in that town and 80 pupils in the high school, and that these students are fourteen miles from library facilities.

The mayor referred the petition to the library department with the recommendation that it be granted as soon as possible.

Puritas Tested by Time A Perfect Product

It's only newcomers who need advice as to Puritas Distilled Water. Old residents have for many years been users of Puritas—regarding it as a household necessity—a luxury that is economy in the best sense.

All natural water contains vegetable impurity. The natural water hereabouts is alkaline—containing mineral matter that constant use renders harmful—tending to rheumatism and kidney troubles.

Puritas by its two distillations is absolutely free from any impurity. It seems like natural water in its sparkling freshness, because it is aerated with pure ozone.
