

LAST ENCORE FOR GRIDIRON HEROES

FIELD DAY SCHEDULED FOR ALL SCHOOLS

Punting, Drop Kicking, Place Kicking and Running Contest Will Feature Afternoon's Program. December 18 Is Date

The Southern California Football association will hold a punting tournament at Fiesta park Saturday, December 18, this being the first of any kind of this kind ever has been attempted.

Already great interest has been shown in the undertaking, and it is hoped by those at the head of the association that the interest in the contest will continue.

Inasmuch as football is becoming more open every year it is played, this kind of a contest will be indispensable to bring out the individual playing of each member on the squad.

It is the intention of the association to have every school, college and athletic club of Southern California represented in the contest. Already many entries have been received and many others have signified their intention of entering in one or more of the events to be held.

In the punting, drop kick and place kick contests, Decius and Simons from U. S. C., Solph and Brown from the law school, Meyers of the Pastime Athletic club, Clapp from the Y. M. C. A., Neighbors and Torte of St. Vincent's and Caley, representing the Los Angeles Athletic club, have sent in their applications.

Many Entries Received

Wall of the law school, Decius of U. S. C., Geissler of Los Angeles high school and Bear and Iokes of U. S. C. have entered the punting contests. This is the contest where the ball is snapped back to a quarter, who passes it to the party playing the full, who takes the ball down the field. A cup will be awarded to the man who makes the best time in running down the field. All participants are to wear regulation football togs.

Looking over the past season in regard to the playing of those already entered in the tournament, a lively contest should be witnessed by those who pass through the gates of Fiesta park stadium next Saturday.

The yelling and cheering which has characterized all gridiron contests will be in evidence, as each contestant will have his enthusiastic supporters. The events and prizes of the tournament will be as follows:

The Events

The Barnum cup will be awarded to the one making the best average on ten punts.

Another cup will be awarded for the longest drop kick scored from the field. This event will be run as a regular field event, and going back five yards at each successful kick. Three tries will be allowed at each distance.

A cup will be awarded for the longest place kick scored. This event will be run off as a regular field event, in the same manner as the preceding, except that the team will consist of two men. The extra man is to hold the ball for the man who punts.

A cup will be awarded to the man who wins the race down the field in football clothes. This is to determine who is the fastest man on the football field in Southern California. The teams competing in this event will consist of three men, a snapper back, a quarter back and a man playing the position of full back on the football field.

At the starting shot the snapper back shall pass the ball to the quarter back, who shall pass it to the back who will make the run from one end of the field to the other. The runner will wear football pants, shoes and a jersey.

BASEBALL MAGNATES GATHER IN NEW YORK

NEW YORK, Dec. 11.—Major and minor league club owners and managers and players are trooping to New York to meet for the National and American league meetings next week. Late arrivals tonight were Barney Dreyfus, president of the Pittsburgh Nationals, and Fred Lake, now manager of the Boston club of the same organization.

Dreyfus said he would fight with Hermann and Dovey for the re-election of John A. Heydler to the National league presidency. He laughed at the statement of Charles W. Murphy of Chicago that John M. Ward would be chosen president of the National league on the first ballot.

Ward won't even be elected on the twenty-first ballot," he said. Dreyfus denied the rumor from Chicago that Fred Clark, manager of the Pittsburgh club, had decided to retire from the game.

"Clark is coming on to New York next week," said Dreyfus, "not to tell me that his ball playing days are over, but to decide where our team is to train next spring. We have an offer to go to California. Clark will be the Pittsburgh team manager next season and as many years thereafter as he cares to serve."

NEW YORK, Dec. 11.—The chances for the election of John M. Ward to the presidency of the National baseball league appeared brighter today, although John A. Heydler's friends were fighting hard to keep him in the position.

Ward is not only energetically backed by Charles W. Murphy, president of the Chicago club, but President Charles H. Ebbetts of the Brooklyn club declares that it is certain that five of the eight club presidents will vote for Ward on the first ballot, thus electing him.

It is said there will be a strong contention over the plan to change some of the rules governing the game. The American league is to meet here Wednesday and the two organizations will be in session at the same time.

"The election for president will be a hard proposition, and it looks to me now like a deadlock," was the way President Heydler of the National league today summed up his chances for election.

Intends to Protest Mr. Johnson also stated he intended to protest against the practice of allowing baseball players to go on "burn-storming" trips during the off season. His plan to stop this, which he will present at the American league meeting, is to sign all players to yearly contracts. In this way the club owners will control players' activities throughout the entire twelve months.

President Johnson reiterated his declaration that the American league would continue a 156-game schedule regardless of the action of the National league.

There is little talk about trades that will be made here next week. Club owners and managers are too interested in the political situation in the National league to discuss swapping players just now.

Ben Johnson, president of the American league, is due to reach New York tomorrow night. There will be a meeting of the national commission here next Monday. The report that Johnson would air the umpire bribing scandal created a great deal of interest here.
