Quick Relief of Itching Eczema

Was Surprising — Inflammation Reduced in a Few Hours and Cure Soon Followed — Boy's Torture Had Been Intense for Years — Friend's Child Had Eczema, Too.

MOTHER TELLS HOW CUTICURA CURED BOTH

"When my boy was 6 years old he suffered terribly with eczema. He could neither sit still nor lie quietly in bed, for the itching was dreadful. He would irritate spots by scratching with his nails and that only made them worse. A doctor treated him and we tried almost everything, but the eczema refused to spread. It started in a small place on the lower extremities and spread for two years until it very nearly covered the back part of his legs to the knees.

"Finally I got Cuticura Soap, Cuticura Ointment and Cuticura Pills and gave them according to directions. I used them in the morning and then evening, before I put my boy to bed. I used them again, and the improvement even in those few hours was surprising. The inflammation seemed to be so much lessened that I started using Cuticura Ointment, the same of the Pills and the Soap and my boy was cured. My son is now in his seventeenth year and he has never had a return of the eczema.

"I took care of a friend's child that had eczema on its face and limbs and I used the Cuticura Soap and Ointment. They acted on the child just as they did on my son and it has never returned. I would recommend the Cuticura Remedies to anyone." Mrs. A. J. Cochran, 1523 Columbia Ave., Philadelphia, Pa., Oct. 29, 1909.

Every piano in our present sample and display line must be sold—even at prices that will mean a positive loss to us in many cases. We cannot afford to move them to a warehouse and store them, and they can't remain where they are now, for the dust and dirt of alteration work would ruin them. And our present warehouse is crowded to the doors, with several more carloads of pianos due to arrive in the near future. So you see quick action—on our part—and on yours—is the point we're striving for.

Have you room for a piano in your home? Will you store one for us? If you ever hope to own a piano, this is your opportunity. Think of it—\$3 cash will place the piano in your home—the balance can be arranged in the very smallest kind of payments—\$1.25 to \$2.50 a week—according to the piano you prefer and the amount you may be willing to pay us between now and the last of January.

Remember—we're not going to haggle about the bargain—we're not going to tack on a lot of extras—there'll not be a cent extra for you to pay—\$3 cash is all that will be needed to place a piano in your home.
