In the only game of the Trolley league schedule yesterday the fast Santa Ana baseball team defeated the Redondo club on the beach diamond by the score of 4 to 0 in a twelve-inning contest. For eleven frames both teams worked like machines, with the pitchers, "Dutch" Hendricks and "Slim" Abbott, having each a ball and neither side able to cross the rubber until it looked as if the contest would continue indefinitely. Abbott weakened in the opening frame of the twelfth, fourth of the visitors, romping across the plate. In the half the home boys were unable to retaliate. O'Malley, the new Redondo infielder, found Hendricks for four singles out of five trips to the plate, which was easily the batting feature of the day. Third Sacker Venable figured as the star fielder, getting ten assists and a putout at the difficult corner, while Duvesee put up a splendid game for the visitors. President McCormack and Manager Croll and Abrams were among the fans who witnessed the contest from the grand stand. The score:

The Chico baseball team handed the Boynton-Beavers a package yesterday labeled 6 to 1. From the tabulated score the Beavers must have lost out badly with the distributor of baseball luck, as the hit column shows that they connected safely eight times and were only able to score once, while their opponents scored six times, both clubs making the equal number of errors. BOWLING

The play in the Electric Bowling league last week was very close and interesting. The Western Electric still leads the percentage column, with the Southern California still holding down second place. The Woodliff-Hulse bunch moved up a peg, taking third place from Newberry-Bowers. Run and Myers improved their averages. Myers bowled the high game of the league to date, 268. Argobust hit the toboogan and dropped back to last place of the honorable mention class. The team standing and individual averages as compiled by Alf E. Mackenzie are as follows:

DYAS-CLINE LOSE IN BIG SWATFEST, 17 TO 14

National Lumber Co. Bats Simons
for 16 Hits: Shonley's Bend-
ers Straightened Out

In one of the greatest swatfests ever witnessed at Mace park the Dyas-Cline aggregation met defeat at the hands of the National Lumber company team yesterday by a score of 17 to 14. The victors made 21 hits, two of which were good for fourteen bases, while the defeated players managed to hit Shonley for sixteen, one of which was also a homer.

Ely, the one-armed second baseman, was responsible for the Dyas-Cline four sack, clouting the horsehide over the left field fence. It was a hit and run play, with the teams neck and neck until the last two innings, when the victors forged ahead. Three double plays interested the grand stand, which was of fair size, while the large number of hits made something doing on the bases all the time.

Win Game by Score
of 21 to 4

The reorganized Teddy Bear baseball team gave an exhibition of slugging and baserunning when they mixed with the Ontario team on the Ontario diamond yesterday afternoon. When the last out had been made in the long-winded contest the score stood 21 to 4 in favor of the Bears. From the brand of playing put up by the Bears in this contest it looks very much as if Manager "Save's" cracks will surpass the remarkable record made last season, when they won twenty-three games out of twenty-eight played. The Bears, who have been holding all the hard-hitting clubs that tried conclusions with his team to four from ten hits, was entirely at the mercy of the clouting Bears. Captain Dossenger made himself so disagreeable that two of his umpires quit their job of dispensing justice and one of the extra Teddy Bears was called from the bench to replace the one who had quit. According to reports of members of the Bear aggregation, Captain Dossenger is as hard as hard to get along with as Sam Langford in the ring. The score:

BIMINI BATHS WIN

NEWS OF THE DIAMOND

Managers of the Southern California Trolley league graced the grand stand at Redondo yesterday and watched the beach boys go over the twelve-inning route with the visiting Santa Ana club, and when the goose eggs strung along it is needless to say that a smile of satisfaction was written on the features of each. These leaders in the baseball world of Southern California were McCormick, Croll, who is titled secretary of the league, and Abrams, and also a club manager, and Abrams and Judge Wells, making in all a four-of-a-kind hard to beat. As the battle strung along Wells and Croll who were the managers of the contesting clubs, commenced shifting uneasily—it is hard for a true amateur baseball fan to restrain his enthusiasm at an exhibition of the national game, and especially so when he is the leading spirit of one of the contesting factions. This is the way it was—Croll who would not let the world say a word that would hurt the feelings of Judge Wells, and the same applied to the judge, so President McCormick, who was sitting between the two, got the full effect of their restrained emotions. "Great," roared the judge as he poked McCormick in the ribs hard enough to have done credit to Jimmie de Jeff's punch power. "Fine," said a word big lubber, "shrieked Eddie on the other side, and as the Santa Ana players arrived safely at the cushion, amid a cloud of dust, down went Croll's broad palm on Jimmy's thigh, making the president's winces as he edged toward the judge. But he soon forsook the sheltering form of the bar of justice, as the runner was put out in his attempt to steal, and the barrier, with a snort and glare of utter contempt at Eddie, drives his thumb deep into the softest and tenderest portion of the president's rib section. Said Jimmy, "I'm not a Lyons, Man 584, after 6 o'clock."

Manager Vally of the Pecos Plating works baseball team wants a game for next Sunday, Anaheim or Uplands preferred. Telephone 53209.

Little Second Baseman Evans of the Directory club is reported to be playing excellent ball, batting and fielding in big league style, and has the reputation of one who plays a game to the finish. There is no such word as "quit" in Evans' vocabulary.

The Boynton-Beavers would like to hear from some city team in regard to arranging a game for next Sunday. Ring up A. Lyons, Main 584, after 6 o'clock.

Don Smith Proves Worth on Slab,

The Hughes Manufacturing company baseball team defeated the Goldsmiths yesterday afternoon by the score of 7 to 0. Don Smith in the box for the winners was invincible, allowing only one scratch hit and only one runner to reach the third station. He also struck out seven of his opponents, while Brown of the sporting goods nine, named six and was touched up for nine safeties. McElroy of the Manufacturers was the heavy clouter of the day, making a triple and two singles in four trips to the plate. Ray, Sawyer and Eryan did the best fielding. The score:

LOS ANGELES PIPPINS DEFEAT WESTMINSTERS

Miller Holds Losers at His Mercy
Throughout Game—Winners
Errorless

The Los Angeles Pippins got into their stride again yesterday and took the Westminsters down the line to the tune of 6 to 2 at Washington park. Hackett's running catch of a hard line drive to right center in the fifth was the fielding feature of the contest, while a homer by Johnson was the stunt with the willow. Captain Mueller also figured in some heavy stick work for the winners. Pitcher Miller, according to reports of those who witnessed the contest, is a wonder and is considered by many as the crack of the local amateur heavers. The score:

Lomasany, the last little fielder of the Wieland club, is putting up a great game in both the field and at the bat. In the last five games he has made seven hits and has fielded at 100 per cent, which is going some for a youngster of only seventeen. Lomasany hopes to enter fast company in another year.
