JEFF GIVES COON PANDA WORKOUT

Pummels Bob Armstrong Fiercely in Their Daily Boxing Bout as Tryout

BIG FELLOW SHOWS SPEED

Jack Off This Week to Help His Giant Brother During the Training Period

(Associated Press) BEN LOMOND, May 2.—Jeffries started the week at his training camp with a rush, accomplishing a full day's work before noon. He went at the various lines of indoor stunts in a more businesslike manner, showing snap and life in every move. This was especially noticeable in four rounds of boxing with Bob Armstrong. Jeffries had the negro on the run most of the time, and gave him quite a pummeling with right-arm jerks to the neck in the third round.

More boxing was announced for the afternoon session, Jeffries declaring he would go a few rounds with Joe Choyinski and Bill Pape. When the time came to put on the gloves, however, Jeffries had changed his mind. The boxing was left to Choyinski and Pape, while Jeffries went for a boat ride. Jeffries said he wanted to do more, but considering the amount of work he had gone through earlier in the day he was afraid he would overtax his blood and set himself back.

"I felt full of ginger this morning," said Jeffries. "I think I could have gone on for another hour or two without tiring. I wired a friend of mine in New York this morning that I felt any better I would not know what to do with myself. It was all I could do to keep out of the gymnasium this afternoon, but I will be better off tomorrow for it."

Jeffries received a telegram today from his brother Jack in which the latter said that he would join the camp the first of next week. In reply Jeffries told him to come as soon as possible. Jack always has helped Jim train for his championship battles, and the champion likes to have his brother around.

Sam Berger, manager of James J. Jeffries, and George Little, representing Jack Johnson, will meet tomorrow afternoon in the office of Tex Rickard and Jack Gleason, promoters of the heavyweight championship fight on July 4, and confer upon the selection of a referee for the contest. If it is impossible to agree upon a choice tomorrow, the managers will meet again on Wednesday, which is the last day given them to name the referee. Sporting men here think the place will be given to Eddie Smith of Oakland, or to Jack Welch or Eddie Graney of San Francisco.

JOHNSON BALKS AT TALK OF HARD WORK

Big Dingie Thinks Lack of Acclimation Good Excuse for His Lazy Habits

SAN FRANCISCO, May 2.—Following his sojourn in Chicago during the cold spell of winter, Johnson, the champion, is spending his time becoming acclimated, and spurns anything that suggests active training. Johnson has given notice that he will not appear in his working togs before the end of the week. Johnson arose early this morning, and after breakfast took a stroll along the beach, returning to camp in time for lunch. When the meal had been finished he sped away in his automobile to the downtown district. All afternoon he was a conspicuous figure on the streets, and wherever he stopped in his machine crowds gathered.

'FRISCO TO AN OAKLAND IN WAR AGAINST FIGHT

SAN FRANCISCO, May 2.—At the end of a lengthy discussion to bring certain of the San Francisco church federation today decided to lend its support to the Oakland church federation in the campaign that is to be made against the Jeffries-Johnson fight. It was announced that as soon as the matter was in proper shape it would be laid before Attorney General Webb and Governor Gillett, with an appeal that official action be taken to prevent the encounter. The Presbyterian Ministers' union appointed a committee to draft a communication to Governor Gillett protesting against the Jeffries-Johnson fight.

Four supervisors voted against the application of the Shasta club today for the May permit for a fight in this city and expressed themselves as against amateur contests. All permits applied for were granted by the board, however, the majority of twelve voting in their favor.

STANFORD ATHLETE SETS NEW POLE VAULT RECORD

SAN FRANCISCO, May 2.—It was announced here yesterday that Edward S. Scott, captain of the Stanford university track team, broke the world's pole vault record in the track meet held under the auspices of the Big C society of the University of California on the Berkeley oval yesterday. According to the official figures, Scott cleared the bar at 12 feet 10 3/4 inches, breaking the former record of 12 feet 9 1/2 inches held by W. E. Dray of Yale by 1 1/4 inches.

MOORE TAKES BUT LITTLE STOCK IN WALSH GO

MANAGER McCAREY places little credence in the report sent out from New York that Pat Moore and Jimmy Walsh have been matched to fight twelve rounds in Boston on May 17, as Moore has accepted transportation to him last week to come to Los Angeles and fight Frankie Conley on about the same day for the bantam championship. However, the report stirred Uncle Tom up so much that he set the wires on fire last night to find out if the eastern boy was running out on engagement and then come direct to Los Angeles for a late May date with Conley. This sort of an arrangement hardly will be approved by McCarey and this will be communicated to Moore in the telegrams in a manner that will leave no doubt in his mind that he must come to Los Angeles at once or lose the opportunity for doing some good business on the coast. Moore was due to leave New York today for Los Angeles.

Some idea of the class of Moore may be obtained in the news that he gave Walsh a ten-round beating in Boston, the home town of Walsh, a fine drawing card in Beantown. Moore, in fact, is better entitled to claim a disputing attitude with Conley for the title than is Johnny Coulon, as Moore has whipped all the bantam contenders down east, including Walsh, the former champion, and Coulon never has whipped anybody who generally is regarded as a bantam near-champion. Coulon has steadfastly refused to fight Moore.

Conley received a telegraphic offer yesterday from Bakersfield of \$1500 to fight a Bakersfield boy May 20, at the old course, and Joe Conley, his manager, wired his acceptance yesterday of the offer. If the match is made the little champion will have two weeks in which to train for the scrap and get into good condition, as he has a superstition that these "local" dubs are not half as easy to trim as the boys who merely want to pick up pork-and-bacon money. Conley has no knowledge that they have no chance of ambition to win the championship. Bat Nelson and Jeffries have run into these "dubs" before.

SELECT REFEREE OF BIG FIGHT TOMORROW Dispatches from the north are to the effect that the referee of the big fight will be selected tomorrow, but the disquieting news comes to the effect that Jack Johnson is insisting in his minority way that Jack Welch shall be chosen. Johnson is trying to use the prerogative of a champion, which he is not, and there is where the wrangle will come. Notwithstanding the fact that Johnson said to me last week when he was here that he had no objection to Charley Eytan serving as third man in the ring, his actions and speech before and since indicate that he is opposed to the local man.

All the other fellows may be all right—nobody is knocking them—but the fans in this part of the country, who expect to furnish the bulk of the money that is bet on Jeff to whip the coon, want to see a man chosen as referee in whom they have absolute confidence and above all others that man is Charley Eytan. If there is a man in the world who can break all Southern California. The knowledge that neither Jack Welch nor Eddie Smith nor Eddie Graney can be more fair and impartial than Eytan makes local sports hope that the Los Angeles man will be chosen to referee the big battle. Eytan, in his modesty, will not help his friends in boosting him, neither friend nor foe in this fight, despite the fact that he lives in the same town with Jeff. All we want down this way is a square deal, because everybody down this way will be betting on Jeff to kill the dingie long before the limit unless the big boy turns the trick there will be many runs on local bank rolls, so the choice of referee, from a Southern California standpoint, amounts to merely a formality. Jeff's punch should decide the fight without the aid of a third man in the ring.

LIGHTWEIGHTS START HARD WORK The lightweights, Lew Powell and George Mensic, who will furnish the next local attraction in their twenty-five-round scrap at Vernon the afternoon of May 14, have started training already with nearly two weeks which to whip themselves into shape, they should go into the ring that day in condition fit to settle beyond all question the argument as to their individual supremacy. Powell has gone to Venice to train and Mensic will do his work at Jack Deyle's place at Vernon.

The two verdicts that the 'Prisco boy has obtained over him, he probably will go into the ring a favorite because of the elongated torso. Setting the schedule at twenty-five rounds means that one of them will win a decisive victory, and that is what they want. No lightweights ever have been so problem into a question of which one of them will be better able to stand the gauntlet at the long distance. Both are clever and each has a trifling punch to worry an opponent, so the odds of their being able to decide and furnish Uncle Tom with the opponent for Ad Wolgast in June.

NATIONAL LEAGUE

PRESIDENT SEES GAME PITTSBURGH, May 2.—President Taft, Secretary Knox and Count von Bernstorff, the German ambassador, were guests of the Pittsburgh club at Forbes field today at a game in which the world champions defeated Chicago 5 to 2.

The umpire's guests kept their eyes always on the ball and hardly passed a remark during the game. That they were quick to see the game was the fact that they were first to applaud a brilliant play. Wagner, who is said to be the president's favorite, made a brilliant showing, scoring two runs and hitting a two-bagger and a double play.

Before the game the president wrote his best wishes and signature on two baseballs and presented them to Wagner and Clarke of the Pittsburgh club. Score: Pittsburgh 5, hits 6, errors 0. Chicago 2, hits 10, errors 1.

BIG FARCE AT CINCINNATI CINCINNATI, May 2.—At the conclusion of the game, in which Cincinnati defeated New York today, 9 to 2, two protests were filed with President Lynch of the National League. The first came from Manager Bresnahan, who protested the game, alleging that umpire McGinnis was incompetent and his decisions were unfair and made the game a farce.

Directly following the game a protest from President August Herriman of the Cincinnati team against Bresnahan's actions in making the game the ridiculous exhibition it was. Bresnahan had scored five runs in the first inning. Bresnahan switched his team around to unaccustomed positions. The score: Cincinnati 9, hits 13, errors 4. New York 2, hits 3, errors 3.

MATHEWSON IN FINE FORM BROOKLYN, May 2.—Mathewson got a near-no-hit game today, winning in the eighth inning spilling an otherwise clean pitched record. Devlin made a one-handed stop of the ball, but threw too high while on his bounce and hit was scored. New York won, 6 to 0. Score: New York 6, hits 8, errors 4. Brooklyn 0, hits 1, errors 2.

BAD BALL AT BOSTON BOSTON, May 2.—Each team used their pitchers in the exciting game which Philadelphia won from Boston today, 9 to 8. Boston tied the score in the first inning when Moran stole home. In the second Collins hit a home run with the bases full. Score: Boston 8, hits 16, errors 2. Philadelphia 9, hits 12, errors 1.

CARPET MILL STRIKE ENDS BOSTON, May 2.—The strike in the mills of the Roxbury Carpet company, which has been on two months and has thrown 700 operatives out of work, ended today when the strikers returned to work at the same terms as the company offered before the strike was called.

Entry List Larger This Year Than Ever Before for Trek Up Mt. Wilson and Back

COURSE SEVEN MILES LONG Many Prizes Offered Attract Best Class of Long Distance Runners in State

Interest in A. A. U. circles is directed toward the annual Mount Wilson climb to be held tomorrow under the sanction of the Sierra Madre board of trade and the local branch of the A. A. U. Entries are being received daily, and present indications point to a much greater array of the mountain marathons this year than ever before. Last year's record will undoubtedly be equaled and probably beaten.

The course extends over seven miles of mountain trail, winding around through the wilds of Mt. Wilson, rising one mile in the seven. Charles J. Fox was the original promoter of the plan and was the first to see the great possibilities of the project. Upon his recommendation the American Athletic Union took up the proposition and, with the co-operation of the Sierra Madre board of trade, set it down among the affairs of Southern California athletic history as a yearly event.

The winner of the race will be awarded the Charles J. Fox diamond medal, which will become the property of the contestant who succeeds in winning it three times in succession. Besides the custody of this medal, the time setter for 1910 will receive a gold watch, the prize of the Sierra Madre board of trade. Second man will receive a silver medal, value \$15, and third will receive a medal valued at \$10.

The officials of the climb will be: Starter, Chester Lawrence; timers, Charles J. Fox, J. A. Patterson, J. A. Mitchell, D. W. H. Bullinger and Ross, J. P. Mampton; judges, J. M. Beard, W. F.
