Representatives of Pasadena, South Pasadena and Alhambra to Decide Wednesday

anti-cigarette grammar school meet, to a match on the track and field, the meet to be held next Saturday, if the Lincoln school accepts. The elementary team was crippled in the recent meet through the faculty having withdrawn from the meet.

STUDENTS TO VOTE
PASADENA, May 23.—The annual election of the officers for the Throop student body will be held today in rallies, the first voting period being from 8:30 to 8:55 o'clock, the second from 12 to 12:25 o'clock and the third from 4:05 to 4:20 o'clock.

LONG BEACH
LONG BEACH, May 22.—The members of the city council favor a change in the system of tracks on the municipal docks at the harbor. It is proposed to take out the two tracks which have been built down the center of the city's peninsula and to build, instead, tracks along each side of the piece and close to the bulkhead lines.

COMPETES PORTRAIT OF DAUGHTER; HIT BY AUTO

Well Known Eastern Artist Run Down at Orange and Lummis Streets

Shortly after the last stroke of his brush on a painting of the face of his dead daughter, a work on which he had devoted the evening of his life, George N. Jessett, 52-year-old, living at 1010 Ingraham street and well known in art circles in the east, was struck by an automobile at Orange and Lummis streets and received numerous injuries from which it is thought he will die. The automobile was driven by R. J. Coke, a retired capitalist, living at 1055 Orange street, Jessett, who had been ineffective in his head, walked directly into the path of the machine, which was coming at a rapid clip down Lummis street.

REDLANDS NEWS ITEMS
REDLANDS, May 22.—What might have been a much more serious accident occurred yesterday when an automobile driven by F. Montigel collided with a bicycle ridden by Eugene Crunch on Orange street. The boy delivers meat for the California Meat market, and was just starting out on his route with a bag full of parcels when he was struck on the right side of the street, bore down on him as he was riding with head down. When the collision came the young man was thrown to the ground, his head striking the pavement, but he was not injured, only a few minor bruises. Not a package of the meat was broken open as it lay scattered over the street. Neither auto nor wheel was damaged in the crash.

LEAGUE ELECTS OFFICERS
LONG BEACH, May 22.—The Long Beach league for the Prevention of Tuberculosis has elected new officers for the ensuing year, as follows: President, Dr. F. L. Rogers, treasurer, Dr. R. W. Scheurer. The league will co-operate with the State Anti-Tuberculosis league and the philanthropic and civic sections of the Red Cross club of this city in a second charity stamp sale at holiday time. Committees have been chosen to plan for this work and to start a membership campaign.

LONG BEACH NOTES
LONG BEACH, May 22.—The big suction dredger in the harbor is busy pumping dredgings from the turning basin into the land owned by the Salt Lake railroad north of the Edison power plant site. The old slough which formerly was used in boating between this city and Wilmington is being filled in.

WEALTHY RANCHER AGGRESSIVE
RIVERSIDE, May 22.—D. S. Hayward, a wealthy rancher of Moreno, was placed under arrest yesterday for assault and battery, and was sentenced to pay a fine of \$100. Hayward had an altercation with an employee of his ranch in the Evans block, and sought to get satisfaction by drawing a pistol on the man, who was directed blow between the eyes. The victim, Robert Stahl, swore to a complaint and Hayward's arrest followed.

SUES FOR COMMISSION
RIVERSIDE, May 22.—Suit has been commenced in the superior court, by J. M. Sloan, jr., for \$500 alleged to be due as commission in a real estate transaction. The defendants are A. B. North and C. E. Smith, who are owners of property near Arlington. Sloan alleges they engaged him last September to effect a transfer for Long Beach property, contracting to pay the sum named in the complaint.

AFTER RIGHT OF WAY
POMONA, May 22.—The new officers of the Pomona board of trade are taking up the matter of securing the necessary funds to purchase the right of way in the Pomona city limits for the Pomona-Clearmont electric line of the Pacific Electric company and are confident of soon successfully providing the money needed and long awaited electric road.

WIELANDS SHOWER RUNS IN BEATING SALT LAKES
The Wielands clouted out a single mill with the Salt Lakes yesterday, defeating the railroaders by the score of 19 to 6. The sessions of the Brewers looked like a six-day race, every man on the team traveling the length of the rail line. Five two-bangers and four three-bangers gave the fans a chance to crack their throats. The score:

POMONA BUSINESS MEN RAISE FUND FOR COLLEGE
POMONA, May 22.—The campaign for raising funds for Pomona college to apply for the \$200,000 fund for the attainment of which before commencement strenuous effort is being made, is on in earnest here. Headquarters of the campaign have been opened at Wright Bros. & Rice's store, at Second street and Garey avenue, from which place an abundance of literature is being sent broadcast over the city, explaining the needs of Pomona college. Much interest is being taken in the movement here, where it is felt that Pomona college is one of the best advertising mediums this city has. Business men interested in the campaign here comprise Messrs. Abbott, Davis, Bichowsky, Dole, Frey, Pruddenall, Gilbert, Graham, Midway, McKim, Pitzer, Poston, Russell, Stone, Tate Walker, Wilson and Wright.

RETURNED LOST \$1200 AND REFUSES HALF AS REWARD
SAN BERNARDINO, May 22.—After it had been trodden over by thousands of merry-makers in the contest ankle deep in the streets, Howard Sutton, a day laborer, during the closing hours of the Centennial celebration last night picked up a wallet containing \$1200 in paper money. Sutton, by means of cards and letters in the wallet, identified it as belonging to H. L. Bounce, an Idaho cattle man. Sutton returned the wallet and the money to its owner. Bounce offered half of the \$1200 to Sutton for his honesty in returning it, but the finder declined to take a reward of any amount. His honesty angered the Idaho man, who told Sutton "I thought every person living was naturally dishonest and only wanted the opportunity to show that he was not." There is no reward. There is at least one genuinely honest man in the world.

ABSENCE OF UPHOLSTERER PUZZLING TO MERCHANTS
SAN BERNARDINO, May 22.—The merchant, an upholsterer who, it is reported, has been missing since Tuesday, is puzzling local merchants. Brasor two months ago opened up an upholstering establishment on Court street. It is said that a considerable portion of the money to finance the scheme was furnished by George Auble, the son of the ill-fated police officer, Walter Auble, killed some months ago in Los Angeles by a highwayman. Saturday the wholesalers took charge of the place and removed a considerable portion of the stock, which it appears belongs to them. Brasor was apparently doing a prosperous business.

TWO WOMEN ACCUSED
RIVERSIDE, May 22.—Two Peris women are in trouble as the result of charges filed against them for keeping a place where liquor is sold contrary to county ordinance. Friday evening Violet Robinson pleaded guilty to the charge and was sentenced to pay a fine of \$200 and pass thirty days in the county jail. Mrs. Minnie Muller pleaded not guilty when arraigned on the same charge yesterday morning, and her case was set for trial Monday morning. The liquor was discovered yesterday afternoon by Sheriff Wilson on the premises occupied by the women.

REDLANDS, May 22.—What might have been a much more serious accident occurred yesterday when an automobile driven by F. Montigel collided with a bicycle ridden by Eugene Crunch on Orange street. The boy delivers meat for the California Meat market, and was just starting out on his route with a bag full of parcels when he was struck on the right side of the street, bore down on him as he was riding with head down. When the collision came the young man was thrown to the ground, his head striking the pavement, but he was not injured, only a few minor bruises. Not a package of the meat was broken open as it lay scattered over the street. Neither auto nor wheel was damaged in the crash.

LEAGUE ELECTS OFFICERS
LONG BEACH, May 22.—The Long Beach league for the Prevention of Tuberculosis has elected new officers for the ensuing year, as follows: President, Dr. F. L. Rogers, treasurer, Dr. R. W. Scheurer. The league will co-operate with the State Anti-Tuberculosis league and the philanthropic and civic sections of the Red Cross club of this city in a second charity stamp sale at holiday time. Committees have been chosen to plan for this work and to start a membership campaign.

LONG BEACH NOTES
LONG BEACH, May 22.—The big suction dredger in the harbor is busy pumping dredgings from the turning basin into the land owned by the Salt Lake railroad north of the Edison power plant site. The old slough which formerly was used in boating between this city and Wilmington is being filled in.

WEALTHY RANCHER AGGRESSIVE
RIVERSIDE, May 22.—D. S. Hayward, a wealthy rancher of Moreno, was placed under arrest yesterday for assault and battery, and was sentenced to pay a fine of \$100. Hayward had an altercation with an employee of his ranch in the Evans block, and sought to get satisfaction by drawing a pistol on the man, who was directed blow between the eyes. The victim, Robert Stahl, swore to a complaint and Hayward's arrest followed.

SUES FOR COMMISSION
RIVERSIDE, May 22.—Suit has been commenced in the superior court, by J. M. Sloan, jr., for \$500 alleged to be due as commission in a real estate transaction. The defendants are A. B. North and C. E. Smith, who are owners of property near Arlington. Sloan alleges they engaged him last September to effect a transfer for Long Beach property, contracting to pay the sum named in the complaint.
