

SPECIAL VOTE OFFER FOR THIS EVENING

Just Today to Get 500 Extra Votes for Every Club Dollar

OPPORTUNITIES OFFERED ALL Only a Few Clubs Necessary to Secure the Lead for Any of the Prizes

Promptly at 10 o'clock this evening the offer of 500 extra votes on every dollar in club amounts will end, and after that hour clubs will have greatly reduced values.

Page four shows the vote standing of all candidates in The Herald's \$25,000 voting contest, and shows also that all leading totals are extremely small.

Each total which leads for a prize is shown with the corresponding number of clubs. In every instance just a very few clubs will suffice to give a brand new candidate a high lead.

The very highest total in the whole contest represents less than nine clubs, yet leads for a \$500 home, something the average individual spends years of effort for and here offered for a few days' energy.

All votes cast on new subscriptions and classified before 10 o'clock this evening will receive the benefit of the offer of 500 extra votes on every club dollar. So it is important that you turn in all the classified advertising books you possibly can today. It means more votes per dollar than you can ever secure again in this contest.

There are the prizes which are going to be awarded among leading candidates at the close of the contest:

FOUR CAPITAL PRIZES Bungalow, \$5300, 1832 West Forty-ninth street.

FALLS ASLEEP ON TRACKS AND IS STRUCK BY TRAIN

Laborer's Body Found at Alameda and Forty-Ninth Streets

The body of Ed G. Moore, a laborer, who lived at Forty-sixth and Alameda streets, was found at Forty-ninth and Alameda streets yesterday morning.

Indications are that he fell asleep near the Southern Pacific track and was struck by a train some time Thursday night. He was at the residence of H. D. Densmore, 2638 Vermont street, early in the evening. He had been drinking.

It is the opinion of Officers H. H. Cline and R. E. Henis of the University station, who were sent to get the body, that Moore was on his way home when he became drowsy and lay down. Moore was 25 years of age. The body is at Bresce Brothers' morgue. An inquest will be held today.

TO GIVE PASSION PLAY BY STEREOPTICON VIEWS

A realistic reproduction of the world's greatest religious drama will be given in an illustrated lecture by Dr. E. Harvey Haddock of Boston Monday and Tuesday evenings at the Y. M. C. A.

He witnessed the last performance of this wonderful play at Oberammergau. The present season opened May 11 and will continue until September 25. More than 200,000 persons visited Oberammergau to witness this play during its last enactment in 1906. The play is given only once in a decade.

The lecture will be illustrated by more than 100 superb stereopticon views of this charming Bavarian village, interesting inhabitants and wonderful Passion Play. The lecture will begin at 8:15 and will be free to the public, with a silver offering. Children must be accompanied by adults.

CONGREGATIONALISTS WILL OCCUPY BUNGALOW CHAPEL

Tomorrow the congregation of Pilgrim Congregational church will enter its new chapel at Forty-sixth street and Normandie avenues for the first time. The pastor will preach at 11 o'clock a. m., his subject being "Christ and Him Crucified." Communion service and a reception will follow. The Bible school class will meet at 9:30 o'clock a. m., instead of 10 o'clock.

At the evening service, which will be in the nature of a special rally, there will be an address by the pastor on "The Place of the Church in the Community." Special music will be provided.

The chapel cost \$2000. It will be dedicated the latter part of the month. It is a frame edifice, 34 by 75 feet, with the interior finished in bungalow style. A year ago the site of the chapel was a cow pasture.

Ocean Park Chamber of Commerce Indorses Miss Webster's Candidacy

MISS HAZEL WEBSTER OF OCEAN PARK, IN WHOSE HONOR A GIANTIC CONTEST BENEFIT IS TO BE GIVEN IN THE FINE BIER PAVILION VERY SHORTLY

(Special Correspondent of The Herald).

OCEAN PARK, June 3.—The maiden speech of A. R. Fraser as president of the chamber of commerce here had to do largely with the candidacy of Miss Hazel Webster of this city in The Herald's \$25,000 voting contest. Mr. Fraser was elected president of the chamber of commerce at last evening's session amid enthusiasm, the choice being a recognition of unflinching loyalty and boosting. After he had expressed his appreciation of the honor shown him Mr. Fraser called attention to the fact that Miss Hazel Webster, one of Ocean Park's best known and best liked young women, is a candidate in The Herald's contest.

"She is representing Ocean Park and neighboring cities," said Mr. Fraser. "And never yet has Ocean Park been represented in anything that it did not lead and come out at the top. Now we as the chamber of commerce, standing for the citizens of this city, should give Miss Webster's candidacy formal recognition and further her cause, and right here and right now we are going to start the ball rolling." This is a matter which impresses me as being of the greatest importance, and right here and right now we are going to start the ball rolling. The result was that the chamber of commerce indorsed Miss Webster's candidacy unanimously, and each member is a committee of one to interest his friends, fellow business men, fraternal and social associates and all others with the welfare of Ocean Park at heart. A gigantic entertainment, standing the plan adopted to reach the desired end, and true to his usual enterprise.

HEWITT'S SALARY IN NEW POSITION WILL BE \$6000

City Officials Conclude Details of Position of Adviser for Various Boards

At a conference of city officials yesterday the plan to make City Attorney Hewitt legal adviser to the harbor boards and public utility commission came to a head. The conference agreed that the position should be created with a salary of \$6000 a year, and it will be offered to Mr. Hewitt. Mr. Hewitt will then resign his position as city attorney and the council will have to appoint his successor.

The conference was held in the office of Mayor Alexander and was attended by Stoddard Jess, president of the harbor commission, and A. P. Fleming, secretary of the same body; Meyer Lissner, president of the board of public utilities; W. M. Humphreys of the board of public works; the mayor and all the members of the council except Councilman Williams.

The ordinance creating the position of legal adviser to these various boards will be presented to the council at its meeting Tuesday, and will be unanimously passed. It will provide that Mr. Hewitt advise the harbor commission, the harbor advisory committee of the board of public works and the board of public utilities on all matters coming before them of a legal nature. Mr. Hewitt's salary will be paid from the harbor bond fund.

The creation of such a position has been expected for some time. In fact, Mr. Hewitt only consented to run for city attorney at the last general election with the understanding that something of the sort would be done. He has been in close touch with all harbor matters that have been handled so far, for he has taken care of them personally and has not turned them over to the attention of any of his deputies.

The position Mr. Hewitt will hold with regard to harbor matters is exactly the same as the position held by W. B. Mathews in regard to aqueduct matters. Mathews was city attorney when he was appointed legal adviser of the aqueduct, and Mr. Hewitt was his chief deputy. When Mr. Mathews stepped out of the office of city attorney Mr. Hewitt stepped in, and now that Mr. Hewitt is to step out, who will take his place?

The council appoints a city attorney to fill the vacancy that will result when Mr. Hewitt resigns, and the

TAXATION SUIT INVOLVES VETERAN'S RIGHT TO VOTE

Los Angeles-Pacific Sues to Recover Taxes Levied on the Road in Soldiers' Home

In an action by the Los Angeles-Pacific company against the county of Los Angeles for a refund of taxes, submitted to Judge James of the superior court yesterday, questions as to the rights of the inmates of the National Soldiers' Home to vote to participate in elections are involved.

The railroad is seeking the return of \$207.75 paid in 1906, \$190.85 in 1907 and \$279.25 in 1908 as taxes on three-quarters of a mile of its road within the limits of the grounds of the Soldiers' home. The contention is that the United States has exclusive jurisdiction and control of the territory set aside for the home, and for that reason Los Angeles county cannot levy taxes within the reservation.

Hartley Shaw of the district attorney's office, who defended the county in the action, declared that if the contention is successfully held that the United States has exclusive jurisdiction over the reservation, it would mean that no resident of the territory could participate in city and county elections.

HUSBAND GONE 11 YEARS. SHE ASKS FOR FREEDOM

Son Testifies Against Father in Divorce Case

Declaring that her husband had deserted her eleven years ago in Los Angeles and that she had neither heard from nor seen him since that time, Mrs. Carrie J. Raacke asked Judge Monroe yesterday to grant her a divorce from Otto A. Raacke on the ground of desertion.

She said her husband had been addicted to liquor and had caused numerous disagreements between them. On July 2, 1899, she said, he had packed a suit of overalls into a bundle and without so much as a "goodbye" had gone to the coast and left no trace of any description.

Arthur Raacke, son of the plaintiff, aged 20 years, who could but dimly remember his father's looks, looked to the defendant's drinking habits.

"I think you certainly should be given a divorce," said the son in an interlarded decree.

Helen Golden was granted an interlarded decree of divorce from John Martin Golden by Judge Monroe on the ground of non-support and habitual intoxication.

Gertrude Mason was granted an interlarded decree of divorce from Donald Mason on the ground of desertion and non-support, a judgment being entered against him for the plaintiff's attorney's fees.

SUIT BROUGHT TO COMPEL OWNER TO SELL HIS LAND

R. J. Widner filed suit against L. G. Krukow in the superior court yesterday for \$10,000 damages for breach of contract, and asks the court to enforce the carrying out of an alleged agreement for the sale of four and a half acres of the east ten acres of the MacLay Ranch Ex-Mission De San Fernando.

The plaintiff alleges that Krukow made an agreement with him May 17 by which he was to find six plots for the four and a half acres at \$158 an acre. On June 1 he found a purchaser—himself—and declares that Krukow failed to come through with the sale. He now asks for the amount agreed by the court and that damages for breach of contract be awarded him.

CIGAR STAND PROPRIETOR OBJECTS TO COMPETITION

Jacob Rawak, who runs the cigar and news stand in the entrance of the Hotel Hayward, filed an injunction suit against the H. C. Fryman Hotel company and H. C. Fryman, proprietors of the hotel, in the superior court yesterday to prevent the defendants from leasing a cigar and news stand in the Hayward Annex, which is to be erected adjoining the present structure.

The plaintiff alleges that he took out a ten-year lease in 1906 and that he is another stand is allowable damage to his business. He asks the court for an injunction preventing the hotel company from leasing any other cigar and news stand during the tenure of his own lease.

WIFE ACCUSES HUSBAND OF DESERTION; SUES HIM

Carrie Smith filed an action in the superior court yesterday against her husband, C. Smith, for separate maintenance, alleging that her husband deserted her May 8, 1909, and went to Mexico to take a position giving him a salary of \$15 a month.

The plaintiff declares that since he left her he has sent her only \$7.50 for her support and that she is frequently ill and unable to earn her living. She asks for a weekly allowance and the title to lot 12 in block C of the Ascot park tract, valued at \$750, which is owned jointly by them.

ONE BANK SUES ANOTHER FOR \$400 PAID ON CHECK

First National of Pasadena a Defendant in Court

An action was filed in the superior court yesterday by the Burbank State bank against the First National bank of Pasadena for \$400 on a check which was cashed with no funds in the bank.

The plaintiff alleges that early in April J. H. Clews, Jr., came to the Burbank bank and wanted to cash a check for \$400, alleging that he had \$2500 on deposit in the Pasadena bank.

The Burbank bankers wired the defendant bank for an O. K., giving a description of Clews. The plaintiff claims that the defendant identified Clews from the description and declared he had a balance to cover the amount of the check.

The Burbank institution then cashed the check, but on sending it to the Pasadena bank was informed that Pasadena had no money in the institution.

In the meantime Clews left without leaving any clews, and now the plaintiff asks the court for judgment against the defendant for the amount, alleging false information.
