THE SUITS AT \$14.95

SILK DRESSES AT \$14.95

Silk coats at \$14.95! Think of it! And when you take into consideration the fact that up until Saturday night they were on our racks reasonably low priced at \$25 to \$35 your wonder will increase. There are natural Shantung coats, cloth of gold coats, and some of Motora silk. Tailored styles and trimmed models. All of them 52 inches long—just the thing for summer wear, motoring, etc. Handsome black taffeta silks at \$14.95.

Handsome cloth suits at this really ridiculously low price. Not an undesirable, en passe style, for it is all recently purchased goods of dependable quality and cut, but goods we absolutely must close out in order to make room for the heavy Fall stocks, some of which have already arrived. Tailored and trimmed models, of mannish worsteds, fine serges and diagonal materials. Wanted shades of tan and gray; also navy blue and black. All sizes, \$14.95.

Smart styles, every one of them—and for only \$14.95. Hard to believe—but you see the dresses Monday morning! They're worth a lot more, of course—tafetetas, twilled silk foulards, messalines and pongees always are—but the prices have been cut and they are going out in a hurry! All colorings—some very new—and natural and colors in the pongees. Skirts plaited and tunic. All sizes, and especially, yours!
