She has resided in the government posts adjacent to and within the Indian reservations much of the past year, and has her knowledge of the habits, beliefs and ideals of the primitive American in wide. She delivered her lecture in the costume of a native woman and her address was further varied by the singing of many Indian melodies and chants under the direction of Mrs. William Lodge-Brett. BURGLAR DETECTED BY GIRL LEAPS OUT WINDOW

Escapes in Darkness After Looting Dressing Room in Gamut Club

Detected in the act of robbing the dressing room at the Gamut club, 1044 South Hope street, an unidentified thief about 25 years old leaped out a window when Miss Catherine Campbell of 323 South Figueroa street entered the room, and made his escape in the darkness with \$29 in change and several articles of clothing. Members of the club gathered at the place last night for an entertainment, and while those in the play were on the stage the thief entered the dressing room and rifled the pockets of the trousers hanging in the room. As the thief was about to leave with his loot Miss Campbell entered and asked him what he was doing there. The intruder answered lightly and made his way toward an open window. Just as the young woman turned to call for help the crook leaped out of the window and ran. He was pursued for a short distance, but eluded his followers. Those who reported their losses to the police are Louis Campbell, 65 West Sixty-third street, \$5.10 taken; Edward Williams, 232 Raymond avenue, pair of trousers stolen; W. L. Mills, 288 North Fremont avenue, \$4.50 missing; Julian Blatdel, 43 South Broadway, \$3 stolen, and Herman Grant, 113 South Burlington, is short \$3.20 and a blue serge suit. Miss Campbell described the burglar as being 25 years old, weighs about about 140 pounds and is 5 feet 10 inches in height. The man was smooth shaven and of dark complexion. Detectives Jones and Boyd were detailed to investigate the matter.

CHARNOCK WILL CASE PUZZLING ATTORNEYS

Question of Adopted Niece Being Entitled to Share in Estate Is Argued

Whether Laura E. Charnock, adopted niece of the late John J. Charnock, is legally entitled to \$44,000, which is one-fifth of the estate, as a direct heir, or to nothing is a new question of law which is puzzling attorneys. It was raised before Judge Rives yesterday. The attorneys for both sides agreed there is not a case in point in existence. They say the rights of an adopted niece as against blood heirs never have been defined. John Charnock stated in his will that he wanted his property "divided according to law." The question is, what is the law with regard to adopted relatives? The answer is not dependent on the law of California alone but on that of Iowa, where the adoption in this case took place. Charnock died a bachelor, leaving four brothers and sisters and, the adopted daughter of another deceased brother, living. The petitioner presented but little testimony yesterday, merely such as tended to show that Charnock thought a great deal of Laura Charnock, that he frequently gave her money and had furnished her a home to live in for over fourteen years.

If the court rules against Charnock on the point of law raised, holding the brothers and sisters to be the only direct heirs, another showing will be made. Following the will proper comes a short notice, also signed by Charnock, requesting that S. R. Smead be appointed guardian of his "niece, Laura E. Charnock." This will be used if necessary as the basis for a fight to show that Charnock intended by his will that Laura Charnock be provided for. The remainder of the argument will be presented in briefs. The decision in the case probably will not be reached for nearly two months.

INTOXICATED WIFE PLIES DEAD MAN WITH LIQUOR

Woman, Failing to Realize Husband's Condition, Continues to Give Him Whisky

Believing that her husband was following sleep and ignorant of the fact that he was dead, Mrs. May Blackman, 35 years old, drank whisky while lying in bed by the side of the dead man, Frank Blackman, 40 years old, the police say, and poured many glasses of liquor down his throat. Patrolman Robbins entered the room shortly after 6 o'clock last night and found the woman asleep with her arms around the neck of the dead man. Alcoholism or heart disease is thought to have caused his death.

Blackman passed five years in the insane asylum at Patton and was released from that institution about two years ago. He had been employed as a waiter. His wife is a waitress. The couple lived together at the West Second street rooming house and both are said to have used intoxicating liquors to a great extent. Fifty empty quart bottles which had contained whisky were found in the room. Yesterday both remained away from their places of employment and passed their time drinking. In the afternoon Blackman donned a pair of trousers and went into the bathroom. While in there he fainted and fell on the floor, where he remained for a short time before he was discovered by the Japanese employed at the place. The Japanese took the unconscious man to his room and placed him in bed with Mrs. Blackman.

The woman continued to drink, say the police, and not knowing that her husband was dead poured liquor down his throat each time she took a drink. The Japanese finally reported the matter to the landlady and the latter thinking something was wrong, notified the police. Patrolman Robbins responded and found the woman in bed with the dead man. She became hysterical when told that her husband was dead. After the body was removed to a local undertaking establishment the woman was taken to the receiving hospital, where she was examined by the police surgeons.

The unfortunate woman wept bitterly in telling her story of the affair, and at times burst on the verge of a collapse. After being given medicine she was allowed to go to the home of friends. The coroner is investigating the matter and will order an autopsy held to determine the cause of death.

SWEETHEART CRIES AS OFFICERS ARREST MAN

Prisoner Claims Relationship to Wealthy Virginia Family

Accused of tendering an alleged worthless draft in payment for an auto ride which he gave his sweetheart, Arthur Wendell Andrews, 30 years old, who says he is a scion of a wealthy family of Virginia, was arrested by Detective Haviger at the West Second street rooming house and locked up in the city jail.

Andrews, who is well educated and dressed in the height of fashion, is alleged to have hired an automobile from the Van Nuys Taxicab company and, with his sweetheart and several friends, passed a pleasant evening riding about the city. When the ride finished he tendered a draft for \$10 drawn on the First National bank of Pasadena. The paper is said to have been returned to Mrs. Walker, proprietor of the taxicab company, with the words "no funds" stamped across the back of it.

The sweetheart of Andrews appeared at the detective bureau shortly after the accused was taken into custody and wept bitterly when she learned of the charge against him.
