Splendidly planned new home of 11 rooms and attic on a large, east-front lot, one and one-half blocks from Wilshire boulevard, on well improved street. The exterior is most attractive and pleasing and we are confident that the interior arrangement will prove a scheme of decorating has been carefully preserved throughout. All walls being hung with carefully selected imported tapestries. \$12,500

Located at the highest point on Bonnie Brae, near Seventh, we have this beautiful 10-room home on a lot elevated ten feet above the street, with granite retaining wall. This home was built about two years ago at an expense of \$15,000, and is in perfect order, having been occupied but a short time. The finish throughout is superb. On the lower floor we have a large reception room in ivory and gold with exquisite cut glass fixtures and beautiful wall coverings. The hall, living and dining rooms are in mission oak, with a finish like a plan and paneled in eight-coat white enamel, with screen porch, laundry, etc.; ideal in arrangement. All the sleeping rooms are very sunny and airy and most commodious, with plenty of closet room. A number of the imported rugs and hangings which were made especially for this home, all practically new, are included in the price. The lot is worth \$10,000 today, and the house another \$10,000, but for a short time we can offer the property at the ridiculous figure of \$12,500. In five years the lot will be very valuable for income property; in the meantime you have one of the most beautiful homes in the Westlake district, and only five minutes from the heart of the city.

**EAST FRONT, EAST FRONT.**  
This is the home we have been waiting for since last January to show you. After years of experience we have succeeded in incorporating in this home every feature which goes toward making it absolutely perfect. Located on an east front lot, 75x150 feet, on Ardmore drive, near Wilshire boulevard. The castle throughout is superb; the library is in red mahogany, the living room in Peruvian mahogany, the dining room in quarter-sawn oak and the bath room in very light and attractive in the old Dutch finish. An inspection of the lower floor will convince you that it is ideally planned and flawlessly finished. The balance of the lower floor is occupied by the kitchen, dining room, sleeping porch and two of the most elegant bathrooms in Los Angeles. The plumbing is a special feature; the bath tub being built in and fully tiled on the sides. We could talk for a week about this house but would prefer to show it to you. The price of \$18,000 will allow just a fair profit and we can assure you that the house is perfect and complete down to the last detail.
