

YOU'VE TRIED OTHERS== TRY HERALD WANT PAGES

What Is a Purity Squad?

FROM the evidence submitted in the Dixon trial it would appear that the outfit was so named because it was in need of a hot bath, fumigation and disinfectant. This was one case where THERE WAS NOTHING IN A NAME. Just let Uncle George alone and he'll clean things up about right. Some people say WE ARE BECOMING TOO GOOD. Are we? Well, if it has hurt anybody up to date the injury is not in evidence.

Bank clearings continue to increase, building activity is at the high water mark, labor is being fully employed and prospects were never brighter. Why? Simply because Los Angeles is now on a sound business basis. All this being true (and it is), isn't it about time for you to get busy and advertise YOUR property in the newspaper that goes to the homes of people who can and do buy real estate?

There is a difference in the quality of a newspaper's circulation as well as the number of houses supplied. The Herald actually goes to the homes of the people of Los Angeles and near vicinity, does not boast of its bulldog circulation, but does boast of the hearty support and co-operation of the people who believe in Mayor Alexander's policies concerning a clean business government. If this is of any value to you, advertise in The Herald.

Have You \$20?

If you have, we want you to join our next excursion, which will leave Los Angeles Monday evening, July 11, to select a 20 or 40-acre tract in our new Fruit and Alfalfa Colony, northeast of Delano, which we have placed on the market at a price and terms unheard of.

Our soil is the finest red loam in the state, with an abundance of water at only 35 feet. This land, when properly farmed, will raise from 20 to 30 bushels of grain per acre, and when irrigated will produce from 8 to 10 tons of alfalfa a year, and we are offering same at a price of from \$40 to \$60 per acre on terms of \$1.00 an acre cash and \$1.00 an acre per month.

As over half of our subdivision has been sold already, we urge you to come in at once and secure your ticket for Monday night, as no tickets will be sold after Monday noon. The trip requires but one day, as we travel at night. The fare is only \$5 for the round trip, and this is refunded if you buy.
