

FANS WILL TURN TO VERNON ARENA

Boxing Prohibited Local Followers May Be Continued in Suburban Fight Shed

NO OPPOSITION TO PASTIME

Trustees of Little City Believe in Sport—McCarey Praised for Record

Good night to the Naud Junction fight shed. The old arena, where so many classic battles have been fought in the past few years, will soon be turned into an iron foundry or something of the kind, and in a year or two the fans will begin to forget it ever existed. This was the thought that occurred when City Attorney Hewitt, acting under instructions from the council, drafts an ordinance prohibiting sparring bouts in Los Angeles, and passes it before the sponsors to be put on the list of "don'ts" provided for daily use.

This action of the municipal authorities will serve to make business better for the street railway corporations, for so long as he complies with the state law regarding boxing bouts, the Vernon trustees are not averse to dropping their objections to the license fee charged for each show. Promoter McCarrey can go right along and dish up high-class fistie entertainment for the thousands of fans who enjoy walking to and from Naud Junction to uptown centers, but the roads are rather long out Vernon way, and a corresponding increase in the hunting-ton bankroll will be in order.

When McCarrey acquired the old Jeffries Athletic club property in Vernon a few months ago, it is probable he did not realize what a very wise move he was making. The local promoter's only idea at that time was to find a spot where he could pull off a real championship contest of the 25 and 45 round variety. The arena is now the center of boxing in the south, for it is here that all bouts in the future must be staged.

BOWLING

On the Brunswick alleys last night in the Electric League the Westinghouse took four games from the Pacific States. The high game was Hoag's high average.

LEACH WILL SAIL NEW SANTA BARBARA YACHT

Crack Skipper Promises to Be Home for Regatta Off Channel City

[Special to The Herald] SANTA BARBARA, July 19.—Don Leach, Santa Barbara boat-builder and skipper, will return after a long absence in Manzanillo, Mexico, to sail the new thirty-eight-foot sloop now building for the Santa Barbara Yacht club in the big race meet of Southern California yachtsmen to be held here August 15 to 20.

This news was received today by Vice Commodore John B. Edwards in a letter from Leach, to whom Edwards had telegraphed asking him to come and act as skipper for the new racer. Leach is one of the cleverest yachtsmen on the Pacific coast, and before this city had a sloop to enter in the races his services were in demand by the owners of visiting yachts. With Leach at the helm the new boat will stand a doubly good chance of passing the stakeboat ahead of her older but more famous competitors of the South Coast club.

Owners of the new yacht that is to carry the city's colors are against a hard proposition of choosing a name for her. If she were owned by only one yachtsman the problem would be easy and the boat would bear the given name of some particularly charming young woman. But the syndicate can play no favors and so they have asked Mrs. Clinton B. Hale to choose a name. The sloop is to be launched at San Pedro in a few days and will be sailed from there to Santa Barbara. She will have a crew of three men, including the skipper.

The Santa Barbara yacht will be entered in class Q, which takes in all the boats having a length on the water line of twenty-five feet or under. Her length will be between twenty-four and twenty-five feet on the water line and thirty-eight feet over all. She will be equipped with a mainsail, jib, balloon jib and spinnaker.

In the same class are the Venus, Wasp and Mischief, whose race proved to be the most exciting of all in the regatta here two years ago. The Wasp will be sailed this year by Skipper Fritz Whitney, generally acknowledged to be the best sailor of the South Coast club.

A. Lester Best, chairman of the regatta committee of the South Coast club, will arrive from Los Angeles this evening to talk over the plans for the regatta with the committee of the Santa Barbara club, who will meet him at the train.

J. D. Lewis, of the local regatta committee reported the bright outlook for the August meet in the channel. He stated that the local club's yacht now building at a cost of \$2500 would be ready by August 1. The regatta opens August 15. The railroad has allowed a rate of one and one-third fare for the round trip for Southern California points and also reduced rates from the north, covering both the regatta and the golf tournament, which opens earlier.

DOES THE GAY WHITE WAY A LA DIRIGIBLE

Goodale, Boy Aeronaut, Sails Over Broadway's Glare

NEW YORK, July 19.—Frank Goodale, the young aeronaut who flies over from New Jersey every now and then, journeyed to New York in his dirigible balloon tonight and sailed successfully down Broadway to Forty-second street, where he circled the Times building three times.

He was plainly visible above the city in the glare of the electric lights, and the theater crowds cheered him as he passed.

Amateur Notes

The San Fernando team is anxious to arrange a game for Sunday, July 24, with some fast local aggregation, the game to be scheduled for the Fernando grounds. Expenses will be allowed for ten men. Call F. J. Pico, manager of the nine, Home phone 374, San Fernando.

Jones, twirler for the Pioneer Rolls, has been making a great record in that department with forty-two strikeouts to his credit in the last three games. That is considered a star record even against an amateur batting list.

There is a new league shortly to be organized in Los Angeles. The organization is to include the negro teams. A new smoke nine has been formed, to be known as the M. & J. team, and its members are the leaders in the new movement.

George Reeve, famous local amateur ball player and one of the leading boosters of the game in Los Angeles, has returned to the local haunts and will be seen in uniform again soon. He is still in the scribbling business, but at heart he clings to the amateur ball tossers and their pleasure is first.

Orange is after the scalps of the all-star Southern State league organization and promises to administer a trouncing such as the leaguers have never known before. The game will be played at Orange next Saturday.

Games are wanted by the Verdugo Park team for Saturday and Sunday. Hilliard is meeting with great success in his new undertaking and the sycamore tree diamond is bringing the crowd.

At a meeting of the captains and managers of the Playground baseball teams held at the city recreation center the following schedule was adopted: The seven teams are to be divided into two divisions, one playing five games and the other playing four, finals being played to settle the championship.

July 20—Slauson-San Pedro at Slauson, Thirtieth-Berendo at Thirtieth, Echo-Castelar at Echo, Violet-Fourteenth at Violet, Recreation-Utah at Violet.

July 27—Slauson-Berendo at Slauson, San Pedro-Thirtieth at Thirtieth, Echo-Recreation at Echo, Violet-Fourteenth at Echo, Violet-Castelar at Violet.

August 3—Slauson-Thirtieth at Slauson, Thirtieth-Berendo at Thirtieth, Echo-Utah at Echo, Violet-Fourteenth at Echo, Violet-Castelar at Violet.

The San Joaquin Valley league schedule has been arranged as follows: July 23-24—Bakersfield at Visalia, Tulare at Coalinga.

July 30-31—Coalinga at Visalia, Bakersfield at Tulare.

August 6-7—Tulare at Bakersfield, Visalia at Coalinga.

August 13-14—Coalinga at Bakersfield, Tulare at Visalia.

August 20-21—Bakersfield at Coalinga, Visalia at Tulare.

August 27-28—Bakersfield at Visalia, Coalinga at Tulare.

GOLF AND TENNIS STAR

Attractions at Beach

Tourneys Arranged for the Near Future Promise Plenty of Sport for Followers

Tennis and golf have been leading features of the Virginia during the last two weeks, as the golf season is just opening and the tennis courts are full of aspirants for court honors, who are putting in some steady practice for the August tournaments. The Virginia Country club links have been put into splendid shape for the summer season and a golf tournament will be scheduled during the latter part of the summer.

The tennis tournament is attracting the major portion of the local tennis world to that portion of the beach, and a number of the cracks have made the hotel their station in readiness for the opening of the August tournament. Some of the best players will be absent from the coming event, but there will be enough to give the affair a tennis tang and the fans some exhibitions of a high class. Ward Dawson, second only to Tom Bundy among the crack players of the south, has been practicing daily for the big event, and Win Mace, the present champion, has made the beach town his summer home to keep the court warm with some strenuous chasing after the rubber.

Nat Browne is playing the game of his life this season and will give Day and Mace a hard run for the 1910 tournament. Browne is the hoodoo of the younger players and possesses an assortment of strokes that work havoc with the youngster's defense. That the race will be between these two players is acknowledged by all, but the champion of 1910 will have to obtain a victory over Win Mace, the last year's champion, if Mace is to be crowned.

In the women's event, if May Sutton decides to go into the tourney there will be little trouble in doping out the rest, but there will be a number of good matches among the other contestants, and the entry list promises an army of new talent that none of the other season's events can boast. The Virginia tourney will be the last of the big tennis events in Southern California and will be a real one from start to finish. With an entry list the largest of them all and with ideal conditions there is no trouble about a successful result, and the fans are slated for the tennis time of their lives.

EMPIRE CITY RESULTS

EMPIRE CITY, N. Y., July 19.—A very ordinary card was run off here today. The feature, the Venus stakes, resulted in an easy victory for the odds on choice Horia. Results:

Second race, mile and twenty yards—Schoon, second; Wawa, second; Adrich, third. Time, 1:43 1/5.

Third race, six furlongs—Melland, won; Chappette, second; Gay Fisher, third. Time, 1:17 4/5.

Fourth race, five and a half furlongs—Horizon, won; Five Aces, second; Quincy Belle, third.

Fifth race, mile and twenty yards—Wilton Lackay, won; Greenridge, second; Falcatia, third. Time, 1:42 2/5.

Sixth race, mile and a sixteenth—Harvey F. American, won; Marcotte, second; Star Archer, third. Time, 1:47 2/5.

WATER POLO TEAM HAS GOOD RECORD

Y. M. C. A. Aggregation, Champions of Southern California, Is Made Up of Stars

THINK WELL OF NEW COACH

Trainer Davison Has Developed Remarkable Swimmers Who Hold Many Records

The Young Men's Christian association water polo team has just finished a great season's work and the association is congratulating itself on the possession of such an able aggregation of representatives. Not only has the bunch proved a star combination in team work, but individually the men have established records that many of the eastern crews cannot boast in and three have set world's marks in the aquatic game.

To Trainer Davison the men credit their success, and his untiring efforts in building up a team have given the game a boost in Southern California the like of which it has never known. Davison comes from the Boston Young Men's Christian association, where he was engaged in a similar capacity and where he met with the same success as among the local camps. His pleasing personality has made the swimming pool of the local association an attractive spot for the younger swimmers who are just beginning to paddle their way into deep water, and the other summer has had him in a body.

Marcus Lee, the forward of the water polo team, established the world's interscholastic record in the furlong swim at Venice some weeks ago and also holds the Southern California marks in that event, the quarter mile and half mile. Lee is a natural swimmer and uses the same form of stroke that the world champion Daniels employs. He is at home in any style of the fish game and can perform the gamut of the list of "stunts" on the water program.

Tom Howlett, the other forward of the polo squad, holds the interscholastic record for the quarter mile swim, and is second only to Lee in the swimming game. Harrell Harrell, guard of the Y. M. C. A. champions, holds the half mile interscholastic record and is one of the best amateur divers in the west. These three have done wonders in the swimming game among the Southern California aquatic experts and will be sure winners in the Pacific coast championships to be held in September.

DEL MONTE SPORT CARD WILL OPEN NEXT MONTH

Golf Tournament Will Be Followed by Series of Tennis Events

The official announcement of the del Monte month of sports at Hotel Del Monte has just been issued. This year's games will open the week of August 19 with the Del Monte golf tournament.

The tenth annual competition for the men's amateur championship of the Pacific Coast Golf association will be held from August 27 through September 1. The men's open championship of the Pacific coast will be played off on August 28.

The Pacific Coast Golf association is composed of the golf clubs of Los Angeles, Redlands, Riverside, San Diego, Santa Barbara, San Francisco, Oakland, Sacramento, Portland, Tacoma, Seattle, Spokane, Victoria and Vancouver. Each of these clubs will send a team to compete for the honors. The men's open championship for the Pacific coast is open to all players and the winner will hold the championship cup until the next year.

The week of the tennis tournament with the Pacific coast championships at stake will be the holiday week with the Labor Day and Admission day celebrations, and will attract a large crowd of tennis enthusiasts.

In addition to the regular events for the month a number of special class events have been provided, enabling everyone to have a fair chance for the prizes.

The prizes, cups and trophies of the Del Monte during the month's sports are always worth trying for, and this year the number has been greatly increased. A reduced railroad fare will be made as usual from all points in the state.

FOREST FIRES WIPE OUT TOWN AND CAUSE DEATH

Refugees Flee from Devastation in Path of British Columbia Flames

SPOKANE, July 19.—A dispatch to the Chronicle from Nelson, B. C., says the smoldering bush fires which Saturday were believed to be under control have revived and are causing death and enormous damage to property.

Kelso is the center of the most serious loss. The town of Whitewater has been swept clean as a floor. Not a vestige of a habitation remains. Refugees are fleeing to Kelso, where many who were overcome have been cared for. All the women and children from Sandon were brought down to New Denver Monday afternoon as a precautionary measure. The Rambler-Cariboo buildings are a total loss.

Fire wardens report that the Canadian Pacific railroad timber mills at Sandon, on the east side of Kootenai lake, are burning. Help is asked for everywhere, and all able-bodied men are pressed into the fire fighting service.

MEN ADMIT THEY ARE S. P. ROBBERS

Two Suspects Confess to Holdup of Train at Benicia in April

ESCAPED TO LOS ANGELES

Prisoner Tells Officers of Flight by Boat and Stolen Team

[Associated Press] FAIRFIELD, Cal., July 19.—Admitting that he was one of the two men who held up and robbed the China and Japan fast mail near Benicia on the night of April 17 last, Joseph C. Brown, who with Carl Dunbar was arrested Saturday night by the constable Michael Junge, made a full confession of the affair tonight to Sheriff J. J. McDonald of this county.

District Attorney Joseph M. Raines took the statements down in writing, and Detective Howard of the Southern Pacific was present at the time. According to Sheriff McDonald, Brown stated that he and Dunbar secured only \$16 from the registered mail pouches, and afterward drove all the way to Los Angeles in a horse and buggy stolen the following morning from near Martinez.

ROBBED STORE

According to Brown's statement, he and Dunbar robbed the Riverside hardware store in Riverside a short time before the train robbery.

"There they secured the revolvers which led to their identification as the men who held up the China and Japan fast mail.

From Los Angeles where Brown said they planned the robbery, the two men came to Martinez and remained there two weeks before April 17, spending their time in familiarizing themselves with the country.

After robbing the mail car Brown said that they crossed Carquinez straits in a boat and went through the mail sacks, afterward throwing them overboard.

ALLEGED TRAIN ROBBER HAS CRIMINAL RECORD

NEW HAVEN, Conn., July 19.—Carl Dunbar Bishop, who was arrested in Sacramento last night, charged with horse stealing and identified as having been one of the men who robbed the Oriental mail at Goodyear last April, lived here until last September with his parents. He then went west. His father, James A. Bishop, is a blacksmith.

In 1900 Bishop was arrested for theft, but the case was dropped. In 1904 he was charged for assault with intent to kill and was sentenced to two years in state prison. He served his term.

The police have no record on Charles Dunbar, who was arrested with Bishop. He is not known at the home of any of the Dunbars in this city.

IMPORTED MARE BEATEN ON GRAND RAPIDS TRACK

Dora Fails to Live Up to Expectations in 2:22 Trot and Finishes Third

GRAND RAPIDS, Mich., July 19.—The Grand Rapids harness racing meet started here today with perfect weather, a fast track, exciting contests and a large crowd. The absence of Driver Ed Geers, who was thrown from his sulky while working Orienta this morning, was the only dampening influence.

The 2:22 trot was announced as the first international harness race in America, owing to the presence of Dora, a Hungarian bred mare owned in London. Dora was a strong contender in three heats, but fell back in the deciding heat.

Dora, a three-year-old, was owned by Mrs. E. A. Ambler, second; Doctor M. W. Best, third. Time, 2:05 1/4.

2:09 trot, won by Nancy Royce, second; Tassel, second; Ruby Clay, third. Best time, 2:09 1/4.

2:14 pace, Ira M. Smith, stake, purse, \$2000.—The Limit, won; Bronson-Nagana, second; Direct Hal Jr., third. Best time, 2:08 1/4.

2:22 trot, purse, \$1000.—Captain George, won; Fair Maiden, second; Dora, third. Best time, 2:11 1/4.

JOHNSON, PINCHED FOR SPEEDING, IS INDIGNANT

NEW YORK, July 19.—Jack Johnson, the heavyweight champion pugilist, was arrested today charged with recklessly driving his big automobile. Johnson characterized his arrest as an outrage and said he had been informed on good authority that police officials over the city had made the declaration they were out to "get him." He gave \$1000 bail for his appearance in court tomorrow.
