DROGGED TO DEATH IN 'THIRD DEGREE'

Negro, Gazing into Eyes of Slain Child, Swears He Is Innocent of Crime

JAIL SURROUNDED BY A MOB Prisoner Arraigned in Cell by the Asbury Park Authorities, Who Fear Lynching

(Associated Press) ASBURY PARK, N. J., Nov. 14.—Thomas Williams, the negro whose arrest followed the discovery of little Marie Smith's mutilated body in the woods yesterday, was not removed from his cell for court proceedings today, so fearful were the police of mob violence. A crowd surrounded the jail all day, and had not dispersed late tonight.

To carry out the requirements of the law, the negro was informally arraigned as he stood in his cell, and held without bail for further examination. The child's mother is still in a serious condition from grief and shock. In an attempt to wring a confession from the prisoner, the child's body was brought into the jail corridor this evening. The negro was led forth and halted beside it. "I swear to God I did not harm the girl. I saw nothing to do with it," he said firmly.

"Get down and look into her eyes and say that," was commanded. Williams leaned forward until he was gazing straight into the dead eyes. His gaze did not waver and he exclaimed: "God is my witness that I did not kill this girl. I did not touch her. I did not harm her. I do not know who did."

Again and again he repeated this while his hand lay on the body. Then he added: "I thank God I can say I did not do it. I am sorry for her and sorry for her family, but I had nothing to do with this."

MINISTER ACQUITTED FOR WEARING SAILOR'S UNIFORM

Court Sustains Preacher Who Disguised to Get Evidence

SEATTLE, Nov. 14.—The Rev. F. S. A. Jensen, formerly well known as a boxer and football player of the University of Chicago and now leader of the fight against "blind pigs" in the navy yard town of Charleston, has been acquitted of the charge of having worn unlawfully the uniform of a United States sailor.

Charleston is by law but not in fact "dry." Pastor Jensen, in the uniform of a United States marine sergeant, had taken to Klamath Falls, seven miles north, and then hauled back to this city by wagon.

For a long time this city has been without a reservoir and facilities, although what will be the main line of the Southern Pacific from Portland to San Francisco when completed, passes through. Freight consigned to Midway depot in this city and provide an agent who shall sell tickets and handle shipments.

MIDLAND, Ore., Nov. 14.—News of a victory, the most important ever won in this city, has just reached here in the form of a copy of the decision of the Oregon railroad commission, which has decided the Southern Pacific railroad must build a passenger and freight depot at Klamath Falls, seven miles north, and then hauled back to this city by wagon.

SUICIDE IN RESERVOIR TIES UP MINE AND MILL

JACKSON, Cal., Nov. 14.—Because he liked the reservoir of the McKenzie Mining company to end his life the mill and mine was forced to suspend operations for two days during the search for the body of O. Johnson. Incidentally the owners of the mine and the Pacific Gas and Electric company clashed over the expense of emptying the reservoir, and it was only after the Pacific company had agreed to stand for the cost that the storage pond was emptied. The body was recovered yesterday.

Johnson jumped into the reservoir from a raft.

YOUTH SHOOTS STEPFATHER IN DEFENSE OF MOTHER

YREKA, Cal., Nov. 14.—Emmett Frazier, aged 19, is in the county jail and W. J. Eyring, his stepfather, is lying near death in his home at Happy Camp as the result of the boy's effort to protect his mother, an Indian woman, from the abuse of Eyring. The mother of Frazier became Brown's wife about two years ago. Thursday Brown returned home intoxicated and he said to have abused her. The boy took up the quarrel and ordered Brown from the house. Brown went to a saloon, where Frazier followed, and the quarrel was renewed. Frazier fired two shots, wounding Brown in the breast.

BODY OF MASTER MECHANIC IN DELAGUA MINE RESCUED

TRINIDAD, Colo., Nov. 14.—The mangled body of James Young, the master mechanic, was removed from the wrecked Delagua mine today, raising the total number of victims recovered to seven. The other four more known to be in the mine. Yesterday the body of F. M. Lewis, the superintendent, was found in the main slope and that of a Slav miner also was taken out.

ROBBERS DRIVEN AWAY

EMPLOYEES OF EXPRESS COMPANIES RESUME WORK

Four Thousand Men and Hundreds of Teams Again Active in New York City

NEW YORK, Nov. 14.—Four thousand striking express men went back to work today, wearing their union buttons. For the first time in two weeks, the 1000 teams of the Adams, Wells-Fargo, United States and American Express companies were traveling unhampered about Manhattan, Brooklyn, Jersey City and Hoboken. Slowly the great congestion of express packages was being relieved.

The only dispute of the morning took place on the Communipaw dock of the United States Express company when the company objected to taking back ten former employees. About 150 men gathered about the place and the strikers announced that if these ten were not allowed to return to work here in the morning they would go back. Later the trouble was adjusted and the strikers returned to work.

Although the express drivers are back at work, the striking chauffeurs, numbering nearly 1000, were still out tonight. They struck first in sympathy with the express men, but soon returned to work. Recognition of the union is the chief one.

MISSOURI PACIFIC SHOPS STRIKE WILL BE SETTLED

This course was decided upon at a meeting here today under the auspices of the local Commercial club. Representatives of every city which is a division point of the railroad in Missouri, Kansas and Arkansas, and the governor of Arkansas, were present. The parties to the dispute will be asked to resubmit their differences to arbitration.

SPANISH-AMERICAN WAR TAX DECISIONS UPHELD

Supreme Court Rules Government Must Repay Collections

WASHINGTON, Nov. 14.—The supreme court of the United States declared today to be void eight decisions of lower federal courts in which the right of the government to collect the Spanish-American war inheritance tax on estates of persons who died within the year preceding July 1, 1902, was attacked.

The effect of the decision of the court today will be that the decrees of the lower courts in these particular cases, holding that the government had no right to collect the tax and must repay it, will stand as the law in these particular cases.

The action was taken notwithstanding the decision of the supreme court last spring that the tax was "imposed" on such estates and that the government had a right to collect it and, having collected it, had the right to retain it.

COACHMAN SUDDENLY MADE RICH BY EMPLOYER'S GIFTS

Retired Oneonta Manufacturer Bestows \$10,000 Largess

ONEONTA, N. Y., Nov. 14.—Grover Henderson, coachman to John L. G. Muller, a retired manufacturer formerly of New York city, went to bed last night \$10,000 richer than he was this morning. His employer, who has been ill for some time, called Henderson to his bedside and said: "Grover, I'm a pretty sick man and you've always been a good boy. I am going to make you out a check for \$5,000."

"Yes sir," said Henderson, and waited. When he took the check he was almost overcome with astonishment to see that it read for \$5000.

Mr. Muller found it so delightful to give pleasure that before Henderson left the room he added another check for a like amount.

ASSAULTS POLICEMAN WHO SAVES HIM FROM DEATH

Man Asleep on Rails with Train Coming His Way

CHICAGO, Nov. 14.—W. F. Cowley, sleeping comfortably on a detached baggage car with his head on a rail as a locomotive was about to back into the car, assaulted Policeman Beimer when the latter grabbed him by the hair and cheated the corner of an inquest.

"I did not have a fraction of a second to lose," said Beimer in court today, "and yanked him out by the hair. Then he called into me with both fists and abused me for interrupting his slumbers."

Beimer entered a charge of trespass and disorderly conduct against Cowley.

HOLD KILLING OF MUNK ACCIDENTAL

Coroner's Verdict Finds Football Player Not Purposely Slain. Will Free McCoy

(Associated Press) WHEELING, W. Va., Nov. 14.—The inquest held tonight by Coroner Rogers into the death of Captain Rudolph Munk of the West Virginia university football eleven in a game here Saturday with Bethany college resulted in a verdict of accidental death.

The warrant for the arrest of Thomas McCoy of Canton, Ohio, the Bethany player charged with causing the injuries that resulted in Munk's death, will be withdrawn at the instance of the coroner.

McCoy was not present at the inquest but was represented by attorneys. The verdict said: "The evidence in this case is conflicting, therefore we believe that Rudolph Munk came to his death, November 12, 1910, by colliding with Thomas McCoy in a game of football played in Ohio county, state of West Virginia."

"That means accidental death," said Coroner Rogers, "and ends any prosecution of McCoy."

The most important testimony came before the jury in the shape of a special delivery letter to the coroner from Homer Young, the former Michigan player, who officiated as umpire at the game. On Sunday he had given testimony tending to show McCoy had intentionally struck Munk, and it was the strength of his version of the affair that the warrant for McCoy was issued.

STATEMENT WEAKENED In his letter, placed before the jury tonight, Young says: "I cannot state with absolute positiveness that McCoy struck Munk, although it appeared to me that he struck at him. I cannot state with absolute positiveness that the act was done intentionally, although there may have been circumstances from which it may be inferred there was no intention and deliberation to strike."

P. H. Rudy of Millersburg, Ohio, left halfback of the Bethany eleven, said McCoy struck Munk with his forearms crossed and not with his clenched fist, as had been stated.

Robert L. Ramsey, prosecuting attorney of Brooke county, a spectator at the game, testified to hearing McCoy say: "They have been slugging me all through this game, but I got him (Munk) that time."

This remark of McCoy's was received with hisses from spectators who heard it.
