THE AGENTS OF INSURANCE COMPANIES not incorporated by the State of South Carolina, are hereby notified that their Annual and Semi Annual Returns must hereafter be filed at the Office in Charleston only, and that all applications for license, or renewal of license must also be made at the same office. IMPORTANT TO PLANTERS. THE RICHMOND FACTORY, Richmond Co., Ga., CONTINUES to manufacture WOOLEN CLOTH at 12 1/2 cents per yard for Plain and 16 for Twills—finishing every material except the Wool. The extensive and constantly increasing patronage the Factory has enjoyed for years past, assure the Proprietors that the article of Winter Clothing for Negroes, made by them, has not been surpassed by any Cloth made North or South.

Recent extensive improvements, and others now being erected, enable us to keep up the standard of the Goods, and to secure an early delivery. Planters, or others, who may wish to send us Wool to be made into Cloth, can send it dirty or clean—if washed it should be done in cold water, and done thoroughly. If sent dirty, charge half sent per 100 lbs for washing. Dirty wool is not objectionable—the better the wool is moved by machinery. THE NAME OF THE OWNER SHOULD BE MARKED UPON EVERY PACKAGE SENT. Wool sent by Railroads in Georgia, Alabama, Tennessee, South Carolina, to the Augusta Depot with OWEN'S NAME and "Richmond Factory" marked upon it will be promptly received, and the Cloth made, returned to the point directed. Each parcel is made up in the most convenient manner, and especially urge upon patrons the great necessity of sending in the Wool as soon as clipped. If this rule is followed, the parties would always be sure of having the Cloth in ample time. All instructions to Messrs. FLEMING & ROWLAND, our Agents at Augusta, Ga. A. JOHNSTON, President Richmond Factory. March 29, 1861, 48, 5m
