

Mother's Friend in Every Home

Comfort and Safety Assured Before the Arrival of the Stork.

The old saying—what is home without a mother—should not be forgotten. In thousands of American homes there is a little of the splendid and famous remedy that has aided many a woman through the trying ordeal, saved her from suffering and pain, kept her in health of mind and body in advance of baby's coming and had a most wonderful influence in developing a healthy, lively disposition in the child.

Good Cunningham, recently seen in the prima donna role of "Somewhere Else" at the Broadway, has been added to the Gilbert and Sullivan Opera Company, for the forthcoming revival of "Iolanthe."

My Mama Says—It's Safe for Children

CONTAINS NO OPIATES. FOLEY'S HONEY and TAR For Coughs and Colds

Conditions Have Changed in the New Location.

The same Suits that for many years sold at \$20 and \$25.50 are now offered to one and all at the same price-- \$15.00

Blue Serges and many fancy summer effects are gathered here for your liking and pleasure. Remember at the new location we share our profits with you. Plenty of other Suits if you desire to pay just a little more.

CITY LEAGUE FOR AMARILLO FORMED

SCHEDULE SHAPED FOR PENNANT SEASON AT ROUSING MEETING

An Amarillo City League, including four fast teams, was organized last night at an enthusiastic and rousing meeting in the Telephone Building. A playing schedule of eighteen weeks was adopted, games to be played on Saturday and Sunday afternoons of each week.

The season will begin Saturday afternoon, closing on September 7. The Hellos will play the Wringers Saturday afternoon; the Incandescents meet the Uncle Sams Sunday afternoon. All games will be played at Glenwood Park.

At a second meeting Thursday night a President, Secretary and Directors of the new organization will be chosen.

The four teams will compete for the city championship pennant, and enter the battle with marked enthusiasm and the highest fighting spirit. The organizations are already in fast condition and will open the season with a show of red fire which bids fair to last to the last exciting, pyrotechnical exhibition.

Opening in Federal League. PITTSBURGH, Pa., May 6.—Whether it is possible for a professional baseball organization of any consequence to exist outside the fold of the national agreement will be determined by the success or failure of the new Federal league, which is scheduled to play the opening game in its initial pennant race today. On paper the league appears to be the most substantial of any of the so-called "outlaw" organizations that have sprung up in recent years. The circuit is made up of six of the best cities of the middle West, all of which now have clubs in the major leagues.

Athlete Must Quit for Season

Charley Brickley, Harvard's football star and important in Harvard's track and field team, is out of it for the summer anyway. He was punched and kicked and knocked about, as is customary on the gridiron. Once he was carried from the field in a state of complete exhaustion. But he was not seriously hurt.

Then one day he went into the gymnasium for a little light exercise in jumping—broad jumping is his specialty in field athletics. After trying a few springing stunts he pulled up lame. One of his leg muscles was sore, and he had to lay off. He must do nothing until the tendon is thoroughly healed. He will be lucky if he is in condition to enter football this fall.

NEW CATCHERS GIVEN REGULAR PLACES

Oscar Stange, Tigers' Star Backstop.

Several of the National and American league clubs have new catchers. Although a few have been seen in the big leagues before, it will be the first season that they really can be called the regular receivers.

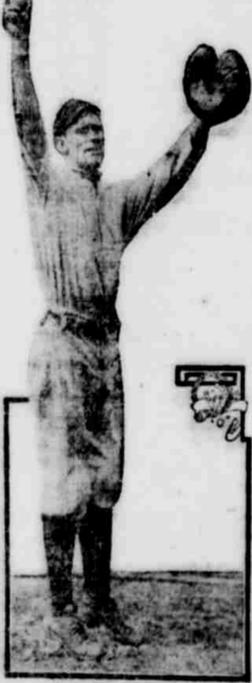

The Cardinals last year had Roger Bresnahan, manager-catcher. This season he is gone and Ivey Wingo will be the regular catcher. Wingo last season caught great ball. In fact, he did most of the work behind the bat, but with Bresnahan around, could not be called the regular. In 1913, though, he will have clear title to the claim.

Then the Browns will have a youngster who is entirely new to the American league. He is Sam Agnew, who last season was with the Pacific Coast league, and who showed such sterling work in the spring series. Last season Manager Stovall had Stephens and Kriebel as his regulars, but both are in the minors now.

It is the same way in other cities in both circuits. The White Sox have Ray Schalk. He will be the regular catcher for the Sox this season, while last year Billy Sullivan, the veteran, did the bulk of the work. Schalk is not new to the league, having played last fall.

Although Billy Gibson is still with the Pirates, it is not likely that he will do the bulk of the catching. This probably will fall to Billy Kelly, the East St. Louis boy, who came to the National league with Marty O'Toole. Gibson is getting old and not capable of catching the same kind of ball he did several seasons back, and may have to take a back seat in favor of a younger man.

Last year Johnny Kling was the chief catcher for the Boston Braves and incidentally manager. The former Cub star, though, has forsaken the national pastime and Hardin, who was a member of the Braves all last

Manager Doolin of Philadelphia.

season, will be on duty behind the bat in most of the games.

The same is the case in Cincinnati. Larry McLean was the Reds' chief catcher last year until he fell by the wayside. Then Tommy Clark took up the burden, and it will be this young man who will be seen on duty in the greatest number of contests this season.

In other words, just four clubs in the National league will rely on the same receivers that they did last year. There is hardly a chance that Roger

Bresnahan will be able to take the job away from Jimmy Archer in Chicago, while the Phillies will again have Doolin, the Giants have Meyers and the Superbas have Otto Miller, one of the best young catchers in the league last season.

Then in the American league, where fewer catchers have come up, six clubs will rely on the same members. Oscar Stange, the Tigers' star, will again be on duty. Then Frank Chance will have Ed Sweeney, without doubt the best man in the junior league.

The Naps will again have Steve O'Neill. Then the champion Red Sox probably will rely on Forest Gady John Henry will be the regular for the Nationals, unless the operation to nab knee keeps him out of a uniform for the early games.

Here is the list of leading catchers for the clubs in the two leagues this season:

Table with columns for NATIONAL LEAGUE and AMERICAN LEAGUE, listing catchers for various teams like Cardinals, Cubs, Pirates, etc.

BAPTISTS AGAIN CORRAL VICTORY

GOODNIGHT BESTS LOWREY-PHILLIPS FOR SECOND TIME.

Lowrey-Phillips failed to balance accounts with the Goodnight Baptist Academy yesterday afternoon as was threatened, in return for the loss sustained at Goodnight two weeks ago. The Goodnighters got together for the necessary connection with the sphere and closed the little engagement by a score of 15 to 3 in their favor.

Both teams switched twirlers at critical junctures in the game. For the first three innings the score was 1 to 0 on the Goodnight side of the ledger, and the outcome was sufficiently in doubt to make the contest keenly interesting. And then something happened. That something was a swat-throw which won the game for the visitors.

For Lowrey-Phillips, Roark pitched three innings, Alban six. For Goodnight Wamsley pitched three innings, Davis six.

Putouts, by Roark 3, by Alban 6, by Wamsley 3, by Davis 9.

Davis for Goodnight put over two homers, Combs one.

Goodnight has played six games during the present season, winning five. From this point they go south to Plainsview for a game with Wayland. The scheduled game at Canyon was called off yesterday by the Normals, who stated that their season closed May 2. Goodnight claims the season's college team champion, shot for the Panhandle season.

UNCLE SAMS PUT IT OVER HELLOS

TAKE GAME AT GLENWOOD PARK BY SCORE OF 16 TO 7

The switchboard of the Hellos wasn't working well yesterday afternoon. Or something. Anyway they failed to connect sufficiently to get under the swat-avalanche which the Uncle Sams let loose on them. The final score stood 16 to 7, at the close of the five-inning game. But at that, the game contest was live and interesting.

The game was featured by a number of spectacular plays, and the clouting of the Uncle Sams, Tadlock, the husky right fielder of the Uncle Sams, was the star of the game. His base running was superb and created general comment. In one inning he stole three bases, including home.

The line-up: HELLOS: Nolan, 2b; Goodman, c; Miller, 2b; Calhoun, 1b; Morgan, ss; Thomas, 3b; Hubbard, cf; Travis, p; and catcher, cf.

UNCLE SAMS: White, 2b; Grinkle, c; Dickerson, cf; Martin, p; McDonald, 1b; Brown, 3b; Marshall, ss; Kane, 2b; Tadlock, cf.

Julian Ellings is to impersonate a suffragette. His new play has been named "Miss Swift of New York." It has been written in a comic vein by Mr. Ellings and Gus Stealy.

Arthur Hammerstein has engaged Gehlitz Edwards for a important role in "High Jinks," a new farce comedy which he will present in Chicago in the fall. It is by Otto Hauser and Rudolf Friml.
