

The Bismarck Tribune.

The Nickel Plate.

The first performance of the Nickel Plate circus yesterday afternoon was attended by a very large audience, and the evening performance also attracted a large crowd.

What's His Name?

If the Scranton Pioneer will give the name of the man referred to in the following item the people of Bismarck may be able to tell who he is and what his circumstances were.

Fleming Goes to Jail.

In the following item, which is taken from a special dispatch to the Minneapolis Tribune, the correspondent is a little "off."

God Bless Them.

If this sentiment was ever lavishly bestowed upon a newly married couple, it was yesterday when Mr. and Mrs. Arthur Logan departed for Miles City, their future home.

A Unique Bill.

The famous Albert Lea route has issued one of the most unique and valuable bills ever distributed in the interest of a railroad.

From France.

All the way from France, the land of Napoleon and chivalry, comes Adolphe Louis Dupont, to settle in the Missouri slope.

The Dance.

The Garfield Light Guards has made a grand move for their military ball, in inviting the people of Mandan, the officers and soldiers of

Fort Lincoln and the enterprising denizens of Steele. Over 800 invitations will be issued and the Fourth of July ball in the Athenaeum will be one of the largest and most complete affairs of the kind ever given in the northwest.

Another Bismarck Victory.

On Tuesday, June 10th, Bismarck achieved another crowning victory, the cause of which this time being in the Keystone state and in the beautiful capital city of Harrisburg.

The Celebration.

Pursuant to call, a number of citizens met in the office of Attorney General Hughes last evening, for the purpose of arranging for a Fourth of July celebration.

The chairman asked for the views of those present on the subject of a celebration, and General Hughes proposed that, among other features, the militia have a sham battle, and that the troops at Fort Lincoln be invited through Colonel Conrad, to participate.

Causes of Failure.

Want of confidence accounts for half of the business failures of to-day. Frisby, the drugist, is not liable to fail for the want of confidence in Dr. Bosanko's Cough and Lung Syrup.

Want of Faith.

If Frank Frisby, the druggist, does not succeed it is not for the want of faith. He has such faith in Dr. Bosanko's Cough and Lung Syrup as a remedy for Coughs, colds, Consumption and Lung affections, that he will give a bottle free to each and every one who is in need of a medicine of this kind.

A Sure Cure for Piles.

The first symptom of Piles is an intense itching at night after getting warm. This unpleasant sensation is immediately relieved by an application of Dr. Bosanko's Pile Remedy.
