WANTED—At the Chronicle office, Clean cotton rags.

GOOD SORGHUM SYRUP; made by Fred H. Perry; every bucket guaranteed at I. E. Thurman's

The walls to the new building for the Cumberland Bank and Trust Co., are going up rapidly now. If favorable weather prevails for a short time longer the walls will be up and the roof on, then work can proceed uninterrupted. It is hoped the building will be ready for the opening of the new bank by January 1.

LOST—One red bill-book, between Crossville and Clarkrange, which contained several notes; some of them endorsed by J. W. Barnes. Finder please leave bill-book at Chronicle office and receive reasonable reward.

C. G. Flynn is now completing the concrete floor work to the new brick building recently erected by G. E. Harrison.

The hunters, who went last week to the Center neighborhood, a few miles north of Crab Orchard for a few days recreation, were fortunate enough to bag nine wild turkeys.

Casteau Burnett was in from his work at Devilstep for the week-end.

Arthur Swafford, who recently moved here from Gadsden, Ala., has taken his wife to the hospital at Rockwood for treatment by Dr. Wilson.

SORGHUM SYRUP—The kind you like; the more you eat the more you want at I. E. Thurman's

Mrs. Rhoda Skerlock, of Chicamauga, Ga., and Mrs. Eliza Mullinix, of Kansas City, Kan., who were here visiting their cousin, Mrs. Susie W. Dunbar, and other relatives and friends, left last week for Chattanooga where Mrs. Mullinix will visit for a while with her son and daughter before returning home. Mrs. Skerlock went to her home at Chicamauga.

GOOD CANE SYRUP—While they last, \$1.00 per bucket. I. E. Thurman.

In this issue appears the advertisement of G. A. Schlicher as surveyor and abstractor. For more than 25 years Mr. Schlicher has been actively engaged in surveying, abstracting and investigating land titles throughout this mountain section. His fund of first hand information touching titles is hardly surpassed by any one in this section and his ability is of the highest, as is recognized by all who are familiar with his work and experience in his line of endeavor. The Chronicle takes great pleasure in commending him to those who may require such service as he proffers to the public.

We have just received a car of American Field Fence and the indications are that it is cheaper than it will be next spring. Bilbrey Bros. Hdw. Co. 11-15-11.

Dry Cleaning and Pressing; satisfaction guaranteed or money refunded. N. R. Hendley.

The First National Bank has just completed the erection of a stairway to the second story of the bank. Also a new awning has been built to the front of the bank. W. P. Smith did the work. Mr. Smith formerly lived in Byrdstown and recently moved here. He and family are now occupying the residence formerly occupied by Senator T. E. Wilson, known as the Fred Cate residence.

\$75,000,000 for Roads to the Fore

President P. M. Estes, of the Tennessee Good Roads Association announces an intensive week's membership campaign, beginning Monday, December 4, for the purpose of obtaining 100,000 new members for the organization and the promotion of its plans to provide Tennessee with a modern system of good roads penetrating every county seat.

W. A. Crossland of the Federal Bureau of Public Roads at Washington will come to Tennessee to assist in the drive which will be continued by congressional districts with a director for each and will make a number of speeches explaining and advocating the program of the association, and urging popular support of its cause.

At a meeting held under the auspices of the Association in Nashville last week which was attended by good roads enthusiasts from all parts of the state, a general bill was drafted and tentatively adopted which will be presented for passage to the forthcoming session of the legislature.

This bill provides for the repayment to the several counties of the state such amounts as they have contributed to the building of roads under the supervision of the state Highway Department, these roads to become a part of the new system proposed.

It provides for a complete state wide system of good roads to penetrate every county and reach every county seat.

To meet the payment on road bonds proposed to be issued as they mature, it is provided that, without additional property tax, all privilege taxes derived from the business of selling autos and trucks and of conducting garages, repair shops, filling stations, etc., be appropriated and especially set aside for this purpose.

It is also provided that a two cents a gallon tax on gasoline be levied and the proceeds applied towards retire-

ing the bonds as they mature.

It is proposed that bonds to not more than \$10,000,000 a year be issued for road building and in total amount not more than \$75,000,000. It is provided that the bonds be issued only as they are needed to pay for actual construction work.

P. M. Estes was re-elected president of the Association and Myron T. Nailling, Filed Director, along with other officers, and the central office of the Association will continue to be in Nashville.

Membership in the Association is only \$1.00 a year, it being the desire and purpose of the organization to enlist in the cause of good roads and in its program to put Tennessee in the forefront as a good roads state as many citizens from as many communities in the state as is possible.

IN MEMORIAM

On Saturday, November 23, one resident of our little village was released from her long siege of weakness and suffering. Mrs. Helen Wightman was born in southern Scotland on the 12th day of May over 84 years ago. Her maiden name was Graham. She was reared among the religious surroundings and with the religious training of Scotland. She was early left an orphan and came to America when she was 17 year old. Three of her brothers also settled in America. She lived in Massachusetts for a while and later went to Illinois where she met Mr. Wightman. They were married something like 60 years and came to Tennessee to this plateau about 54 years ago. Here they have lived ever since on the same spot.

She was a supporter of the Sunday School and the church, doing as she could and helping the poor.

She was the mother of eleven children, of whom eight survive her. She leaves 24 grandchildren and 8 great-grandchildren. Mr. Wightman also survives her but he is blind and with difficult hearing. He is four years her senior.

It was through the efforts of Mr. and Mrs. Amos Wightman that Pleasant Hill Academy is here. On a visit to Massachusetts after coming to Pleasant Hill, Mrs. Wightman went to the rooms of the American Missionary Association in Boston and asked for a school at Pleasant Hill. From this beginning of a one-teacher school, Pleasant Hill Academy grew. She was one of the original members of the Congregational church at Pleasant Hill when it was organized in 1885.

Now for over nine years she has been a shut-in and a cripple, being taken for a ride very few times. In 1914 she fell and has never been able to stand since. He time has been spent in a wheel chair or in bed and her hands too were crippled. Faithful ones have cared for her, lifting her from chair to bed and back again and ministering to her needs. Thus has she been the center of her home and family through life.

The funeral was held at the home on Monday morning and was conducted by the pastor, Rev. J. C. Pryor, assisted by a choir of young men. All the sons and daughters of Mrs. Wightman were present. The interment occurred at the Pleasant Hill cemetery. The grave according to our custom was beautifully lined with green leaves and flowers over white.

expected to be present, but he was called to Massachusetts by business and could not be present. Dr. Johnson, of Sparta, was also expected, but was unavoidably prevented from being present.

The institution has only been in active operation in the new building a few months but in that time has handled quite a number of patients, has had numerous minor operations and one major operation.

Uplands has only eight regular beds now for patients, but can accommodate fully twice that number, should occasion demand. The heating plant is not yet installed but it is hoped that sufficient funds will be available, through the generosity of persons philanthropically inclined, to insure its installation within a few months.

The building is a model of neatness and convenience and is so arranged that there is not a foot of waste space but all can be used in many ways to carry forward the great work for suffering humanity that prompted Dr. May Wharton to conceive and carry it forward to the point where it is a great power in the community and for the entire county in soothing and eradicating the pangs of pain. The outlook for its future is most promising.

TRAPPERS AND FUR DEALERS!

One of our firms is located in New York City at 49 West 27th St.; representing our firm selling direct to the manufacturers. If you will ship your furs there we will pay you more money than you can get any where else. A trial shipment will convince you. Our house is known as Fur Trappers Sales Corporation. S. O. Kerley, Mgr., Boise, Idaho; R. R. Clawson, Mgr., New York City. 11-1-14

UPLANDS SANATORIUM WAS DEDICATED MONDAY

Ceremonies Very Impressive and Were Greatly Enjoyed by Those Who Were Present.

According to plans prearranged Uplands, the Cumberland Mountain Sanatorium, was dedicated with appropriate ceremonies Monday. Several people from Crossville were present and the entire audience embraced more than a hundred persons who were deeply interested as was plainly manifested by the look upon their faces.

A business meeting was held by the incorporators who are: J. M. Roberts, J. A. Frey, Dr. May Wharton, Miss Elizabeth Fletcher, L. R. Neel and S. C. Bishop, all being present except Mr. Neel. J. A. Frey was elected president and J. M. Roberts secretary-treasurer. Dr. May Wharton, Miss Elizabeth Fletcher and Miss Alice Addshead were elected as Board of Managers into whose hands the conduct of the institution was placed.

By-laws were drafted and adopted for governing the movements of the Board of Directors, which under the charter is composed of the incorporators.

Chas. T. Frey, on behalf of the Frey heirs, presented the deed for the 12 acres of ground occupied by Uplands, to J. M. Roberts, who received the same as the representative of the institution.

The dedicatory services were read by Mr. Pryor followed by prayer. A short and heartfelt talk was then given by Dr. May Wharton in which she told of her aims in establishing the institution, assuring every one that her most earnest and heartfelt desire was to conduct the institution along broad humanitarian and Christian lines that would be in entire harmony with the spirit of Jesus Christ. She feelingly and tenderly touched upon the recent death of her husband, Rev. E. R. Wharton, who passed away something over a year ago at his post of duty as principal of Pleasant Hill Academy. She extended most sincere thanks to those who have supported her and aided in any way in bringing the enterprise to its present useful station in the community.

D. W. Lundy, as citizen of the community, pleasantly and earnestly referred to the great hopes the people generally felt for the future of Uplands and referred to the fine and helpful thing the Frey heirs had done in donating the land. He predicted that the time was not far distant when the Freys and all the people of the community would realize as was now impossible the great and lasting good Uplands was sure to prove to the Pleasant Hill community. He assured those present that he would ever feel it not only a duty but esteem it a great pleasure to assist its forward progress in every way possible.

Many were the hearty and earnest expressions of admiration for what has been accomplished along with promises of devotion and assistance to help Uplands to become the great beacon light for health and relief of suffering that its founder intends it to be.

Dr. W. B. Young, of Bon Air, was

Mrs. N. F. Johns and daughter, Mrs. J. L. McCuiston, of Howard Springs, left Sunday for Knoxville to visit relatives and do Christmas shopping.

Dr. W. A. Reed received a telegram Sunday night notifying him of the death of his first wife's father S. D. Williams, at Watertown. He left on the train that night to attend the funeral.

Saturday Esq. O. B. Rector killed two hogs that weighed jointly 960 pounds.

Mr. and Mrs. G. F. Brookhart plan to go to Peavine Friday for a week-end visit with his parents, Mr. and Mrs. C. E. Brookhart and other relatives.

Postmaster R. A. Potter plans to spend the week-end visiting friends and hunting in the Peavine neighborhood.

J. H. Beeson left yesterday for Florida to pass the winter.

The Rockwood Masonic Band gave a concert here Friday night to an audience that taxed the Mecca Theater beyond its capacity. Twenty persons from Clifty made application for standing room and had to be denied as there was not room to accommodate them. Fully fifty persons were turned away that would gladly have paid the price for standing room could they have gotten in. The total proceeds amounted to \$85.45.

The Art Circle will meet this week with Mrs. W. F. Bandy.
