Dr. Elijah Pratt

DEAR SIR: As I feel it a matter of much public importance, to possess a means of lessening the terrible suffering from sore nipples; I have much pleasure in being able to say, that the shield you offer for the preventing and cure of this malady, is better adapted to the purpose than any I have heretofore seen. In two or three instances, I have known them to be used—such satisfaction has been expressed, and have no hesitation to believe, it will generally succeed. I am so well persuaded of this, at this moment, that I cannot forbear to express a wish, that our City, through the various Apothecaries, may be supplied with them.
