For the Removal and Permanent Cure of all NERVOUS DISEASES, And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT and MAGNETIC FLUID, is used with the most perfect and certain success in all cases of

GENERAL DEBILITY, Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITZ-CLAM, PARALYSIS and FALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TICS, MORBID PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT and CURVATURE OF THE SPINE, HIP COMPLAINT, DISEASES OF THE KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and ALL NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System. (It is NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostrated system; while under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted and weakened sufferer is restored to former health, strength, slatity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Cordettes, consists in the fact that they arrest and cure disease by gent application, in place of the usual mode of drugging and physicating the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction in the United States, only one case has been known to

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been cured.

ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else had been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that base, chronic disease, DYSPEPSIA, or what is called Chronic or Nervous Disorder. In ordinary cases, stimulants are taken which, by their action on the nerves and muscles of the stomach, afford temporary relief; but which leave the patient in a lower state, and with injured faculties, after the action of the stimulants has ceased. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a constant Galvanic current throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS. Of the most Undoubted Character. From all parts of the Country could be given, sufficient to fill every column in this paper!

AN EXTRAORDINARY CASE, which conclusively proves that "Truth is stranger than Fiction."

CURE OF RHEUMATISM, BRONCHITIS AND DYSPEPSIA. Rev. Dr. Landis, a Clergyman of New Jersey, of distinguished attainments and exalted reputation:—

Success, New Jersey, July 12, 1848. Dr. A. H. CHASE, DEAR SIR: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspepsia. Every year the symptoms became worse, until I could obtain permanent relief from any course of medical treatment whatever. About seven years since the dyspepsia ceased, and I have remained in the enjoyment of perfect health since that period. I was, however, afflicted with a severe Chronic Rheumatism, which for years after, caused me considerable anguish. Further, in the winter of 38 and 39, I was afflicted with a severe Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was thoroughly prostrated, and my whole health became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other through the medium of the Nervous System. In the whole pharmacopoeia there seemed to be no remedy against the Rheumatism, and I was obliged to give up the idea of recovering my Nervous System, every thing that I had tried for this purpose had completely failed. At last I was led by my friends to examine your instruments and (though I have never practiced and in my whole life have never used any very singular means of relief) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1846. To my great astonishment, in five days my Dyspepsia had gone; in many days I was enabled to resume my pastoral labors; and I have never since suffered a SINGLE ATTACK OF EITHER OF THE BRONCHITIS, AND MY RHEUMATIC AFFECTION HAS ENTIRELY CEASED TO TROUBLE ME. Such is the wonderful and happy result of the application of the GALVANIC BELT AND FLUID to many who have been likewise suffering from Nervous affections. They have tried them, with HAPPY RESULTS, I believe, in every case.

I am, dear sir, very respectfully yours, ROBERT W. LANDIS.

Tic Doloreux and Neuralgia. These dreadful and agonizing complaints are immediately relieved by the application of the GALVANIC BELT AND FLUID. The Belt diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected nerves. In these distressing affections the application NEVER FAILS.

These alarming and terrible complaints are always cured by a derangement of the Nerves. THE BELT, BRACELETS AND FLUID will cure nearly every case, no matter how young or old the patient, or how confirmed the complaint. Numerous successful instances are in possession of the proprietors.

75—Many hundred Certificates from all parts of the country of the most extraordinary character can be given, if required.

75—No trouble or inconvenience attends the use of DR. CHRISTIE'S GALVANIC BELT, BRACELETS, AND FLUID, and they may be worn by the most feeble and delicate, with perfect ease and safety. In many cases the relief attending their use is high, pleasant and agreeable. They can be used in any part of the country.
