Knoxville, Tenn. March 7, 1919.
TO MY FRIENDS AND PATRONS:—
When I began my present business I adopted the name of "Newcomers New Store" and incorporated under that name, believing that it would not result in confusion with the old company with which I had been associated for many years. The old company thought differently, and has enjoined me from using said name so that until this litigation is ended, it has become necessary for me to adopt a new title under which to transact my business, and I have accordingly concluded to call it "STYLE SHOP".
The financial responsibility and standing of "STYLE SHOP" is identically the same as that of Newcomer's New Store" and the business continues as usual at the same stand but please change all bills and address all communications to "STYLE SHOP" No. 508 Gay Street, Knoxville, Tennessee.
and oblige.
Yours truly
M. M. NEWCOMER.

TANKS WILL TOUR SOUTH TO BOOST VICTORY LOAN

Eighteen Steel Monsters To Traverse Roads At Five Miles An Hour In Approaching Spring Campaign

Eighteen American tanks, built for the war overseas, will be exhibited in the Sixth Federal Reserve District in the coming Victory Loan campaign, it was announced by the Treasury Department this week. They are the small tanks, capable of going forty miles without replenishment of the gasoline supply.
It is not likely that the tanks will break any speed laws, as their limit of five miles an hour. Each will carry two men, the driver and a mechanic. They will be distributed over the district, several to a state, and will be driven from town to town over the country roads.
The tanks will be met at the principal towns by speakers for Victory bonds, and demonstrations will be held in connection with public rallies. They will be operated under the direction of the publicity department and speakers' bureau of the Sixth district. It is intended to route them so a tank will visit practically every town. The tour will begin early in April. It is expected the active campaign for Victory bonds will begin about April 21.

WHAT'S YOUR WORRY? THIS QUESTIONNAIRE MAY SOLVE PROBLEM

The government already is exploiting the Victory Liberty Loan, which will be floated in April, in order that the people may start saving for the purpose of investing in bonds of the "Victory issue." The following brief questionnaire should tend to clarify the mind of any reader regarding the Victory Loan:
Q. The war being over, why is there need of another great popular war loan?
A. The proceeds from the Fourth Loan, according to Secretary of the Treasury Glass, were exhausted last December, and the government must have billions more with which to maintain our forces overseas, bring the victors home and carry out its reconstruction plans.
Q. If Uncle Sam's strong-box is empty, how is he paying his after-war expenses?
A. This is being done with money borrowed from the banks at the rate

of 400,000,000 every two weeks, short-term anticipation certificates of indebtedness being issued in return.
Q. As long as the banks are advancing the money, why not let them continue to do so?
A. Because in order to continue to extend credit to the business interests big and little of the country the banks must get back this money—amounting to 20 per cent of their entire resources—when it falls due, as only this can the prosperity we now enjoy be continued.
Q. Will the Victory Loan be offered to the people on a commercial basis, or will their patriotism again be appealed to?
A. Secretary Glass says the patriotism of the American people will be relied upon to send the loan triumphantly "over the top." It, however, will be made particularly attractive as to rate of interest and period of maturity.

DOWN AND OUT—BUT HIS TONGUE STILL WAGS.
THE HUN is still able to whisper.
One of his favorite subjects is Liberty Bonds.
The bonds are absolutely the best secured in the world, so he dare not attack them openly.
He whispers to you to sell them, hoping to demoralize the market.
And he has about as much chance of doing this as he had of winning the war. It is characteristic Hun stupidity.
Every time you are approached to sell your Liberty Bond or to trade it for stock in some unknown and unestablished project, remember it is the voice of the Hun speaking.
Then take another grip on your Liberty Bonds and hold tight. Keep those you have and be ready to buy more when the Victory Liberty Loan is offered for sale in April.

How to Rest Varicose Veins.
Douglas H. Stewart writes in Medical Council: "When a person with a varicose leg goes to bed he usually sits upon the bed and draws his leg in after him. The veins of that leg are dilated and remain more or less so for hours, therefore the vein walls do not rest. Let that person go to bed, hoist his feet up in the air, the higher the better; let him keep them there for five minutes and let him lower them slowly to the recumbent position. The veins are empty and the vein walls rest. After a few weeks of this exercise many patients declare that their whole sleep is more restful."

"OWN YOUR OWN HOME"

This is the slogan adopted by the Department of Labor of the U. S. Government to herald a movement which will soon sweep the country, —soon you will hear a great deal about it.
We are going to aid in this movement with our full strength and ability.

OUR PROPOSITION

In order to substantially aid in this nation-wide

movement we have created a fund of \$100,000. to be known as the

"OWN YOUR HOME FUND"

This money is to assist those who wish to buy or build homes and whose bank roll is inadequate to carry out their desires. It does not mean you have to buy our houses—it's a great deal broader proposition than that.

A personal interview will enlighten you as to the plan, terms, etc.

DON'T LET THE "OWN YOUR HOME FUND" BE EXHAUSTED BEFORE YOU ACT.
