A Happy Solution. [New York Sun.] They had been using the village hay scales for seven or eight years when a weigh master from the city came out to test them...

Some one did. After a long ten seconds an eminent citizen slowly arose and solemnly--very solemnly--said: "I suggest that we go out and take a drink!"

Fussy's First Mousing. [Adapted from Puck.]

THE DISCOVERY.

THE ATTACK.

CAPTURED.

A Boarder's Paradise. [Buffalo Times.] A gentleman who advertised in The Times for board for himself and wife, received, among others, the following letter, which is reproduced for curiosity's sake:

Refer to your advertisement in the paper to-day I think I have just what you want.

I have a parlor a sitting room a bedroom a planer and garden and meals I will have wherever and whenever you wish to take em.

Customer--You have a large stock of books here, and they are evidently of the best kind.

Customer--I've often wondered what writer of English fiction did the greatest amount of work. It was probably Bulwer.

IMPORTANT Real Estate Sale

HONOLULU, Hawaiian Islands.

PARITIES DESIRING A GOOD INVESTMENT in the Hawaiian Islands will have a rare opportunity in the purchase of the Rose Beach property, lately owned by Captain James Makee, on the island of Maui.

This estate comprises over eleven thousand (11,000) acres of land held in fee simple, and about ten thousand (10,000) acres held under lease to run six years longer. The stock on the estate comprises about 3,800 head of well-bred cattle, including 100 yoke working cattle and 300 milch cows and 90 horses and mules.

The buildings consist of a main dwelling house, guests' cottages, office, billiard room, chapel, dairy and beef houses, store, overseer's house, servants' quarters, etc., etc.

There are between three and four hundred thousand trees on the estate of varieties of eucalyptus, acacia, cypress, Pride of India, cedar and cithona.

The streams for water are 12 in number, the largest capable of holding 15,000 barrels.

Steamers from Honolulu stop at the landing of the estate once a week. The passage from Honolulu to the landing is made in 12 hours by steamer. Hundreds of citizens of California and the Eastern States have experienced the hospitality of the late Captain Makee, who will bear willing testimony to the natural beauty of the estate and to the salubrity of the climate.

ALSO TO BE SOLD, The fine residence in the city of Honolulu belonging to the Makee estate, together with the furniture belonging to the house.

The sale of the above-named properties will be held in the city of Honolulu, MARCH 1, 1886.
