George Riddle Writes to Buy Kate Field Here.

**MRS. S. G. WILDER'S KIND OFFER**

Money Sent by Mr. Kohlsaat—Her Effects in the United States—Made a Will Before Leaving—Mr. Riddle Wants a Monument Erected Here.

The following letter from George Riddle, a cousin of the Kate Field was received on the Mariposa by Mrs. S. G. Wilder:

No. 6 Arrow Street, Cambridge, July 14, 1896.

My Dear Mrs. Wilder:—A letter from Mr. Ellis Mills tells me that you are good enough to offer a final resting place in your lot for my beloved kinswoman, Kate Field.

Little did I dream when I gave Kate a letter to your son that "Jimmie" Wilder's mother would be the kind friend to my cousin she has proved to be in life and death.

I accept, dear Mrs. Wilder, your tender thought of Kate, and have so written to Mr. Mills.

At first it seemed to me that her remains must be brought home, but when I read the description of her funeral and the spontaneous outpouring of sympathy in Honolulu I decided it would be best for her to remain among the last friends she made. Then, again, I could not bear the thought of her form being transported across the Pacific and the continent unaccompanied. So in Honolulu she is to rest, and I have to thank you for this final relief to my mind.

Since her death I have caused as thorough a search as possible to be made of her papers in Washington. Only last week I learned positively that she made a will just before leaving Washington. My informant was Hon. Jefferson Chandler, who was one of the witnesses. This will we can't find, and I think it must be among her papers at Honolulu.

Mr. Kohlsaat of the Chicago Times-Herald, to whom Mr. Mills first wrote giving items of indebtedness of Kate's estate in Honolulu, has just written to me that he has sent a draft to Mr. Mills to defray the bills.

Mr. Mills writes me that he can't forward Miss Field's effects to me unless I take out letters of administration on her estate. This will involve a journey to Washington, which my professional engagements will not allow me to do till the middle of August. Also, as she made a will, I still hope to find it among her effects in Washington or Salt Lake City. I have yet to hear from the latter place.

I think I will ask Mr. Mills to search her papers in Honolulu. It is all very mysterious.

In regard to a monument to Kate—will you please tell me what would meet your wishes in respect to size and shape and material. Can and will you please give me some estimate of cost. I have no idea what kind of stone you use or have in Honolulu. Mr. Kohlsaat and other friends desire to erect a monument, but it seems to me that you should be first consulted.

With kind remembrance to your son (Kate wrote me he was in Borneo), and with cordial thanks to you, believe me, Most truly yours,

GEORGE RIDDLE.

**AN ESTIMABLE WOMAN GONE.**

**Death of Mrs. Captain Gedge at South Vallejo.**

Mrs. Isabella Gedge, wife of the late Captain Gedge, died about midnight Sunday at the residence of her son W. K. Gedge, in South Vallejo, California. The deceased had been in poor health for three or four years and was confined to her bed for several months. Death resulted from a general breaking up of the system.

Mrs. Gedge was a native of Scotland and has made Vallejo her home during the past twenty-five years. She was a woman of most estimable and lovable traits of character and her death casts a dark shadow across many hearts. Whether at the bedside of the poor and afflicted or in the illuminated halls of mirth Mrs. Gedge in her lifetime was all goodness and sunshine.

Two grown daughters and six sons survive the deceased lady. They are Mrs. Capt. Fuller of this city, Mrs. G. T. Reynolds of Los Angeles, Harry, Frank and George Gedge of San Francisco, Dr. Donald and Norman Gedge also of Honolulu and Wm. K. Gedge of South Vallejo.

**J. T. Waterhouse**

Buying here now is particularly fascinating, because our stock of dry goods is so remarkably fresh, so full of new things.

Your season is at its height, but the manufacturers and wholesalers season is over. They had to get rid of their summer stock, no matter how attractive or how much they sacrificed. A store with clean stock and free hands has better chances to buy the finest goods below the cost of manufacture. One store's goods by themselves tell only half the story; what are those goods like in other stores?

A stock of Honey Comb quilts means interest added if they are not sold until fall. It's your chance now to buy them cheap. Quilts are good things to keep. White Penlope canvas is a grade higher than you've been used to, but the price is less—to us and to you if you wear white clothes. Victoria Lawns are fashionable in Hawaii twelve months in the year, the price depends upon where you buy them. With us, they are a trifle lower than in the smaller shops. We buy them in quantities, because the price is less.

Pillow linen, Torchon lace and real Valenciennes lace are common every day things in name; with us its quality. It's the same with carpets and borders.
