SPRING COLDS

are the ones which most frequently settle on the chest and lead to

Consumption.

A disease which may be often prevented but seldom cured. The percentage of deaths in Honolulu from consumption is large. Strange, you say, for a climate like this, but the fact remains.

Putnam's Cherry Cough Comfort

is the one cure for a cough. Its action is PROMPT and EFFECTIVE. Try it on yours and see how the trouble yields to it. Nothing unpleasant about Putnam's; vile stuff does not form a part of the preparation, old folks or young, the result is the same.

Cures ordinary coughs for a QUARTER. Takes a HALF DOLLAR bottle to get the best of a stubborn one.
