CO. F IS WINNER

Shoot For Marlin Trophy at Kakaako Range.

REGIMENT WIN FROM STARS

Game Well Contested on Both Sides.

Natives Have Bad Luck—Next Shoot to Come Off in Six Months.

The third shoot for the Marlin trophy took place at the military butts, in Kakaako, Saturday afternoon, five companies turning out in competition, and F Company, of the regulars, winning the match, with a score of 412, as against 408 of Company G, the native company. It will be remembered that Company F won the last match. Should this team succeed in winning on the next occasion of the kind six months hence, the Marlin rifle will be theirs to crow over and place among the row of sculps that have already been taken from the enemy. The F men shoot well and steadily, and they stand a good show for the next match, but they will need to watch the men of Company G very closely. As it was, they had a very close call from being defeated by them Saturday afternoon.

Following are the scores of Saturday in detail:

COMPANY F.	
Johnson	4455445554-45
Hanevold	4544554444-44
Devauchelle	4445444444-43

Butler	4334353344-38
Johnson	5455044443-38
Vida	5444334335-42
Total	314

Two of the Company D men got tired and failed to turn up at the proper moment, so only eight men shot. Even if the two had turned up, it is not likely that they could have made 49 a piece, since that would have been necessary to even the Company F's score of 412. Burnette, with 43, made the highest score for the D men.

Private Joseph Morse, of Company G,

had the bad luck to get a split bullet, which gave him a goose egg as a start. Then he made five 4s and a 5, another 4 and then two 5s to end up with. Trying another shot, he made a 4. Could this have counted the G team would have tied that of F Company.

Private Luahiwa, of Company F, and Private Joseph Morse, of Company G, each made 46, the highest scores of the day. Lieutenant Rose, of G, and Sergeant Johnson, of F, came next, with 45.

The next match for the Marlin trophy will come off six months hence, unless in the meantime other arrangements are made.

The most exciting game of baseball played on the Makaiki grounds for several years took place on Saturday, when the Stars and Regiment's contested. The grounds were in poor condition, owing to the mud in the base lines. Several times during the game the rain came down hard but the boys stuck to it and played well. Considering the fact that Duncan got out of the hospital only a few hours before the game was called, and O'Connor was so ill the night before that the services of a physician were necessary, it is wonderful that the Regiment team succeeded as well as it did. Babbitt pitched through seven innings and if he had been allowed to finish, it is possible the result would have been different. The Stars put up a good game but they were out played and the Regiment's held them well.

Gorman and Moore excelled themselves behind the bat and at second base. The way Gorman put the ball to Moore called forth frequent applause. Gorman caught a good game until the eighth inning, when the Stars piled up six runs. In the beginning of that inning an accident happened to his trousers and he was obliged to change with Hennessy. The accumulation of the runs then may be attributed to Hennessy's pants or Bowers weak pitching in this inning. In the absence of a barrel, Hennessy remained under cover for the rest of the game. Davis at third was clearly off his feet. His two errors in the seventh inning gave Mhuka a run. Luahiwa did well at the bat, in one instance bringing in three men and in another two.

If the Regiment's will play as good a game hereafter as they did yesterday the baseball penant for 1897 will float over the Barracks. Following is the score by innings:

1	2	3	4	5	6	7	8	9	
Stars	0	1	2	4	0	1	6	0	14
Regiment	3	1	0	1	2	3	3	2	x-15

NATIVE PASTORS.

Closing Days of the Regular Annual Meeting.

The annual meeting of the Hawaiian Evangelical Society was finished yesterday, and the many pastors who attended may well be proud of its success.

On Saturday, in the basement of Kawaiaho Church, was given the native Sunday School luau, given annually in connection with the meeting of the Evangelical Association. Previous to this, however, and beginning at 10 o'clock in the morning, came the exercises of the various native Sunday Schools of this island. The attendance was large, but the exercises a bit too long to suit the majority. In the audience was a goodly sprinkling of foreigners.

The exercises over, all repaired to the basement where 16 long tables, covered with native dishes of all kinds were set. One of these was arranged especially for the foreigners, and so well was it patronized that it was necessary to set it twice.

Late in the afternoon the pastors, Sunday School children, parents and friends, went out aboard the U. S. S. Philadelphia and spent an hour or so of unalloyed pleasure in roaming about the decks of the warship and examining in the various implements of war.

On Sunday afternoon, in Kawaiaho Church, the pastors had communion. Among those who joined with the natives were Chinese and Japanese pastors.

Many of the native pastors will return to their homes this week.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. Va., and one of the most widely known men in the state, was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured. MISHAPS CHAPTER

Many Misfortunes Mark the Week in Hilo Town.

SERIOUS AFFAIR AT HAKALAU

What Caused Chinese Laborer's Death.

Coroner's Jury Will Decide—Preparation for Diamond Jubilee Celebration.

HILO, Hawaii, June 4.—The old saying that "misfortunes never come singly" has once again been verified in a chapter of accidents your correspondent has to record this week. The first unfortunate occurrence was where John Austin, a brother of H. C. Austin, was severely injured about the face by a kick from a horse. This happened on Monday night of last week. During the night Mr. Austin was disturbed by hearing some horses in the garden, and upon going out to drive them off he came directly upon one in the shadow. The frightened animal started with a kick and landed his hoof squarely on Mr. Austin's face, causing a compound fracture of the nose, besides numerous bruises about the face. Dr. Williams dressed the wounds and set the badly-disfigured member of the face, and in a day or so the injured man was about his business again, though still considerably bandaged.

The following evening Dr. Williams was called to attend the 7-year-old son of Mr. and Mrs. E. Fuhr, who had been badly burned about the face and hands. The little fellow was on the bed playing with matches, when the mosquito net took fire. The flames spread rapidly to the light clothing of the child, burning him badly. The child will recover.

On Friday and Saturday runaways were the order of the day, the liveliest being a team attached to a heavy wagon loaded with lumber, belonging to Dr. Hutchinson and Mr. Gamalidson of Kaunama. Something frightened the animals while they were left feeding near the Hilo Mercantile Company's place of business, and with mad fury the team dashed along Front street until progress was impeded by contact with a telephone pole, resulting in a smashup of the pole.

A Japanese at Pepekeo was severely kicked in the face by a fractious horse, and a son of Leon Malterre, of the Excelsior Soda Works, at Onomea, had a serious fall by which his nose was badly smashed.

As if to cap the climax of the several minor accidents, reports of the tragic death of a Chinese laborer at Honolulu came in on Monday. The case has called forth considerable free talk as to the cause of death, and Mr. Chalmer's head luna, together with Mr. Hickey, field luna, were arrested, and are under \$2,000 bonds each, awaiting the decision of the coroner's jury, which completed its work of listening to the testimony last night. That evidence is in the hands of the court stenographer at present, being prepared for review, and the decision of the coroner's jury will be rendered Monday. The testimony of the lunas is an attempt to prove that the deceased Chinese had been ill and died of natural causes, while the dead man's countrymen, who labored and lived with him, claim that he died from the effects of being beaten and kicked by Luna Hickey. Manager George Ross and Bookkeeper Harry Patten threw but little light upon the case by their testimony, having known nothing of what might have happened until evening, when the gang reached Hakalau bearing the dying man. He died soon after reaching Hakalau, and Tuesday the body was brought to town, followed by more than 100 Chinese from Honolulu. An autopsy was held, but no disclosures as to results have been made public.

Baseball is being revived with much earnestness among the several teams since the organization of a league. It is proposed to begin the sports of Jubilee day with a game between a native and a white team, the winning team to come into possession of individual medals for the nine players.

A complete program of sports for the Jubilee celebration has been arranged, consisting of yacht race, horse races, running, jumping and bicycle

races, putting the shot, etc. Several hundred dollars will be spent for prizes and medals. The luncheon will be served by O'Rourke of the Club Restaurant, and the ball will be given at Spreckels' hall.

Several new yachts will enter for the cup, provided by the sports committee. H. S. Pratt utilizes his evening hours in building a "flyer" that is sure to win. Captain MacDonald and E. E. Richards are rigging up a boat that they calculate will give all the rest a close call, and C. W. McFarlane's "Juanita," which is to be raffled off next week, is said to be the winner.

L. T. Grant, who had five chances in the bicycle raffled off last week, won the wheel. It was promptly sold to Otto Rose, who failed to win on the 10 tickets he held, but was bound to have the "bike."

The "Cup and Saucer" dance, given by a number of the young men, as a compliment to the ladies, who tendered the "Bon-Bon" social, was a decidedly pleasant affair. About 40 were present, and indulged in dancing for a few hours. Partners for the first waltz were secured by matching cups and saucers, provided by the gentlemen, the ladies coveting the souvenir of the occasion.

The bi-weekly meeting of the Monday Evening Whist Club found it pleasant to assemble at the home of Mr. and Mrs. J. A. Scott, Wainaku Lawns, this week. A matter of business was transacted by the members before starting the game, and later delicious refreshments were served. Mr. Kennedy entertains next time.

Mrs. Pratt entertained a few friends at whist last Monday evening. Memorial Day was duly observed by a large number of people last Sunday. Rev. Hall conducted the exercises of the day, consisting of appropriate addresses by Dr. Wetmore, Attorney Wise and H. C. Austin. Kind and loving friends of the departed dead decorated the graves during the afternoon and the large concourse present decided to commemorate the event next year in a fitting manner, a committee being appointed to arrange matters for the day of decoration.

The activity in Puno real estate is becoming quite marked. E. D. Baldwin's pretty new house makes a fine appearance on the hill. Other places are being prepared for cottages. Mrs. Baldwin and Mrs. J. Turner spent several days in Olan last week at the Baldwin coffee plantation. Miss Cunningham expects to leave for the Coast for three months' vacation. She will sail on the Roderick Dhu.

Willie Rowland goes to Honolulu today, and will return with his mother and family, who intend locating here. Charles Hitchcock has accepted a position at Kukuila as manager of the new sodas.

J. W. Mason and family are domiciled in the H. C. Austin cottage. Joseph Canario expects to build a fine dwelling on his two-and-a-half-acre lot on the Volcano road.

Mr. Michalitschke and daughter, of San Francisco, are stopping with Mr. Peck at Olan. They will visit the Volcano before returning to Honolulu per steamer Mauna Loa.

Mrs. W. L. Rose and Miss Anna Rose go to Honolulu for a few weeks' visit.

The bark Annie Johnson left port Tuesday morning with sugar from Waiakea, Wainaku, Pepekeo and Hakalau plantations and Portuguese Sugar Mill Company, besides hides from Hilo Mercantile Company.

EARL OF HARDWICKE DEAD.
Formerly Controlled the Household of Queen Victoria.
LONDON, May 18.—Charles Philip Yorke, fifth Earl of Hardwicke, is dead.

The Earl of Hardwicke was born in 1836, and succeeded to the title in 1873. He was formerly controller of the Queen's household and master of the hounds. He married the younger daughter of Earl Cowley, the result of the union being a son, for whom the Prince of Wales stood sponsor, and two daughters.
