There are four more foreign jury criminal cases.

The December term of this Court will probably close by Friday, and the town lawyers will return to Honolulu on Friday, arriving in Honolulu Saturday morning, a day ahead of the regular time of the steamers.

A number of the Galicians who were ordered to return to work last Friday by the District Magistrate have again refused to do work and have again been arrested, tried and convicted and have been sent to Lahaina jail. The hearing was had before Magistrate Kahalelo.

LOCAL BRIEVITIES.

The bark Alden Esse discharges at Brewer's wharf.

The Island Board of Equalization is sitting at the Tax Office in the Judiciary building.

Armstrong Smith has gone to Hawaii for a vacation. His hard work at Chicago was too much for him.

Capt. Milnor has filed with Consul General Haywood a statement to the effect that the S. S. City of Columbia was practically abandoned on the 12th inst.

Minister Damon, for the Republic of Hawaii, made an official call yesterday on the Russian Grand Duke Cyril. Paul Iesenberg accompanied the Grand Duke on a visit to Ewa plantation.

The Chinamen who congregate at the store corner of Nuuanu street and Paoua Road have been amusing themselves in the early evenings of late by firing off roman candles. Several horses have been badly frightened and lady drivers are objecting strongly.

The Kona-Kau steamer Mauna Loa docked at Fort street at 4 o'clock yesterday afternoon, reporting fine weather and some rain in Kau. Honuapo is cleaned out. The Nosaia left Hamakua on Monday evening for Kau and will take cattle Thursday morning. The Mauna Loa brought a full load of Kau sugar and some coffee from Kona. On deck there was a lot of cattle from Greenwell's ranch.

Japanese Railway Fares.

If we may believe the Yordozu Choho, says a foreign paper of Japan, the Government is inclined to consent to a proposal by the Railway Bureau to raise the passenger fares on the Government railways. The Railway Bureau proposes to raise the rate from 1 sen a mile to 1.2 or 1.25 sen per mile on journeys for less than 50 miles, beyond which the rate will be progressively lowered to 8 or 9 rin per mile. It is hoped by this means to increase the railway profits and with the increased returns extend and improve the railway system. The net profit for the present fiscal year was estimated at some 5,400,000 yen, but the general rise in prices is expected to reduce this by 2,000,000 yen.

MILITARY BALLOONS.

Thomas C. Boone, one of the three men who made ascents in the war balloon at Santiago, in telling a Boston audience of his experiences said: "Newspaper correspondents and magazine writers have condemned the balloon, but in my opinion there can be no question of the value of the balloon in warfare. We were able to locate the enemy, and in one particular instance undoubtedly saved many lives when we informed our men of a body of the enemy about 300 strong hidden in the pass on the slope commanding a narrow path up which our men were about to march."

WHAT CUBA'S LOSS MEANS TO SPAIN.

The loss of Cuba means to Spain the loss of the very sustenance of the nation. Already her tax-ridden people are crying for bread. In the same way the loss of your once vigorous appetite means poverty and starvation to your body. If any reader of this paper wishes to be as hungry again as when a child, and wants to fully enjoy hearty meals, drink Seattle beer. It cures indigestion and dyspepsia. On tap or in bottles at the Criterion.
