

AEOLIAN

I often come home from a long piano recital so hungry for real music that I have to sit down at my piano and play a Chopin prelude to appease the craving; or I come home from a symphony concert so starved for orchestral expression that I have to sit down and play a piece on my Aeolian, which, I say it in all seriousness, can be played with infinitely more expression than one hears at a majority of concerts by professional "artists."

That is what a great musical critic thinks of the famous Aeolian.

Minerva Mirillo.

The new effervescent aperient for the Liver, Blood and Stomach. Invaluable for persons of sedentary habits.

SOLD EVERYWHERE.

Minerva Mirillo

Is a mild and pleasant, but exceedingly effective aperient, keeping the blood pure, regulating the liver, clearing the complexion, removing gouty matter from the system, and generally warding off disease. Made from, and containing all the valuable properties of, ripe fruit. Prized by travelers, seafaring men, and residents in hot climates. A sure preventive of diarrhoea, and a delightful invigorator of the constitution. When used simply as an effervescent beverage, it has most salutary results. Valuable for all persons of sedentary habits, removing depression and head affections, and generally bracing up the nervous system.

NEW YORK, June 8.—It is reported here that the old revolutionary party in Cuba is again in a state of activity, and that, unless there are assurances of independence, there will be a movement toward the formation of a revolution.
