"There are None So Blind as Those Who Will Not See."

There are some people who cannot be convinced that white is white and black is black, because they are determined to have their own way about it. Very good. Such people go through life missing the great truths and the greatest happiness as well as comfort. There are others again who are convinceable. It is to the men of this class that we like to talk about the merits of our clothing.

They are better than nine-tenths of the made-to-measure clothes turned out in this city and the equal of the other tenth. Alfred Benjamin & Co.'s clothes cost about half the price of made to order clothes and have every desirable attribute of the very best made to measure garments, besides embodying many unmatchable features strictly their own. That is why we say investigate the merits of the clothes bearing this label before going to a tailor. You risk nothing and stand to win a lot.

AFTER 50 YEARS

Farewell Address of President Dwight of Yale.

Good-bye to Students and the College-Touching Expressions from the Veteran.

NEW HAVEN, Conn., June 25.—President Timothy Dwight, the venerable retiring president of Yale University, today preached his last baccalaureate sermon before graduating classes of the academic and scientific departments.

At the close of the sermon President Dwight addressed a valediction in the most solemn and impressive manner. His voice often choked with emotion. His words were:

"And now, my fellow students, and may I not almost say my classmates of the class of 1899, let me ask you to rise. The words which I have spoken to you have had a very personal meaning. So much of the personal was there in them that they may have seemed more adapted to a friendly conversation than to be presented to you in a large public gathering. But the occasion must be the reason for giving them to you here. I can scarcely find it possible to speak to you in any other way. You are, with me, leaving the university. You and I go forth together, you the young brothers, and I an older. But you are all of us going forth into a great and glorious brotherhood. Fifty years separate us in point of graduation, but in this brotherhood there is no separation, for we are all members of a great college home. You stand indeed at the end of your college careers, with much faithful spirit, much of energy, and with many pleasant anticipations. But for me the summer day has passed into the late afternoon. For you it is still morning.

"I have tried to speak to you of what life teaches, and of that loving Father who orders our life's movement for us. I have not told you anything of sorrow and of disappointment. They will meet many of you, and some of you possibly many times. The costs and results of them you alone will know. But you will find, as the years go by, that they are helpful to the upbuilding and to the glorifying of the soul within you, and that the Divine Father, if you trust to His undying care, is ever leading you out of darkness into the sunshine of his love. When the clouds of the summer day pass away they leave the sky the brighter. "And so I bid you farewell. May the closing day and the sunshine at the end of it be filled with beautiful light, and may the closing twilight season bear thoughts and hopes of the better and the happier life beyond. May your testimony and mine unite together as it comes from our personal experience in the words of Psalm's song about our loving God and Father who 'maketh the outgoings of the morning and evening to rejoice.'"

RETURN OF TROOPS.

California, Nebraska and Tennessee Volunteers. WASHINGTON, June 19.—Gen. Otis has cabled the War Department as follows: "MANILA, June 19.—Adjutant General, Washington: Sherman arrived this morning. Sixth Infantry leaves for Iloilo to relieve Californians at Negros. The transport Indiana, with 134 officers who were discharged as sick, with civilians, left for San Francisco, via Nagasaki, yesterday. The Hancock and Sherman, with Nebraska, Pennsylvania and Utah troops, leave for the United States as soon as the troops can be placed in readiness. The Californians will leave as soon as collected. Colorado is to follow on the first available transport. OTIS."

BUSINESS IN CUBA.

WASHINGTON, June 24.—American rule for Cuba will continue for some years to come, an official with whom I discussed the question said, and the United States will certainly not leave the island until the people are able to govern themselves. Therefore, the thinks American capitalists need have no fear of their interests not being fully protected.

It has been a matter of remark for some time that English and German investors have been placing considerable capital in Cuba and that Americans have hesitated to follow their example. According to an official with whom I talked, their hesitancy is due to the apprehension that the future government of the island will not be stable and that in consequence their property interests will depreciate.

COLLEGE ROWING.

POUGHKEEPSIE, N. Y., June 26.—The four-oared race over the two-mile course today was won by Pennsylvania. Time, 11 minutes and 12 seconds. Cornell was second. Time, 11 minutes and 34 seconds. The freshman eight-oared race between Pennsylvania, Columbia and Cornell over the two-mile course, was won by Cornell. Time, 9 minutes 55 seconds. Columbia was second, and one-quarter boat lengths behind Cornell. Time, 10 minutes. Pennsylvania was third, three boat lengths behind Columbia. Time, 10:10.

AUTOMOBILE LIVERY.

PARIS, June 25.—Not every one who takes a fancy for automobilism desires to own a machine at once. This fact has been taken advantage of by what

may be called "the modern livery stablemen," who let out automobiles to the public. It is marvelous how this industry has spread in Paris. If you wish to go out for a ride in the Bois or shopping "en automobile," all you have to do is to telephone for one of the "louers," and in a few minutes you have a well appointed and luxurious automobile at your door, with a smart conductor in charge, who will whiz you through the street to whatever place you desire to go.

FILIPINOS SUPERIOR TO CUBANS.

MILWAUKEE, Wis., June 26.—Brig. Gen. King, who returned from the Philippines a short time ago, in a letter to the Milwaukee Journal, published today, states that the capacity of the Filipinos for self-government cannot be doubted, and if given a fair start they could look out for themselves infinitely better than our people imagine. He says they rank far higher than the Cubans or the uneducated negroes, to whom the United States has given the right of suffrage.

KANSAS HAS MANY SICK.

KANSAS CITY, June 26.—A special cablegram to the Star from Manila via Hongkong, June 25th, says: "Capt. Clark, Capt. Watson, Lieut. Ball and 200 sick and wounded from the Twentieth Kansas Regiment have been sent home. Only 450 men are still doing duty. These are on the firing line. The other members of the regiment are relieved from duty on account of sickness."

YOUNG CRICKETER'S FEAT.

LONDON, June 26.—A. E. J. Collins, the fourteen-year-old Clifton College cricket player, concluded his remarkable inning today, scoring 598 runs and not out. Collins on Saturday made the marvelous score of 501 runs and not out within five hours, during which time he only gave three chances. His performance has caused great enthusiasm in English cricket circles.

IS IT RIGHT

For An Editor to Recommend Patent Medicines? From Sylvan Valley News, Brevard, N. C.

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by all dealers. Benson, Smith & Co., Ltd., agents for H. I.
