Minerva Mirillo.

The new effervescent aperient for the Liver, Blood and Stomach.

Invaluable for persons of sedentary habits

SOLD EVERYWHERE.

Minerva Mirillo

Is a mild and pleasant, but exceedingly effective aperient, keeping the blood pure, regulating the liver, clearing the complexion, removing gouty matter from the system, and generally warding off disease. Made from, and containing all the valuable properties of, ripe fruit. Prized by travelers, seafaring men, and residents in hot climates. A sure preventive of diarrhoea, and a delightful invigorator of the constitution. When used simply as an effervescent beverage, it has most salutary results. Valuable for all persons of sedentary habits, removing depression and head affections, and generally bracing up the nervous system.

A CONTEMPT CASE

Chinaman Disobeys Court Injunction.

Judge Perry Sentences Him to Fifteen Days' Imprisonment as a Lesson in the Future.

Sow Hee, a Chinese, was sentenced to fifteen days imprisonment by Judge Perry yesterday for contempt of court. He is one of the defendants in the case of Ung Lin et al. vs. Leong Hoo et al. in which Judge Perry on July 12th granted an injunction restraining the defendants from diverting certain water used by plaintiffs on Mondays of each week from 3 to 6 p. m., and from interfering and meddling with the use of the plaintiffs of said water until the further order of the Court.

The affidavit on which the proceedings for contempt were based states that on Monday last after being served with a copy of the injunction the defendant Sow Hee violated the same by breaking the dam of the plaintiffs, thereby diverting the water and appropriating the same to the use of the defendants.

At the hearing yesterday afternoon the Court found the defendant guilty of contempt and sentenced him to fifteen days imprisonment.

SICK FROM CANNED COFFEE.

Thought They Had Got the Plague From the Nippon Maru.

On the morning of July 12, says the San Francisco Bulletin, the steamer Caroline, in charge of Captain W. S. Leale, proceeded to Angel Island and took off the steerage passengers of the trans-Pacific liner, Nippon Maru. The passengers were landed at Jackson street dock early in the forenoon, and the Caroline remained at the wharf until noon.

Shortly after lunch five of the Caroline's men were taken quite sick. It was considered quite strange that the deckhands should be ill after having transferred passengers from the alleged "plague ship." Their illness is believed to have been caused by eating canned stuff, and cannot be attributed to contact with the quarantined persons.

The men who were taken sick drank coffee from tins, and this is supposed to have made them ill. They will all recover.

THE AMATEUR ORCHESTRA.

Some of the Talent Which Has Already Volunteered.

The arrangement of the program for the Amateur Orchestra concert at Progress Hall Tuesday evening, August 1, is progressing. Mention was made yesterday that Mrs. Annis Montague Turner would sing. There will also be a recitation by Mrs. James W. Bergstrom, a post graduate of the Emerson College of Oratory, Boston. This lady's work is highly spoken of by the New England press. It is also a pleasure to announce that there will be a baritone solo by Mr. J. B. O'Sullivan, who is a brother of the celebrated Denis O'Sullivan, now singing with much success in San Francisco.

BITS OF HUMOR AND STERLING FACTS.

"Is Mrs. Barkis on your calling-list, Mrs. Montmorency?" "Yes; but not on my visiting-list. We call the telephone book our calling-list now."

The Sterling wheels are in the lead! Horses for racing purposes, or most any other, are in comparison to the Sterling. One of these handsome, up-to-date wheels is "a thing of beauty and a joy forever." The joys of an open-air existence and a spin on one of the built-like-a-watch wheels is a pleasure worthy of a king.

"With all my worldly goods I thee endow"—He stopped short—his strong brain seemed to reel—

"At least with all of them"—he stammered now—

Editor—"Did you write these jokes yourself?" Manager P. C. & M. Co.—"Yes, sir." Editor—"You must be older than you look."

Don't ride a wheel unless it's a good one. Don't pay more than a wheel is worth. Don't take chances on an unknown make. Go to the Pacific Cycle and Mfg. Co., on Fort street, and buy a Sterling bicycle that has a reputation.

More Honors for Koebele.

California's State Board of Horticulture has appointed Prof. Koebele to go abroad to collect and import into that State for general distribution parasitic and predaceous insects. Prof. Koebele appeared in person before the Board and was warmly received by them. Accompanied by Geo. Comper, an expert entomologist of Los Angeles, he will arrive in Honolulu shortly on his way to the Fiji Islands.
