Council of State Passes On Bills.

Item for \$75. Damages Raises Important Questions--Committee For Health Board Accounts.

President Dole called the Council of State to order yesterday afternoon at 3 o'clock, and the minutes of the previous session of the Council were read by the secretary and approved.

Petition of John K. Frendergast and others was referred to the Executive Council.

Damon offered the following special act for appropriation of monies to the Council, action on which was taken in the forenoon by the Executive Council: "Voted that the Executive Council recommend to the Council of State the appropriation of \$240,000 to be placed to the credit of the fund for the suppression of bubonic plague, under an Act entitled 'Special Act of the Council of State, No. 6.'" Referred to special committee.

President Dole appointed Councilors Kennedy, Achi and Allen to serve on the committee.

Gear reported additional progress on the report of the Committee on Interior Department, but asked for further time.

Upon motion of Robertson the Council then took up the items of Act 2 contained under the heading of Department of Finance. The total of \$88,000 was passed upon a reading of both the items and the committee's report thereon. The Postal Bureau items amounting to \$18,552.30 were also passed in the same manner without comment. An item of \$1,232.32 for incidentals, Customs Bureau (unpaid bills, 1899), was also passed.

The item of \$75, for "Damage done to ship 'Santa Clara' by the carelessness of the Assistant Harbor Master in docking the ship to the Railroad wharf," aroused the bone of contention of the session. Mr. Jones said from his investigation it was his belief the damage was accidental and not due to carelessness. Mr. Gear asked if the ship had been half or entirely destroyed by an accident, whether the government would have to pay for it. Robertson raised the question of the vessel's insurance. If insured the owners had probably collected the amount already from the insurance company. "We had a \$2,000,000 fire by accident in Chinatown a short time ago. If we are going to pay for items of this kind, due to an accident, we will also have to be paying for the results of that accidental fire. I think it would be a shame to pass such items as this."

Mr. Cooper did not believe the government should pay the item.

The ayes and noes being called the motion to pay the item passed by a vote of seven to five.

At this juncture Mr. Achi jumped to his feet, exclaiming, "I challenge the right of any Minister of the Cabinet to ask that any item be stricken out of the bill."

Cooper: "I hardly think the matter is worth debating. We can change our minds. My point yesterday was that new items could not originate with the Council of State without the recommendation of the Executive Council. I don't see why we cannot discuss any item in a bill."

President Dole: "I shall have to rule against you Mr. Achi. There is no reason why the Ministers cannot change their minds."

Achi: "If that is the case the Ministers will be fighting each other in the Council."

Item of \$2,000 for incidentals, Customs Bureau, was passed, making a total of \$5,307.32.

Under the head of Department of Attorney General, Act 2, the full amount of \$20,000 was passed without question. Under Department of the Judiciary, Act 3 items amounting to \$4,500 were passed after considerable discussion as to the salary of acting judges of the circuit courts.

Mr. Damon moved that item of \$2,880 salary of Second District Judge for Honolulu, and item of \$1,800, salary of interpreter be inserted as 11a and 11b respectively. Carried.

In the same act, under the caption of Department of Attorney General, items for \$35,000, covering pay of police on Hawaii, Maui, Kauai and Oahu were passed. An item of \$10,000 pay of jailors, guards and lunas of prisoners was debated upon. Mr. Cooper explained that the item was inserted by reason of requests of Sheriff Andrews of Hawaii. Mr. Robertson stated that the Marshal was saving \$100 a month out of the fund already appropriated, there being also an unexpended residue of \$2,000 as well. Mr. Cooper requested that action on the item be deferred until he could thoroughly investigate the item.

Items of \$2,500 under Department of the Judiciary, Act 2, were passed. The Council then adjourned until 3 o'clock Monday afternoon.

News of the Courts.

The Portuguese Mutual Benefit Society of Hawaii, a corporation, has filed an answer to the suit of Virginia Gomes, who asks for a bill of accounting and the cancellation of a promissory note for \$400. The society refuses to pay Mrs. Gomes \$899, a death benefit due, her husband having been a member of the society at the time of his decease. The society claims an offset in the sum of \$400, the amount of a note.

The bark C. B. Kenney has discontinued its suit in the matter of 1,659 tons of coal, which has been pending in the Circuit Court.

A. M. Brown has dropped the suit he brought against A. Spillner in the Circuit Court.

The suit of H. A. Vavricka against A. Spillner has been settled out of court, as has also the suit of Louis Maras against the same.

Lee Tit has sued Chung Fook in the Circuit Court claiming \$500 damages for having taken possession of certain real estate, the alleged leasehold property of the plaintiff.

Pure, Rich Blood

Gives Appetite, Tones Up the Nerves.

When the blood is bad everything is bad. There is loss of appetite, great depression, the nerves are weak, no energy, the face is pale, and there is loss in flesh. Mrs. Annie Power, of Spring Hill, Brisbane, Queensland, sends us her photograph and says:

"I have suffered greatly from loss of appetite, great weakness of the nerves, thin blood, and from the trying climate of this part of the country, especially during the summer. I have used

AYER'S Sarsaparilla

with perfect satisfaction for these troubles. Other members of my family have taken it and many of my friends. I believe it to be the best family medicine there is in the world."

If you are constipated, bilious, tongue coated, or if your food does not digest well, take Ayer's Pills.
