No Band for Republicans.
The Hawaiian band did not play at
the Republican convention as has been
announced, and the regular concert was
given at Emma Square last evening.

Berger was willing enough to
perform the music for the Republicans,
but on consulting with Governor Dole
he decided that it would not be ad-
visable to permit the band to play at
the convention. The band is a public
property, supported by the people,
and it is not fair to play for one political
party and not for the other, particu-
larly as both parties were holding
concerts on the same day.

GOOD WORK OF THE DELEGATES

by one of its leaders echoed the stir-
ring nomination speech of the man
who placed the stilted Hawaiian's
name before them, and in the end, with
one mighty shout and with enthusiasm
such as Honolulu has rarely known be-
fore, a unanimous vote was cast for
Parker as nominee for Congress.
The Convention before adjourning se-
lected its Territorial Central Commit-
tee. The names of the committeemen
were proposed and offered by each dis-
trict in turn, and they represent a
good set of men. There was no discus-
sion over their merits and everyone
seemed satisfied with the personnel.
In the afternoon, the most important
work accomplished was the Republican
platform. From beginning to end it
had the earnest support of the dele-

gates. There was no dissension. Har-
mony prevailed throughout. The pas-
sage of the planks of the platform, one
by one, was hailed with enthusiastic
outbreaks.

chosen last night will meet this morn-
ing in the Republican campaign rooms

fect its permanent organization and se-
lect its officers.

luku. W. J. Lowrie of the Third Dis-
trict (Maui) moved the nominations close
and that the election of Mr. Hendry be
made unanimous. The chair announced
the selection of Mr. Hendry as his right-
hand man during the preliminary affairs
of the convention and the gentleman took
his seat on the platform.

A. B. Loebenstein of the First District
moved that the chair appoint a commit-
tee on credentials consisting of one
member from each representative district.
The committee was appointed as fol-
lows: A. B. Loebenstein, First District;
H. L. Holstein, Second District; M. H.
Reuter, Third District; Andrew Brown,
Fourth District; George F. Renton, Fifth
District.

Upon motion of Judge Kaulukou a re-
cess for five minutes was taken to allow
the committee to make up its report. In
the time specified Mr. Loebenstein, chair-
man of the committee, reported as fol-

Republicans of the Territory of Hawaii
have selected Samuel Parker as

the delegate to the Fifty-sixth and
Fifty-seventh United States Congresses.
He was chosen by the Republicans

at Washington, D. C., and to herald
the name of Hawaii as one of the new
possessions of the United States.

nearly a hundred delegates from Ha-

districts of Hawaii. Six districts were
nominated by placards, commencing with
the First and Fourth directly in front of the
platform; next in order were the Second
and Fifth, and lastly the Third and
Sixth.

Some surprise was manifested when the
seats of the Sixth District were found to
be vacant. Not a member of the Republi-
can party from the Island of Kauai was
present. Not a proxy was received and
Kauai showed plainly that those who
represented the Republican party in the first
Republican convention held last May had
backslided and left their party in the
lurch. The following notation on the
slip containing the official list of names
of delegates evidenced the lack of sup-
port which the party leaders have to ex-
pect from their Kauai brethren:

"Sixth Representative District (Islands
of Kauai and Niihau)—Entitled to 12 de-
legates; no official advices of any being
elected."
I promptly at 10 o'clock Chairman George
W. Smith called the convention to order.
"Gentlemen: The second convention of
the Republican party of Hawaii will now
please come to order. The first business
will be the election of a temporary chair-
man."
D. Kahaulelo of the Third District im-
mediately arose and presented the name
of Judge J. L. Kaulukou of the Fifth
District. The nomination was seconded
by Mr. Johnson.
George Hons of the Third District
(Maui) nominated Mr. H. P. Baldwin. A
second was found in Harry T. Mills of
the Second District (Hawaii).
C. B. Wilson of the Fourth District
moved that the nominations close. The
motion was carried unanimously.
George Hons moved that a rising vote
be taken on the nominations.
The clerk counted the rising vote for
Judge Kaulukou, followed by that for
Mr. Baldwin. As the chair was about
to announce the result of the count, which
was clearly in favor of Mr. Baldwin by a
large majority, Judge Kaulukou graciously
called the chair's attention to the fact
that Mr. Baldwin's election should be
made unanimous. Mr. McCandless of the
Fifth District thought the same way, and
Mr. Baldwin was declared elected by the
voice of the entire delegation present.
Chairman Smith appointed D. Kahaulelo
and Judge Kaulukou to escort the
temporary chairman to the platform. The
new chairman was introduced to the re-
tiring presiding officer, and the former at
once called for the order of business.
There was no demonstration over his
election. Mr. Baldwin checked any such
purpose by at once proceeding to call for
the order of business.

The chair asked for nominations for a
temporary secretary. C. B. Wilson nomi-
nated E. R. Hendry, the present secre-
tary of the Central Republican Commit-

PLATFORM Of the Republican Party of the Territory of Hawaii.

PREAMBLE.
Hon. H. P. Baldwin, Chairman.—Sir: Your committee on platform beg to sub-
mit herewith a draft of a platform which we recommend for adoption.
Respectfully submitted,
H. P. BALDWIN, W. C. ACHI,
C. R. BLACOW, JAS. H. BOYD,
A. G. M. ROBERTSON, D. KAHAULELO,
W. O. AIKEN, ED. FRASER,
HARRY T. MILLS, CHARLES WILLIAMS.
The Republican party of the Territory of Hawaii in convention assembled here-
by make the following declaration of principles, to the support of which we and
our candidates are pledged:
We heartily endorse the platform of the National Republican party and the
nominations thereupon of William McKinley for President and Theodore Roose-
velt for Vice President of the United States.
We believe in the equality of all men under just laws of their own making
and we shall oppose any restriction or limitation of the suffrage which we now
enjoy under the Territorial Act.
We shall, as speedily as possible, endeavor to secure Statehood for this Terri-
tory.
We demand more speedy improvement of our harbors, wharfrage and landing
facilities throughout this Territory to meet the requirements of our rapidly in-
creasing commerce, and we shall strive to secure from the National Government
appropriations for the improvement of our harbors, the erection of public build-
ings and for other public needs.
We recognize the importance to this Territory and to the country of the con-
struction of the Nicaragua canal under governmental ownership and control, and
pledge our party's earnest and continued efforts to secure the early commence-
ment and completion of the work, and we urge upon the United States Congress
the prompt enactment of such legislation as shall secure the construction of the
Pacific cable.
We favor the employment on all public works of only qualified voters and citi-
zens of the Territory. We believe that eight hours should constitute a legal
day's work for all laborers, mechanics and other persons employed on public
works.
We recommend continued liberal appropriation for the maintenance and com-
fort of our unfortunate fellow citizens at Kalaupapa, Moiokei, in order that their
segregation may be as small a misfortune as possible.
We declare ourselves in favor of the extension of the homestead principle
and the prompt enactment by Congress of such law as will provide for the early
settlement and improvement of our public lands under the supervision of the local
authorities, and with the least difficulty and expense to the settler.
We favor the establishment of county and municipal governments as soon as
practicable.
We oppose all trusts and monopolies and all combinations tending to control
supplies and prices.
We advocate that a liberal allowance be appropriated by the Legislature for
the use and benefit of Liliuokalani.
We earnestly request the Congress of the United States to amend that por-
tion of the Territorial Act which provides that the English language only shall
be used in legislative proceedings so as to permit the use of the Hawaiian lan-
guage.
We favor the payment of all just claims for losses caused by the action of the
Board of Health in suppressing bubonic plague, and in this connection we urge
that the Congress of the United States should provide the means for such pay-
ment out of the customs receipts collected at the ports of this Territory.
We recognize the necessity of reforming our system of taxation, and to this
end favor careful consideration of the whole subject with a view to adjusting the
public burden so that it shall be least felt by the poor.
Relying upon the wisdom and support of the voters of the Territory of Ha-
waii and the guidance of divine providence, we shall earnestly strive to carry out
the foregoing declarations and to do whatever else may be necessary to perpetuate
upon our soil a "government of the people, by the people and for the people."

From the First Representative District

B. Loebenstein, chairman; C. B. Blacow,
Carl S. Smith, absent; M. V. Holmes,
W. H. Smith, Chas. Williams, Jas.

Waudeville and politics were mingled
at the district convention of the Demo-
crats at the Orpheum last evening. It
was rather hard to tell where the politics
ended and the vaudeville began, for
the proceedings savored of opera
bouffe throughout. "To keep the peo-
ple in a good humor during the recess,"
a number of the Orpheum stars had
been engaged and they danced and
sang for a half hour or more to the de-
light of the convention.

It was evident that the proceedings
were cut and dried. Scarcely any con-
cealment of that fact was attempted.
The nominations had been prepared be-
forehand by the politicians that control
the Democracy of the city. They had
even been set down on typewritten
sheets; everything went as had been
prepared beforehand. The men who
had been chosen to make the nomi-
nations sat in front close to the platform
and they gave out the names, consult-
ing their little leaflets at intervals,
while the mass of the convention sat
in the rear and took it all without protest.
From back in the house W. A.
Kinney ventured a mild remonstrance
to this sort of machine work, but even
then there was little modification of
the program and most of the nominees
were placed on the ticket by ten or a
dozen of the ring.
