Here Are a Few Timely Sayings
SUITABLE FOR THE SEASON.

A bargain in time is doubly a bargain.
A man's wardrobe is never too full of his.
Don't take our word for it. Come and see.
The Kash—that name stands for program.
Everything man or boy wears from here to here.
Keep your eye on our windows.
You'll not go astray.
You need not go any farther than right here for the best.
We're taking other folks' valuation all quoting our price for it.
Just as natural for us to lead in variety and value as it is for others to follow.
Some clothing is made to sell; some to wear. Some clothing is made for both. That is our kind.
Don't imagine that Kash shirts will never wear out. They will, but they

will last longer and fit better than other makes.
Throw off the worries of the day with your coat—take on the pleasures of an evening at home with a smoking jacket or gown.
The true test of hat goodness is not the price you pay, but the style, comfort and service you get. That's what makes our hats the largest value.
"Costly thy habit as thy purse can buy" is the maxim of the reckless. Our methods afford frugal men an opportunity to secure correct and excellent clothing without taxing their purses to the limit.
Cheapness doesn't mean merely little money—it means value for your money. We don't advertise cheapness because that doesn't express the facts about the Kash Breeches. We tell you that they are better in every way than these so-called cheap goods—then we say they don't cost any more.

DID SHE DIE OF POISON?

Miss Clara Schneider Is Found a Corpse.

WELL THE NIGHT BEFORE

Mystery of the Sudden Taking Off of a Young Woman To Be Probed.

Something of a mystery shrouds the sudden death of Miss Clara Schneider at Waikiki yesterday.

Miss Schneider was a young woman, about twenty-three years of age, who was employed in the family of Paul Neumann. The family has of late been staying on the C. L. Carter premises at Waikiki, near Sans Souci.

Yesterday morning Miss Schneider did not make her appearance as usual and one of the family went to the door of her room and knocked. There was no reply to repeated knockings, and the family finally becoming alarmed, the door was forced open.

The young woman was found lying upon her bed, fully dressed and apparently asleep. An attempt was made to awake her, but this proved unsuccessful, and Dr. Walters was immediately sent for. It was seen that something was wrong, and that the girl had probably been in an unconscious condition for some time.

Dr. Walters, upon his arrival, made an examination and did all in his power to bring the girl to consciousness, but with no success.

At five minutes after one o'clock yesterday afternoon she died.

Miss Schneider was in apparently perfect health when she retired Tuesday night, and was in good spirits. When she was discovered unconscious in her room, the door had been locked and she had removed none of her clothing, apparently having felt ill at the time of her retiring.

A post-mortem examination was held at the morgue at 4 o'clock yesterday afternoon. Drs. Walters and Emerson conducted the examination. Fluids of the stomach were given to the Territorial chemist, Dr. Shorey, for examination, as it is suspected that the death was due to poisoning. It is thought that morphine was probably the drug used. Whether the poison was administered by the victim herself, and with suicidal intent, is not known.

When the chemist has completed his examination the coroner's jury will return a verdict. The jurors viewed the body yesterday afternoon and have been discharged until called.

The funeral of Miss Clara Schneider will take place this morning at 10 o'clock from the undertaking parlors of H. H. Williams.
