A CONVINCING ANSWER.

"I hobbled into Mr. Blackmon's drug store one evening," says Wesley Nelson of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism, with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well, if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism."
