

COLLEGE HILLS.

The three most important things about a home are:

1st. Healthfulness.

2nd. Attractiveness.

3rd. Neighborhood.

As to the First:

College Hills has an elevation of from 150 to 250 feet; invigorating, cool air, directly off the mountain tops; large lots with plenty of breathing space. LESS HUMIDITY in the air than is found down town.

Perfect Sanitation.

As to the Second:

College Hills affords superb views of Diamond Head, Waikiki and the Ocean.

It also has the magnificent vista of Manoa Valley, "The Hawaiian Bit of Switzerland."

The great variety of contour in the ground, the winding streets and good quality of houses to be built, will make it unquestionably the

Most Beautiful Residence Section of the city.

As to the Third:

College Hills Deeds protect buyers from all dangers of Chinese Shacks and Japanese Shops, and limits suburb to strictly residence purposes. All houses cost a minimum of \$2,000.

The substantial class of people who have already bought insures you good neighbors. Property in such neighborhood always advances in price rapidly.

The Days of
Tight Belts
Are Over
Cling-Surface

"CLING-SURFACE" IS A BELT filler, which produces a clean, clinging surface on the belt after it has penetrated the belt, and it is a belt preservative, making and keeping the leather, cotton or rope flexible and elastic, vastly increasing its life. It also acts perfectly on rubber belts.

One-third more power is transmitted by its use, or in other words, a belt two-thirds as large will transmit the power if "Cling-Surface" is used.

VENICE IN AMERICAN MIDWAY, PAN-AMERICAN EXPOSITION

AGUINALDO IS
COMING LATER

Wants to Visit United States
and Study American
Institutions.

NEW YORK, May 25.—A special to the Tribune from Washington says: Aguinaldo is likely to come to the United States next fall and spend the winter in Washington. This information has reached the War Department in the mail from Manila. He has informed General MacArthur of his desire to visit the United States for the purpose of studying American institutions and meeting American statesmen with a view of being more useful to his own people in the future. No objection to granting this wish at the proper time has occurred to the authorities at Manila, who regard the proposition with marked favor. For the present, however, and until after the civil administration of the island is firmly established, it is not contemplated that Aguinaldo should be relieved from the restraint that is now regarded as a guarantee of his own safety.

It appears that Aguinaldo has been influenced to visit Washington by Judge Arellano, whose loyalty to the United States is unquestioned.

Another Army Scandal.

MANILA, May 25.—Captain Michael Spellman, Lieutenant Delbert R. Jones and Surgeon Dudley W. Welch, of Company G, Forty-third Infantry, stationed at Maasin, South Leyte, have been arrested on charges of trading in permits to ship hemp from the closed ports, and will be tried by court-martial. It has not been determined whether Manila hemp buyers are directly implicated.

Senator Hanna has been mustered into a G. A. R. post.

Earthquake in Italy.

TURIN, May 25.—A violent earth shock was experienced here, at Coni and elsewhere, at 6 o'clock this morning. Little damage was done, but the people were panic stricken.

MADRID, May 25.—An earthquake has occurred in Malaga. A number of houses were damaged and a panic was created among the inhabitants. Storms and floods at Puebla de Alcocor, province of Badajoz, have resulted in the loss of lives and injury to several persons. At Motrel, province of Granada, several houses were destroyed, and the inhabitants are panic stricken.

National Bank Robbed.

MADISON, Wis., May 25.—The First National Bank at Mineral Point was robbed of \$25,000 last night, the safe being blown open. There is no clew.

Botha and DeWet.

LONDON, May 25.—General Botha has asked General De Wet to meet him, says the Pretoria correspondent of the Daily Mail, to discuss the situation.
