ENTRIES ARE GOOD

SteamploUGH Not to Enter Free-for-All.

SOCIALIST WILL NOT FACE STARTER

All the Events Have Been Filled—Fair Fields Assured for the Running Races.

Last Friday Violin worked a mile in 2:23, last half, 1:08. This is the best work the mare has done since Judd took charge of her. He is changing his method of work, and the result so far is very satisfactory. It is probable that Violin will be taken to Hilo.

The colors of the Kealia stable are purple and yellow.

G. L. McKenzie has entered Waterfall by his own name, Merrill's Force.

Tom Hollinger's unknown proves to be Racery, a mare by Racine-Pottery.

W. Wolters has named his sorrel filly by Shenandoah-Idle Girl, Eileen.

Albert H., the Hawaiian-bred runner, which recently sustained an injury to a leg, was not so seriously injured as thought, and it a certain starter.

SteamploUGH is entered in all the harness races except the free-for-all, and as a consequence numerous scratches may be expected.

Socialist has not been entered in any races. The horse has not yet properly recovered from the effects of his voyage, and it would be extremely unwise to start him in his present condition.

G. S. McKenzie and Albert Horner came up on Saturday for the races.

On account of heavy rain not a single horse was tracked on Saturday.

The following officers for the coming meeting have been selected: Judges, C. Wilder, W. S. Withers, C. H. Durfee; starter, J. J. Hogan; clerk of the course, C. Cummings.

Yesterday Aggravation worked a mile in 1:47, and Weller a similar distance in 1:48. Weller went to the half in :55 1/2, and to the three-quarters in 1:21.

Wait-a-Little worked a mile yesterday in 2:31, last half 1:10. W. W. Wood, driven by Prince David, turned the track in 2:32.

MYRTLES HAVE GONE INTO CAMP

Healanis Will Follow Their Rivals to Pearl Harbor Next Wednesday.

The Myrtle crews went down to Pearl Harbor on Saturday for training purposes. They will occupy the house of Clarence Macfarlane and will remain at the Harbor until July 4th.

The pair oar and the two heavy shells have already gone down and the racing shell will go down this week. The following are of the party: O. Sorensen, W. H. Soper, G. Girvin, G. A. Martin, W. Lyle, P. Lisman, A. Giles, W. Armstrong, W. B. McLean, A. F. Judd, Wheeler and Smith, coxswains; G. H. Angus, quartermaster; A. A. Wilder, manager; a steward and a carpenter.

The men will come up to town every day and return to camp in the evening. Rowing will commence as soon as the boat can be launched and will continue until dark. After rowing, a rub-down will follow, then supper and "lights out" at 9 p. m.

The training will be done upon broad English ideas and raw beef and toast will not figure as the principal space-fillers. Instead, a liberal table will be provided.

The Healanis will go down to Pearl Harbor on Wednesday.

GAMES NOW TWO ALL

Oahu Equalized Matters Last Saturday.

STARS TOO GOOD FOR ARTILLERY

Old Timers Take First Game of the League Series—League Bars Professionals.

Punahou trimmed up Kamehameha again on Saturday to the pattern of 13 to 7. Each nine has now two games to its credit and the next game will decide the championship.

Castle pitched a great ball throughout the game, the curves of which the Kamites were unable to unravel. Punahou erred seven times and the Kams eleven, an unnatural coincidence.

During the game Harbottle collided with Perry and the former player sustained a dislocated shoulder.

The score:

STARS AGAINST ARTILLERY.

The Stars shone brightly as of old last Saturday at Kaplani Park; in fact, so brightly that they dazzled the military optics. The artillery played disappointingly and will have to improve wonderfully if they don't want to be presented with the league's wooden spoon.

The "old reliables" played anything but gilt-edged ball. The nine, lacked condition to a man, however, and with a little training the Stars should turn out to be one of the most formidable teams in the league.

The score:

Table with columns: Stars, Artillery, Two-base Hits—Stars; Davis 1, W. Wilder 1. Rows include Stars (2 1 3 6 0 1 1 4), Artillery (0 0 0 0 1 3 1 0 - 5).

TWO RECORDS BOKEN.

We note the impressive circumstance that on the every day when Northern Pacific common reached 1,000 in New York, the first edition of John Bunyan's "Pilgrim's Progress" sold in London for the record price of 1,475 guineas, or nearly \$7,500. There are in known existence only five copies of the first edition; time, chance and the devouring elements have effected this remarkable corner in Bunyan uncommon.—New York Sun.

A TECHNICAL DEFENSE.

Sue—You said you were going to marry an artist, and now you are engaged to a dentist. Flo—Well, isn't he an artist? He draws from real life!—Philadelphia Bulletin.

A SERIOUS COMPLAINT.

"What made you leave yoh place wif dat gemman?" asked Miss Miami Brown. "Didn't he pay you right?" "Yes," answered Mr. Erastus Pinkley. "He paid fus' rate. But his clothes was so out of style dat I was almost forced to keep out of society."
