BURGLAR FAILS TO LAND LOOT

A burglar made an unsuccessful attempt to rob the offices of the Hawaiian Electric Company Thursday night, and escaped only through the fact that there was not in the vicinity a police officer who could assist the watchman.

Entrance to the building was had through a window which is left open in the lavatory on the Waikiki side of the building. The glass was broken and the window let down so that entrance was easy. The burglar undoubtedly then went through to a window on the other side of the building and arranged it so that he could escape readily. These precautions taken by the man, for there was only one and he worked without any assistance seemingly, attacked the safe, which stands in the rear passage way. This is an old safe, which belonged to the ice company, and in which there is kept absolutely nothing. While he was at work on the combination he was spied by the watchman, who looked through the glass of the rear door. The watchman, suspecting the presence of an intruder, went to that side, so as to prevent escape the same way, but he made some noise before the arrival of anyone who could be of assistance, and the burglar escaped. The watchman did not see his face and could not identify him.

MIND READING ON THE STREET

Cunning, the great magician, will give the public demonstration of his wonderful mind reading test on Monday afternoon next, instead of on Tuesday as originally intended. It is announced for the benefit of those unacquainted with the nature of the test that Cunning allows a committee, selected by bystanders, to conceal an article some distance from the starting point of the experiment and at a place known only to themselves. On their return, Cunning, blindfolded, drives the party as fast as the horses can travel direct to the spot where the article has been hidden, going over the same route exactly as that taken by the committee.

There are, at the present time, very few who are capable of giving this great mind-reading exhibition, made famous by that celebrated exponent of mental telepathy, Washington Bishop, who is well remembered by many in the time of King Kalakaua. The test is such a strain on Cunning that a night's rest is necessary before he can again present his regular performance at the Opera House, whence the demonstration on Monday, so as not to interfere with Tuesday night's entertainment. The start will be made in front of Wall, Nichols Co.'s store, promptly at 3:30 on Monday afternoon, and will prove a revelation to those more or less familiar with mind reading, as well as astonishing to the ones who have never seen the experiment performed.

Monday afternoon will undoubtedly see King street crowded with spectators and none will be disappointed.

IT'S INDISPUTABLE.

Because it's in Honolulu and Can Be Investigated.

Like all statements which have preceded this and like all which will follow, the party interested is a citizen. In a city of about 25,000 people it is hard to hide the doings of your neighbors. It is an easy matter to find the residence of Mr. Metcalf. The reader has not to sit down after he peruses this statement, which follows, and wonder—as he would wonder were this case in San Francisco—if the facts can be credited. He has not to ask "Are they genuine?" The man is here at home. Honolulu proof should convince. Read this:

Mr. F. Metcalf of this city gives us the following information: "I was afflicted with a painful feeling in my back for over five years. The various remedies resorted to did me no good, until, falling in with the advice of a friend (Mr. W. J. Maxwell) I procured at the Hollister Drug Co.'s some of Doan's Backache Kidney Pills. I had hardly finished taking them when the pain left me altogether, and I now feel that I have been completely cured of the terrible suffering I underwent formerly. By keeping a box of the pills in the house I am fortified against any possible return of my complaint at future times. It seems almost miraculous that the pains should have vanished so speedily. All sufferers from backache should get some of Doan's Backache Kidney Pills."

Doan's Backache Kidney Pills are sold by all druggists at 50 cents a box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.
