

## The Mistake That So Many Men Make

is that they think they are so much smarter than their fellows. You will make many less mistakes in life if you will give the other fellow credit for as much wisdom as you think you yourself possess. Don't fool yourself with the idea that by buying a cheap ready-to-wear suit of clothes you are buying a bargain. The man who sells it to you must make a profit, and when you deduct that profit from the price that you paid for a cheap suit or top coat, there is not enough left to pay for worthy material, good tailoring and style. It shouldn't be difficult for you to see the point. Ste-in-Block Clothes cost more than ordinary ready-to-wear garments, but the difference is greater than that expressed by the price, because, when you buy a Ste-in-Block Suit or Top Coat, you are getting that which is conceded by everybody familiar with the subject to be

### WHITNEY'S LUCK WITH HORSES

One of the most remarkable contrasts in racing luck has been given by Harry Payne Whitney and his father recently. With one horse, Irish Lad, the young man has won more stakes and purses in the last two weeks than his father in the racing season thus far with one of the greatest racing establishments in the world.

William C. Whitney has thought nothing of expense in order to satisfy his ambition to own the finest race horse not only in America, but in England. His plans for this season were on a most lavish and ambitious scale, but he has had a run of ill fortune almost without parallel on the turf. Nearly every one of his horses has been ailing owing to an attack of influenza which developed in his stable last winter, and they are only now rounding into anything like form.

With racing equipment which cost not far from \$1,000,000, and which was expected to almost sweep the boards this year, the father has only a few minor stakes and purses to his credit, not enough to pay the bill for oats, while his son, with his first venture on the turf, made when he and his friend, Merman B. Duryea, purchased Irish Lad four weeks ago, has had nothing but a string of victories.

Friends of W. C. Whitney joke with him about the success of the "one-horse" stable of his son as compared with the squadrons from the stables of the father, but the elder Whitney bides his time.

### THAT CHAPTER

A chapter on Scott's Emulsion often holds a prominent position in the histories of weak children.

The gist of that chapter usually reads like this—"child weak, pale, thin, no appetite, fretful, weakness left over from grippe or other disease. Began small doses Scott's Emulsion three times a day after meals. No apparent change first week. Then appetite improved, then strength increased, then child more lively, slept better, a decided gain in weight, better color in the face."

And so it goes till the child is reported well and strong. Sounds simple enough and it is simple—Scott's Emulsion is just what the weak child needs.

### PORTUGUESE ARE NOW CITIZENS

Seven Voters in United States Court Yesterday—Jap Is Held.

Activity among the Portuguese is shown by the naturalizations before Judge Estee yesterday of six people of that race. The six men appeared at the opening of court in the morning with but two witnesses for the bunch, and Judge Estee refused to naturalize them unless each man had two sponsors as required by law. The new citizens who formerly owed allegiance to Portugal admitted in the afternoon are: Manoel Mello, Manoel Lopo, Jacintho Ferhado, Joe Mendonca, Louis Mendonca and Manoel Medeiros. Frank Fisher of Germany was also admitted to citizenship.

Another continuance was taken in the case of Holland, the engineer of Wilder's Steamship Co.'s Helene, who has sued to prevent his wages being taken on garnishment. Neither the court nor the lawyers had found a way by which the company could be relieved of paying the amount twice, and a continuance was taken until this morning.

The writ of error in the case of the Honolulu Plantation Co., was allowed yesterday afternoon. Objection was made when Mr. Dunne presented the matter in the morning, but this was afterwards amicably settled.

Kawasaki the Jap fined \$100 in police court a few days ago for selling liquor without a license, was yesterday held to the federal grand jury in bonds of \$1,900 by Commissioner Gill on a similar charge.

### WHAT THE HORSES WILL DO THIS YEAR

It is always risky to predict what horses will do, but a writer on the New York Sun has the courage to figure out what the following stars will do this year. He says a popular vote would show the average outlook for the harness performers would be as follows:

- Crescens to do well if he again trots a heat in 2:02 1/4.
- The Abbot to trot in 2:03 late in the season at Terre Haute or Memphis.
- Lord Derby and Chain Shot to reach 2:05.
- Boralma and The Monk to reach 2:06 or a trifle below it.
- Prince Alert to beat 2:00, and Dan Patch to equal his sire's record, 2:01 1/4, if necessary to win somewhere.
- Shadow Chimes and Audubon Boy to reach 2:04 or shade it a trifle.
- Royal R. Sheldon 2:04 1/4 to win a surprising race in fast time.
- Zephyr to trot in 2:08, Dolly Dillon 2:07 to reach 2:05 or shade it a trifle.
- The green pacers to get below Shadow Chimes' record of last season.
- Little Boy to beat 2:00 if he stays sound the entire mile.
- John A. McKerron to lower The Abbot's wagon record of 2:05 1/4.
- Lucille to lower 2:06 1/4, the present wagon record, amateur to drive.

Dysentery causes the death of more people than smallpox and yellow fever combined. In an army it is dreaded more than a battle. It requires prompt and effective treatment. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been used in nine epidemics of dysentery in the United States with perfect success, and has cured the most malignant cases both of children and adults, and under the most trying conditions. Every household should have a bottle at hand. Get it today. It may save a life. Benson, Smith & Co., Ltd., wholesale agents, sell it.

**S**OCIETY will make a semi-official appearance at the racing meet of the Merchants' Fair at Kapiolani Park this afternoon. Always there are to be seen at such times large numbers of the devotees of society and bright dashes of color generally mark the position of their equipages. However, the turnout cannot be expected to be large as so many of the society set are out of town for the summer.

Prince Cupid's grass hut at Paalelani, Waikiki, is approaching completion and is a splendid addition to the hospitable royal residence.

The Misses Sheridan of San Francisco, who were here about three years ago, returned to the city in the Alameda and will make a stay of several weeks.

Mrs. George H. Robertson and family are residing in Manoa Valley for the summer.

Miss Nellie White gave an informal bathing party at her beautiful home at Waikiki on Wednesday evening. After the bathing by moonlight a delicious supper was served in the large lanai. Those who enjoyed Miss White's hospitality were Mr. and Mrs. Richard Ivers, Mr. and Mrs. A. G. Hawes, Jr., Miss Marion Scott, Miss Freda White, Miss Mary Widdfield, Miss Alice Gillet, Dr. McAdory, U. S. A., J. Tarn McGraw, Mr. Wright, Mr. Spaulding, Mr. Robert Atkinson and Mr. Walter Dillingham.

Mr. and Mrs. Ulrich Thompson of Kanehameha have issued invitations for the marriage of Mr. Louis J. Warren and Miss Elizabeth W. Parrish. The wedding will take place at 8 o'clock, August 4, at the residence of Mr. and Mrs. Thompson, on the Kanehameha grounds. It will be an out-of-doors event.

Mr. and Mrs. A. G. Hawes, Jr., entertained several of the officers of the U. S. training ship Mohican on Monday evening by giving an impromptu bathing party at Waikiki.

Mrs. Mary Mott-Smith Bird is confined to her residence by a serious accident to her ankle.

The presence in Honolulu on Thursday of Grand Duke Boris, cousin of Czar Nicholas, caused considerable interest in society circles. The Prince remained in town only during the stay in port of the steamer Coptic, on which he is a passenger en route to the United States from the Orient.

Of Mr. and Mrs. Alma D. Katz, who are guests at the Hawaiian Hotel and are enjoying their honeymoon in Honolulu, the Salt Lake Tribune of July 8 contains the following relative to their wedding, which was one of the social functions of the summer in the Mormon capital: The event of the season was the wedding last evening in St. Mark's cathedral of Miss Edna Shearman and Mr. Alma D. Katz, which was witnessed by a large number of their friends and followed by a brilliant reception at the Ladies' Literary Club. That all went as merry as a wedding bell goes without saying, and seldom has there been a prettier church wedding in this city, all the appointments being of the most artistic description. The strains of "Lohergrin" told all when to look for the bride party, which entered at 9 o'clock, first the ushers, Dr. Critchlow, Judge Diehl, Mr. Hampton and Mr. Lawrence, the maid of honor, Miss Sherman; the bride's attendants, Mrs. Gue, Miss Ida Hanauer and Mrs. Charles H. Post, the bride with her brother, Mr. Shearman.

At the foot of the chancel the groom and his best man, Governor Wells of Utah, and Dean Eddie, met the advancing party and a pretty group was formed at the foot of the steps, all moving up to the chancel rail for the final words of the ceremony and the benediction. It was a pretty scene and the grouping, with the artistic background, was truly effective.

The bride looked beautiful in her wedding gown of white point d'esprit, elaborately trimmed with lace. It was made en traine and she wore a long veil. She carried an immense shower bouquet of pure white bride roses.

They leave today for their wedding trip to the Hawaiian Islands and upon their return will live at Boise, although they will pass much of their time in this city.

The wedding of Miss Violet Kinole Kahaleluhe Beckley and Mr. Carl Anton Georg Maertens will take place on Wednesday, July 30, at high noon, in St. Andrew's Cathedral. A large number of invitations have been sent out for the event.

The wooden wedding of Mr. and Mrs. C. E. Moore was celebrated last Saturday evening at their residence, whist and ping-pong being indulged in. In the ping-pong games Mrs. C. S. Crane won the singles from Miss Edna Cohn and Mrs. J. C. Cohen won from Mr. Thomas Lloyd. In the whist games Mrs. C. S. Crane and Mr. A. F. Clark won the first prizes, and Miss Nettie King and Dr. Wayson captured the booby prizes. During the evening Mrs. J. C. Cohen rendered several pretty vocal selections. The house and lawns were beautifully decorated with American and Hawaiian flags, ferns, palms and Japanese lanterns. Delicious punch was served whilst the ping-pong and whist games were in progress, and at midnight all sat down to an elaborate supper, after which dancing was enjoyed until the moon began to fade away. Many pretty and useful presents were brought to the couple. Among those present were: Mr. and Mrs. A. F. Clark, Dr. and Mrs. J. T. Wayson, Mr. and Mrs. H. W. Foster, Mr. and Mrs. J. Morton Riggs, Mr. and

The Shirtwaist Hop of the 1902 Club was a most enjoyable affair last evening in San Antonio Hall and was the most successful of the public dances yet given by the club. The shirtwaist idea proved a popular innovation among the gentlemen and many pretty designs were exhibited. The ladies were attired in cool summer gowns and there was no inconvenience felt by any one on account of the heat. The hall, one of the most attractive in the city, was filled with dancers and informal reign of music from beginning to end. The dancing program was replete with varied dances, schottisches and gavottes vied with waltzes and two steps in

popularity. Mrs. C. Ryder, Mrs. England and Miss N. Baillie sang and were accorded generous applause. W. E. Herrick gave a guitar selection, Miss Gertrude Tinker rendering a pleasing piano selection, and the 1902 Club quartet won instant favor with their selections. H. A. Morrison, F. G. Noyes and A. C. Chambers were in charge of the floor and W. Ryder looked after the guests as they arrived.
