

### BAND HAS BUSY WEEK ARRANGED

Plays Today in Capitol Grounds in Honor of Labor Day.

This will be a busy week for the Government band. This morning at 9 o'clock the band will play in the Capitol grounds in honor of Labor Day. This afternoon at 3 o'clock it will be present at the Labor Day ball game at Punahou and will also give a concert in the evening, as usual, in Emma Square.

Tomorrow afternoon during the reception given at Washington Place by Queen Liliuokalani in honor of her birthday, the band will render specially arranged program. In the evening a concert will be given at the Hawaiian Hotel. The Alameda is not forgotten by Kappelmeister Berger and she will be played off on Wednesday. In the evening a concert is to be given in Thomas Square.

Captain Berger will do himself and the band the honor of receiving the great new Pacific Mail steamship Korea if she arrives at a reasonable hour during the day, as a concert is scheduled to take place in the evening at the Moana Hotel.

The band will take its annual vacation in October as usual. The program for this evening at Emma Square is as follows:

### BASEBALL TODAY AT PUNAHOU

Labor Day Games on College Campus Will Be Worth Seeing.

For the Labor Day games of baseball which are to be played this afternoon at Punahou, the Customs and Kamehameha will play the first game, and the Honolulu and Maile Ilimas the second. Both games will doubtless show the form of the teams to the best advantage, for they are the last but one of the season.

If the Kams win today they will tie the percentage of the Mailes and they will have a go later on. The game between the Honolulu and Mailes will also show the mettle of the two teams. There is a bare possibility that Cunha may not be able to catch today on account of his split finger. If he does not, Louis will wear the mask instead. Louis is on to Joy's curves and stops the sphere handily. Thompson will take Louis' place on second. The nines will play today about as they played on Saturday.

As the baseball games are about the only form of amusement offered for Labor Day's celebration, there will doubtless be a large attendance.

### F. T. MERRY IS MISSING

Former Honolulu Man Has Disappeared From Lihue, Kauai.

Advises from Kauai on the Mikahala yesterday tell of the strange disappearance from Lihue of F. T. Merry, clerk and stenographer to Judge Hardy's court and a former resident of Honolulu.

According to the story told here Merry was last seen Friday afternoon about four o'clock and had not been to his room since then. At the time the Mikahala left at five o'clock Saturday afternoon no trace of Merry had been found and searching parties were making every effort to locate him. Much apprehension is felt for his safety as he was known to have had a \$1,000 government check upon his possession when last seen, and may have met with foul play. Merry has not been in the best of health, and may have wandered about until he was lost. The sulcus theory has also been broached.

Merry was a stenographer and went to Lihue but a few months ago to take the position of clerk and stenographer in Judge Hardy's court. He was formerly in the office of Atkinson & Judd in this city.

**To the Public**

In order to accommodate children who wish to be admitted to the Kona Orphanage a new building should be erected. There are not sufficient funds to buy material. Five hundred dollars is needed. Those wishing to assist in raising this sum can leave the money at Bishop's bank.

### Fire in Steiner's Store.

Defective electric wiring along the ceiling of the rear of the Steiner's Hotel street curio store, started a small blaze yesterday morning about 4:45 o'clock, which brought out the fire department. The chemical engine reached the store first and put out the fire. The fire was discovered in the nick of time by a policeman and the alarm promptly turned in at the corner of Fort and Hotel streets. Only the woodwork of the ceiling was damaged and the loss is nominal.

### Frame Fitting.

Few glass wearers realize the importance of properly fitting frames.

This MAY seem of minor importance to you, but your comfort and that of your eyes depend much upon the set and fit of the frame.

Without proper proportions and adjustment of the spectacles or eye glass frame, it is impossible to derive the full amount of benefit from your glasses.

We make a specialty of frame fitting as well as eye fitting, and guarantee an exact and correct adjustment to all faces and eyes.
