## REPUBLICANS CARRY ALL THE IMPORTANT STATES

### Have the U. S. Senate by Eleven Majority and the House by Twenty-Six.

### California Gives Pardee a Small Plurality and New York Lets in Odell by Over Eleven Thousand.

WASHINGTON, Nov. 5.—The latest returns received up to 10:30 p. m. show that the Republicans (including in this description the fusionists elected from the Pittsburg-Allegheny districts in Pennsylvania) will control the next House by a vote of 204 Republicans to 179 Democrats, with one district, the Eighth Tennessee, and two California districts remaining so much in doubt that the official returns will be needed to decide the result. The totals given are believed to be correct, although there are a few districts, such as two in Colorado and one in Minnesota, where the Republican and Democratic managers do not concede defeat, but the general results could not be affected. The table by states is as follows:

ty Republican Assemblymen. One Independent Republican also appears to be elected to the Senate. The Democrats seem to have elected six Senators and thirteen Assemblymen. One Democratic-Union Labor Senator, one Union Labor Assemblyman and six Democratic-Union Labor nominees for the Assembly have been elected in San Francisco. If changes are made by further returns it is thought that they will serve to increase the number of Republican members of the two Houses. Of the twenty hold-over Senators nineteen are Republicans and one is a Democrat. The Republicans will, therefore, have thirty-one of the forty seats in the Senate and possibly more.

**COLORADO.**  
DENVER, Nov. 5.—Peabody (R.) has been elected Governor by a plurality of from 2000 to 4000. The Democratic State ticket is defeated with the possible exception of Mrs. Grenfell for Supt. of Public Instruction. The Republicans get two Congressmen and if they get the Legislature through a successful contest, will elect Teller.

**IOWA.**  
DES MOINES, Nov. 5.—Full returns place the Republican plurality on the Republican ticket in Iowa at a little over 70,000. The plurality of P. D. Birdsall, who will succeed Speaker Henderson from the Third district, is 5235, and that of M. J. Wade in the Second district, the only Democratic Congressman elected, is 1140.

**INDIANA.**  
INDIANAPOLIS (Ind.), November 5.—Estimated pluralities by counties, received at State headquarters today indicate the election of the Republican ticket by 26,000. The Republicans get nine congressmen and the legislature.

**MARYLAND.**  
BALTIMORE, Nov. 5.—The Democrats get two congressmen and the Republicans four.

**MISSOURI.**  
ST. LOUIS, Nov. 5.—The Democratic plurality in the state will be 40,000. The Republicans get one congressman out of sixteen.

**NEBRASKA.**  
LINCOLN, Neb., Nov. 5.—Mickey (D), carried the state by 5,000 plurality. The Republicans gain three congressmen and their numbers in the legislature are the greatest for twenty years. The combined vote of the fusionists will not exceed 29 in a total membership of 133.

**NEW YORK.**  
NEW YORK, Nov. 5.—The plurality of Odell, Republican candidate for Governor, is 12,887. Greater New York gave Coler, the Democratic nominee, a plurality of 122,074, but the interior rolled up a Republican plurality of 135,972. Coler may contest. The state legislature will be Republican by a reduced majority. The Democrats may have elected the attorney-general and judge of the court of appeals.

**PENNSYLVANIA.**  
PHILADELPHIA, Nov. 5.—Practically complete returns from the state indicate a plurality for Samuel W. Pennypacker, Republican, for Governor, of about 135,000. Of the thirty-two congressmen elected, twenty-eight are Republicans and four fusionists. The legislature will have 157 Republicans and 47 Democrats in the House and 39 Democrats and 11 Republicans in the Senate.

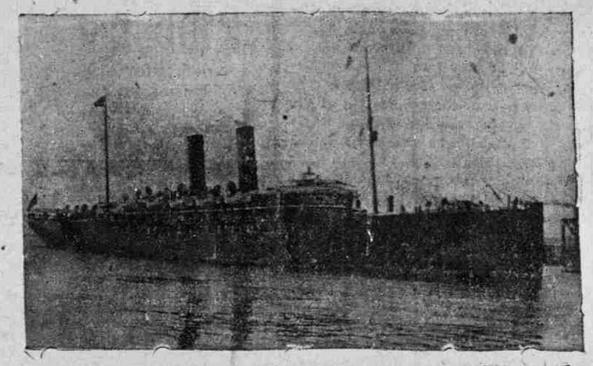

**SOUTH DAKOTA.**  
SIOUX FALLS, (S. D.), November 5.—Reports from thirty-seven out of fifty-three counties in the state give the Republican congressional ticket a plurality of 19,666. The remaining counties will increase this plurality by 2,000. The Republicans have elected all but six or eight members of the State Legislature.

**TENNESSEE.**  
NASHVILLE, Tenn., Nov. 5.—Fraser (D), candidate for Governor, carries the state by 50,000. Both houses of the legislature are largely Democratic.

**UTAH.**  
SALT LAKE, Nov. 6.—Complete returns show increased Republican pluralities.

**WISCONSIN.**  
MILWAUKEE, Nov. 5.—La Follette (R), is reelected by about 50,000 plu-

## KOREA BROKE THE RECORD HERE BY OVER THREE HOURS

**"QUEEN OF THE PACIFIC"**  
**"Queen of Pacific" in Bad Weather But Makes Fast Time.**

After a record-breaking run from San Francisco in which she had to contend with rough weather for three days, the giant ocean liner Korea arrived off the harbor about eight o'clock last evening. She had over a thousand people and an immense cargo of over seven thousand tons of freight on board.

Captain Seabury, shortly after arrival, said:

"Well, we made this run in five days, six hours and fifty minutes. I believe that's the record. If any other vessel has ever come down here from San Francisco in less time than that I have not heard of it. We had nasty weather also over half of the time on the trip.

"I believe that the China made the fastest run from San Francisco to this port previous to this run and I know that vessel never made the trip in anything like the Korea's time."

After the passengers had all left the vessel Captain Seabury sat in his cosy office yarning with several gentlemen and seemed highly elated over the two records of the Korea—one between the Orient and San Francisco and the other from San Francisco to Honolulu. He gave his auditors to understand that although it nearly broke his heart to leave the greyhound China the performances of the Korea had nearly healed it and that he had come to love the new monster quite as well as he did the old.

Then with his gold braided cap pulled well over his eyes and knees crossed he made one of his characteristic statements: "Well, I'm half sorry that I didn't stop the vessel five minutes earlier, off the port, so that the record could have been five minutes better."

The records of fast trips to Honolulu from San Francisco show that in 1883 the Mariposa made the voyage in five days and twenty hours. In December, 1885, the Alameda made the run in six days and thirty minutes. In 1893 the old Australia took another slap at the record reducing it to five days, nineteen hours and fifty-three minutes. Then no one took any notice of the record for six years but in 1899 the Jap liner America Maru made the passage in five days, nine hours and fifty-nine minutes but a month later Captain Seabury knocked this record down by beating it by four minutes! This remained as the record until the arrival of the Korea yesterday, setting the new mark in three hours and five minutes quicker time.

But with this record to his credit Captain Seabury is a little disappointed. He wished to make the trip in less than five days and could have done so had he not encountered heavy seas for one-half of the voyage. Officers of

The Korea's Skipper, Captain Seabury.

the vessel point with pride to the fact that the Korea made the trip in eighteen and a half hours quicker time than the Oceanic liner Sonoma which arrived here yesterday morning from San Francisco.

The big liner did not get into the harbor until nearly eleven o'clock and was then safely berthed at Navy Wharf No. 2, her berthing there opposite the cruiser New York making the latter look like one of the skiffs of the "Queen of the Pacific."

The vessel will have to remain here until Friday morning as she has to take in 1300 tons of coal to burn on her journey on to the Orient.

The vessel carries a large number of through passengers, has over 900 Japs and Chinese on board, and brought the following cabin passengers for Honolulu:

Mr. W. N. Armstrong, Mrs. G. J. Augur and son, Mrs. J. H. Afong, Miss Afong, Miss J. Afong, Mr. A. H. Afong.

## EDITOR C. O. ZIEGENFUSS DIES BY HIS OWN HAND

### Former Honolulan, Late of Manila, Turns on Gas in San Francisco Lodgings.

### Ill-Health and Despondency Over the Death of Father McKinnon the Assigned Cause.

SAN FRANCISCO, November 7.—Charles O. Ziegenfuss, one of the most widely known newspaper men on the Pacific Coast, was found dead in a room at the Burlington lodginghouse, 665 1/2 Market street, yesterday afternoon under circumstances which point to the fact that he had committed suicide.

Although his effects were at the Occidental Hotel, where he had been living continuously since September 27 last, he took a room on the fourth floor of the Burlington at 11 o'clock on Wednesday night, leaving a call for 9 o'clock the next morning. At that hour he responded when called, but when Pon Loy, the Chinese house boy, went to the room at 2:30 o'clock in the afternoon to make up the bed he found the door locked from the inside. Being unable to arouse the occupant, he notified D. S. Burkett, the manager of the place, who promptly effected an entrance through a rear window. He discovered the room full of gas, which was still pouring from an open jet over the bed. Upon ascertaining that Ziegenfuss, who lay in bed in his underclothing, was dead, Burkett summoned policeman W. M. Ross, who in turn notified the coroner. The body was thereupon removed to the morgue.

An investigation of the room showed conclusively that Ziegenfuss must have turned on the gas deliberately after having been called in the morning, as both jets of the gas fixture were in good order, and, in fact, difficult to manipulate. Nothing of value, except the sum of 35 cents, was found upon his clothing, and the only papers he carried were in the form of credentials from his partner and associate, R. Crozier of the Manila American, and other Americans resident in the Philippines. From these it would appear that he came here partly for his health and partly on business connected with his ventures in the colonies.

"Zig," as he was familiarly known to thousands of people, has been connected with newspapers in almost every state in the Union. While he was very reticent as to his antecedents, it is believed that his father was a wealthy iron founder at Bethlehem, Pa., where his aged mother still resides. When a mere boy, being big and powerful for his age, he enlisted in the army during the Civil War, and at its close he drifted into newspaper work. After a somewhat checkered career during which he held responsible positions on the Boston Traveler and other well known journals, he came West. Among the positions which he held in this city was that of assistant city editor on the Chronicle. Prior to that time he had founded a paper at Phoenix, A. T., and worked in various capacities on almost every paper along the Coast from San Diego north. During the first Bryan campaign he was editor of the Stockton Mail. Thence he went to Fresno, where he became managing editor of the Democrat. He had already worked there both as city editor of the Republican and editor of the Expositor. Later he secured control of the Calaveras Citizen. After the war with Spain he drifted to Honolulu, where he became associated with E. S. Gill, with whom he had worked many years before in Arizona, on the Republican, the organ of Judge Humphreys. Thence he went to Manila on a transport, and at once secured control of the American. During his residence in the Philippines he contracted dysentery, which became chronic. Upon the advice of his physicians he came back to the United States in August last, but the disease had obtained such headway that he was practically doomed. In despair he sought various changes of climate, but without effect, and on September 27 last he returned to this city.

Ziegenfuss was about 50 years of age, and is said to have been twice married. His second wife, a Miss Crowley, died here some six years ago, leaving one child, a boy, now 13 years old.

Ziegenfuss has been despondent for some time past, but the funeral of the late Father McKinnon, with whom he was on very intimate terms, is be-

lieved to have been the climax of his troubles. Unless his relatives claim his body it will be buried by the Press Club, of which Ziegenfuss was at one time a prominent member. He was a member of the national college fraternity of Phi Gamma Delta.

[Mr. Ziegenfuss went through Honolulu a few weeks ago, on his return from the Philippines, and was then regarded as a doomed man. He said he was en-route to New York to buy type and presses for his paper, the Manila American. Soon after the Honolulu Republican was started he became its city editor and lived in Honolulu several months. Mr. Gill, who was called up last evening, stated that Mr. Ziegenfuss, while living in Colorado, was a member of a commandery of Knights Templar. He is also believed to have been a G. A. R. man. His hearty and jovial characteristics, his journalistic industry and his loyalty to friends, made him popular wherever he lived.]

**Col. Fitch for New York.**  
Col. Thomas Fitch will leave for the Coast in the China. He will be gone some two months. The principal mission of the attorney is to present to the Board of General Appraisers at New York the case of the importers of bags, who have appealed for a ruling upon the rating of their goods. Should the change urged be made it will mean a saving of something like \$100,000 to local importers. Col. Fitch will go on to Washington, where he will look over matters Hawaiian. Having the privilege of the floor, as one of the ex-members, he will be in a position to assist in presenting public measures, to the members of the House.

**Viscount Inouye Goes Home.**  
Viscount K. Inouye, Japanese Minister to Germany, is on the Korea on the way home for a visit. He is accompanied by Mrs. Inouye. The viscount is the adopted son of the famous Count Inouye, and his wife is the daughter of the great statesman. She was educated in England and during the visit of Kalakaua to Japan acted as interpreter during his interview with the queen.

**Killed by Volcanic Gas.**  
NEW YORK, Nov. 7.—A private dispatch received here announces the death, says a Herald dispatch from the City of Mexico, of General Manuel Lizando Barillas, former President of Guatemala and a Colonel in the Guatemalan army, as the result of asphyxiation by volcanic gas in the vicinity of Santa Maria volcano, where General Barillas owned a large coffee plantation.

**Scored for the Treaty.**  
NEW YORK, November 7.—At a meeting of the legislature here, says a dispatch to the Herald from St. Thomas, D. W. L., a crown member moved an address to the minister and diet congratulating the King and Ministry on the rejection of the sale treaty by the Landsting. The proposition was defeated.

**The Cable Completed.**  
VANCOUVER (B. C.), Oct. 31.—The completion of the cable line between Vancouver and Brisbane was accomplished at 7 o'clock last night, although the first message did not get through until this morning, when the announcement was made that one dream of the imperialists was a reality.

**Big Cartridge Order.**  
NEW YORK, November 7.—As an evidence that Castro of Venezuela does not consider that peace has been established he has ordered two million cartridges from Hamburg for immediate delivery, according to a Herald dispatch from Port of Spain, Trinidad.

**Volcano Very Active.**  
A wireless telegram received yesterday by President Wright, of the Wilder Steamship Company, simply stated: "Volcano very active." No other messages concerning the volcano were received in Honolulu up to a late hour.
