SCHOOL CHILDREN CORRESPOND

The pupils of the Pearl City school have been carrying on a correspondence with a school of Conway, Kansas. The letters have provided the pupils of both schools with helpful information of some of the conditions, customs and industries of both regions. Under the direction of a competent teacher such exercises ought to do much in developing an interest in letter-writing and improving expression in written language. It is suggested that the adoption of a similar plan by many of the schools would be undoubtedly appreciated by pupils and parents.

One of the letters from Kansas is so original that we give it without corrections:

Conway, Kans.,
Jan. 9, 1903.

Pearl City, Oahu.
Dear Friend—
This country is a nice place to live. We live east of Conway Kansas. I have a bout 2 miles to walk home every night from school.

And when I get home I have a lots of chores to do.

I have about 600 and 50 chickens to feed every night and we have no ducks and no turkeys to feed but we have 40 hed of hogs to feed and that takes lots of time and we have 5 hed of horses.

About 3 weeks ago we had 1 foot of snow and we had lots of fun sleigh riding and snow balling and we washed the girls faced and that made them mad and.

And we get about 50 to 60 eggs a day now.

Last year we got about 100 and 30 eggs a day.

The highest we ever got was 300 eggs in one day and the eggs was 20 cents a doz. We have rented a place Mr.

McGifford place for one year. We moved on it in August and will move off it in August.

And I wished I could go there because it never gets very cold.

Here it gets very cold and we can go skating in the winter maby you don't no what skating is but I will tell you what it is in the last of my letter.

This is all I can tell about this so I will tell you what I got for Christmas. I got a pair of shoes and the number is 7s and a pound of hickory nuts and a pound of candy and a pound of peanuts then that is all I got for Christmas. The Christmas ladar.

We had a big ladar and old Santa Claus was under it.

Nest every body comes to the ladar at Christmas eve. When Christmas comes. My name is William Richter and I am a boy and I am in the Fourth Reader We have 6 studies I take reading Spelling Arithmetic Geography and Grammar. We have a man princibal in the big room and a woman I is the little room. There is 43 in the little room We had a big wind from the North and it blew the basket ball poles down. An the man teacher put them up the 3 of this month of January.

They begin to play basket ball to day. I wish you would state where you live and what the name of your post office is I would like to rite you some times. In the summer be shure to state what is the name of you postoffice And send me all the names of the scholars in the big room because I would like to rite to them to I hope you will get this letter and when you rite me a nother letter please send me the postoffice address for every one of the scholars in the big room

I herd that you teacher name was Mr. Now I will tell you how to skate. We have lots of ice the ice is about 1 foot thick. We can skat when the ice is about 2 and 1/2 inch thick.

When the folks would bring their children to school in sleds we would get in and ride up town Our school is about 1/4 quarter of a quarter of mile with them Some of them would go so

THE TEST THAT TELLS

You Can Get All the Co-vi-cing Proof You Want by Reading Honolulu Papers.

When the reader wants any article of value he naturally prefers to deal with some one he can depend upon.

If mixed up in any law suit, a good, responsible lawyer is generally the first necessity sought.

If lost on a prairie, directions from a settler could be relied upon; those from a stranger would be doubted.

The test that tells the tale of merit is the test of friends and neighbors.

Honolulu people endorse Doan's Backache Kidney Pills.

Can you ask for better evidence? Read this case:

Mr. James C. Stevens, of this city, informs us: "I was troubled with an ache in the small of my back for a long time, and such was the condition of things until I tried some of Doan's Backache Kidney Pills, which I obtained at the Hollister Drug Co's store. A short treatment gave me the desired relief, and I am satisfied that they are a good remedy for backache and deserve to be recommended."

Mr. Stevens is one of our own citizens. Is not such testimony stronger than that of someone living in the States?

Doan's Backache Kidney Pills are sold by all chemists and store keepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by *****

fast when we would go to get off we would fall down in the snow.

Yours Truly,
WILLIAM RICHTER.
