VACANCIES NOW FILLED

Appointments Are Made by Board of Health.

An Agent at Pahala to Save the People Long Trips.

Decision to Go Slow in Matter of New Cemeteries—Pestilence in Orient.

Dr. C. B. Cooper, president, Dr. W. H. Mays and Fred. C. Smith waited long for another member of the Board of Health to make a quorum yesterday afternoon. E. C. Winston arrived at 3:30 and business proceeded. Dr. J. S. B. Pratt, chief health officer; C. Charlock, secretary, and Miss Mae Weir, stenographer, were in attendance.

ACT OF ACCOMMODATION.
Dr. W. A. Schwallie wrote from Pahala asking that he be appointed an agent of the Board at that place, giving as his reason the fact that now people have to make a round journey of thirty miles to and from Naalehu for a burial certificate. People at Kapapala ranch have to travel forty-two miles for the same purpose. Manager Sherman of the Hawaiian Agricultural Co. joined in the request. There being no salary attached, it was voted that Dr. Schwallie be commissioned as agent and as register of births, marriages and deaths.

CAUTIOUS ABOUT CEMETERIES.
Dr. W. H. Mays, chairman of the committee on A. L. Perry's site for a cemetery at Kalihi, read a report. At first adverse to the application, he had after personal inspection of the ground come to the conclusion that the proposed cemetery would not be prejudicial to the public health. It was a small piece of ground with soil eight feet deep situated against the mountain where the building of homes was not probable.

President Cooper hoped the Board would proceed only with caution. They were considering the matter of a larger cemetery near Honolulu and he did not wish to see a number of small cemeteries started here and there.

It was voted to accept the report for further consideration.

PARTLY GRANTED.

David H. Madson applied by letter for permits to two Mormon elders to visit the Leper Settlement and stay there a few weeks on a mission of their church. After some discussion it was

YOU MAY BE WELL.

Only when food digests, when pure blood circulates freely, when the muscles expand and contract without weakness or pain, when the lungs and heart work like parts of a perfectly balanced engine, when the whole body feels light as a bird on a bough, only then are we in condition to appreciate the beauty and excellence of the world in which the good God has placed us. But, dear me! what a host of men and women seldom or never know what real health is. And yet how easy, after all, health is to cultivate and to keep. Diseases arise from living germs, which in some way obtain entrance to the body and act upon various organs through the medium of the blood. All fevers, all strictly localized disorders; diseases of the throat and lungs; affections of the stomach and bowels, etc., have each their seeds. To antagonize and kill these germs, and thrust them from the system, progressive medical science commends

WAMPOL'S PREPARATION which is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. It acts at once. It promotes digestion and assimilation, destroys the germs that destroy tissue, arrests waste and thus restores health—often in cases which seem hopelessly beyond cure. It does not cure everything but everything it is recommended for; its popularity means the withdrawal of all others from the lime-light. It represents medical science of to-day in its best form. Once tried, always used. "You cannot be disappointed in it." Sold by chemists here and everywhere in Europe, Asia, Africa, Australia, North and South America.

decided to grant a permit to but one of the missionaries.

DOCTOR PASSED.

The board of medical examiners reported favorably on the application of Dr. J. Campbell Douglas for license to practice, which was accordingly ordered to be recommended.

APPOINTMENTS.

Dr. W. H. Mays was appointed acting superintendent of the Insane Asylum from October 1.

Dr. C. A. Peterson was appointed government physician for the districts of Koolauloa and Koolaupoko, Oahu, from October 1.

Dr. J. C. Douglas was appointed government physician for the districts of North and South Kona from October 1.

W. A. Naylor was appointed dispenser at the government dispensary, Honolulu, from October 1. He served in the Spanish war with the hospital corps and has had considerable experience.

Robert Kamakaea was appointed assistant fish inspector for Honolulu.

George B. Schrader was appointed sanitary inspector for the districts of Waialuku and Kahului, Maui.

REPORTS.

Reports of the city sanitary officer and inspectors and the plumbing inspector of Honolulu were read and accepted.

D. S. Bowman, sanitary inspector of Hilo, reported on his work for last month. He had made 750 inspections.

PESTILENCE IN ORIENT.

Dr. L. E. Cofer, chief quarantine officer, by letter reported the health conditions in the Orient as follows:

Hongkong, two weeks to Sept. 15—Plague cases 5, deaths 5.

Shanghai, two weeks to Sept. 13—Cholera cases 5, deaths 89; smallpox cases 1, deaths 0.

Nagasaki, two weeks to Sept. 21st—Clean.

Kobe, two weeks to Sept. 24—Cholera cases 5, deaths 1.

Yokohama, two weeks to Sept. 12—Plague cases 3, deaths 2; doubtful plague cases 6, deaths 3.

BABY'S COUGH MUST NEVER LINGER.—Nothing is more distressing than to see a helpless little infant suffering with a cough, and to be fearful of using a remedy which may contain some harmful ingredient. The makers of Chamberlain's Cough Remedy positively guarantee that this preparation does not contain opium in any form, or any other harmful substance. Mothers may confidently give this remedy to their little ones. It gives prompt relief and is perfectly safe. It always cures and cures quickly. Benson, Smith & Co., wholesale agents, sell it.

CORPORATIONS OF FOREIGN CHARTER

Besides notifying foreign corporations doing business in this Territory of their obligations under the statute, in the form appearing below, Treasurer A. N. Kenoi has referred the matter with names of delinquents to the Attorney General. Any corporations failing to make timely response to the notice will be prosecuted. The notification of the Treasurer is in the following terms:

"I call your attention to Act 45 of the Laws of 1898, Territory of Hawaii, relative to foreign corporations, as amended by Act 88 of the Laws of 1903, and notify you that unless papers mentioned in said Act, viz:

"1. Certified copy of the Charter or act of incorporation of the company;

"2. Names of the officers thereof;

"3. The name of some person upon whom legal notices and processes from the courts of this Territory may be served;

"4. Certified copy of the By-Laws of such corporation or company, are filed in the office of the Treasurer within five days from date, I will be forced to proceed against your company under a charge of misdemeanor."

The word foreign here does not relate to the flag but includes United States mainland corporations having agencies in this Territory. There are many of these and most of them are behindhand with the prescribed returns.

Politics in Billville.—Two candidates obliged us by ploughing six acres for us yesterday.

Our school children have been patted on the head so often of late that every ten-year-old boy in the town is baldheaded.

Some of the candidates for local offices in this settlement are running so fast that the Sheriff can't get close enough to levy on them.—Atlanta Constitution.

CONVICTION OF ROBBER

Trial of Another Robbery Case Begun.

Bishop Estate Trustees Cited in Contempt Proceedings.

Davis Files a Certificate of Honesty—Appeals From Honolulu District Court.

Matsumoye was found guilty of robbery in the first degree by the jury before Judge Gear. Sentence was deferred. The defendant held up a Chinaman on Walkiki road under pretense of being a policeman.

Another robbery case followed, that of William Mitchell and Aikoula, whose offense is placed in the second degree. Filing for prosecution; Cathart for defendant. After Charles Notley and L. R. A. Hart were challenged, the following jury were found satisfactory and sworn: J. R. Makainai, J. F. C. Abel, F. J. Robello, Sol. Keoloewa, J. S. Low, Carl Willing, Jas. L. Aholo, E. K. Rathburn, A. A. Montana, Geo. Woolsey, J. K. Clark, J. H. Wise.

CONTEMPT CASE.

In the case of Keahi vs. Niau Iaukea et al. the plaintiff has filed a motion to issue a citation directed to Niau Iaukea, Henrietta Amochiona, Samuel Apalona, and J. O. Carter, W. F. Allen, W. O. Smith, S. M. Damon and A. W. Carter, trustees under the will of Bernice P. Bishop, deceased, commanding them and each of them to be and appear before the Circuit Court, at a time to be specified in the order to show cause, if any they have, why they should not be adjudged in contempt of court by reason of their disobedience of and failure to comply with a decree made on August 3, 1903, and particularly that portion of said decree which directs the defendants to pay one-half of the costs of said suit and of the commissioner's fee as there-in set forth. Robertson & Wilder are plaintiffs' attorneys.

COURT NOTES.

Geo. A. Davis filed another paper in his disbarment rehearing case yesterday. It is a certificate of his honesty and straightforwardness from Charles N. Skinner, K. C., Recorder of the City of St. John, New Brunswick, who speaks from a long personal experience with him in the courts of that city.

Judge De Bolt confirmed the sale of property in the estate of the late Ethel P. N. Gay and directed W. O. Smith, administrator, to deliver a deed thereof to Arthur F. K. Gay, the purchaser.

Judge Robinson excused the jury in the Peabody-Judd case for yesterday owing to a death in the family of Juror Mahelona.

Ung Chew appeals from judgment against him and in favor of Wing Wo Lung Co., Ltd., for \$149.89 in the Honolulu District Court.

Edward Walsh has appealed from District Magistrate Dickey's judgment against him and in favor of Thos. F. McTighe for \$48.43.

A LINGERING COUGH

The cough that holds on in spite of all remedies needs energetic and above all thorough treatment. A mere cough mixture won't do. Root out the cold that causes the cough.

How? Scott's Emulsion.

Why Scott's Emulsion?

Because it stops the irritation, soothes the tissues and heals the affected membranes.

When? Right away.

Scott's Emulsion begins to help with the first dose.

People who have used Scott's Emulsion will not be satisfied with any of the numerous substitutes that are offered in the form of wines, extracts, cordials, etc. When life and health are at stake it is unwise to experiment with unknown and untried preparations.

We'll send you a sample free upon request.
