CHAS. KREUTER, FORMER CORNET SOLOIST OF THE HAWAIIAN GOVERNMENT BAND.

Charles Kreuter, the cornet soloist for the Hawaiian Government Band for the past ten years, has severed his connection with that organization, and will leave shortly for San Francisco to locate. Mr. Kreuter is the last of nearly a dozen musicians who were brought to Honolulu from the coast after the overthrow of the monarchy to rebuild the former Royal Hawaiian Band, from which the Hawaiians who took issue with the Provisional Government, had resigned. Mr. Kreuter became the cornet soloist which position he has filled most acceptably ever since. He is a musician of ability and will doubtless find a good berth in San Francisco. He is still a member of the Musician's Union of that city, and has the distinction of belonging to the same union of which Mayor Schmitz is a member.

HOW HONOLULU KEPT THE FOURTH OF JULY

(Continued from page 2.)
political boss and his machine, the ungodly rich, he who would rather buy legislatures than canvass for votes, and who accumulates wealth by corruption and grinding the unfortunate poor, unlawful combinations of wealth and labor and unrestricted immigration. "Our greatest evil, however, is the machine politician. You all know him, for he is here. He came with the plague, the leaf hopper and other pests, and his methods are as insidious, but more destructive than those. He fills our legislatures and public offices with tools and incompetents, and his partner the ungodly rich corrupt them. They are twin demons of destruction between them, they have spread ruin and desolation over many homes in our land, their blighting touch has been felt in these islands, and to them must be attributed our present state of almost financial bankruptcy. To counteract and eliminate this great evil is the work of all good citizens. The good citizen, however, does not sit in his club

drinking champagne and smoking cigars, while the machine is capturing conventions and primaries; the good citizen does not send round lobbyists to corrupt men who under fair conditions would make honest lawmakers; the good citizen is the man who takes an active interest in politics and uses honest efforts to advance honest men to office; he votes at every election, primary and territorial, and then only for good men, he values his vote as one of the units that makes the whole, and casting it for sound principle it will prevail. Unlawful combinations of capital and labor is another evil against which we must contend. On the one side is entrenched arrogant wealth, on the other irresponsibility and recklessness; on the one side despotism, on the other tyranny, on both sides disregard of the laws. They are alien to the letter and spirit of our constitution and are the legitimate children of the machine politician. "Of unrestricted immigration there can be among American citizens, but one opinion. To the honest and the industrious of every land, to all who can and will assimilate with us and help us in upbuilding our country we cannot but extend a welcome hand, but to the offscourings from European and Asiatic slums we must not let the barriers down, for although we have a conservation of political and social energy, the limit has nearly been reached, and it is impossible for us to assimilate the hordes that are pressing upon us. Our own toilers, our laborers and artisans, who are the warp and woof of our land, must be protected in the full enjoyment of their rights at all hazards.

A FAIR EXCHANGE.

Large sums of money are no doubt realized from simple speculation, but the great fortunes are derived from legitimate and honest business—where the goods furnished are worth the price they bring. Certain famous business men have accumulated their millions wholly in this way. Prompt and faithful in every contract or engagement they enjoy the confidence of the public and command a class of trade that is refused to unstable or tricky competitors. In the long run it does not pay to cheat or deceive others. A humbug may be advertised with a noise like the blowing of a thousand trumpets, but it is soon detected and exposed. The manufacturers of **WAMPOLE'S PREPARATION** have always acted on very different principles. Before offering it to the public they first made sure of its merits. Then, and then only, did its name appear in print. People were assured of what it would do, and found the statement truthful. To-day they believe in it as we all believe in the word of a tried and trusted friend. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. It aids digestion, drives impurities from the blood, and cures Anemia, Scrofula, Debility, Influenza, Throat and Lung Troubles, and Wasting Complaints. Dr. Louis W. Bishop says: "I take pleasure in saying I have found it a most efficient preparation, embodying all of the medicinal properties of a pure cod liver oil in a most palatable form." It is a scientific remedy and a food with a delicious taste and flavor. One bottle convinces. "You cannot be disappointed in it." Sold by chemists here and everywhere.

FUTURE OURS TO MAKE.

"While these are some of the evils we are threatened with we should be neither pessimistic nor over confident. Our race is only in its prime. Our fathers only met difficulties to overcome them, and whilst it is not given to man to raise the veil that hides the future, the future with its vastest possibilities, freighted with good and evil, yet we will advance into the future without fear, feeling that, as men and citizens, we are equal to the mighty tasks the future may impose upon us. And as our country was great and honored in the past we will make it greater and more honored, loved and respected in the future. So that wherever our flag is unfurled men will point to it and say: There is the emblem of the free. If it is the highest type of patriotism for one to die for our country, it is surely another and no lesser type for one to be a good citizen obeying the laws, fostering and keeping alive a spirit of devotion to our Constitution and our flag, for it is on this our future principally depends. We should, as Senator Hoar tells us, cultivate the American spirit, the spirit of the age, the spirit of equality, the spirit that can maintain itself on a fair field in a free contest against all comers. Let the atmosphere of the Republic be the air on the mountain top, the sunlight and the open field, her emblem is the Eagle.

BURKE'S PREDICTION FULFILLED.

"One hundred and twenty-nine years ago in a speech in the English Parliament championing the American colonists, Edmund Burke said: 'Though in the gristle and not hardened into the bone of manhood, America will within the period of sixteen months cast off your dominion and defy your utmost persecution. She will establish a Republic, the first confederate representative commonwealth, which in time will

WHAT THIS MAN SAYS

Only Reechoes the Sentiment of Thousands in Our Republic.

The Honolulu reader is asked to thoroughly investigate the following. This can readily be done as the gentleman whose statement is published below will be only too pleased to give minute particulars to anyone enquiring not out of idle curiosity but if the enquirer really suffers from any of the consequences which always attend weakened or inactive kidneys. Read carefully what this gentleman has to say:

Mr. J. D. Conn, of this city, is a carpenter by trade, and is employed at the Oahu railroad. "I was troubled," says Mr. Conn, "with an aching back. The attacks occurred periodically for years, and especially if I happened to catch cold. There were also other symptoms which plainly showed that my kidneys were out of order. A short time ago, I heard about Doan's Backache Kidney Pills and the wonderful things they were doing. Proceeding, then, to Hollister & Co.'s drug store, I obtained some of these. Since taking these pills there is a great improvement in me. I always keep some of the pills on hand now so as to be provided for any contingency. I feel sure if anyone troubled as I was should give Doan's Backache Kidney Pills a fair trial they will not fail to be benefited by them."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.

become the admiration and the envy of the world.

"That prophecy has been fulfilled. Our flag floats in peaceful supremacy and security on land and sea. It is the only emblem of liberty the world knows. It is the only flag without stain or dishonor, it was held aloft by New England farmers dressed in homespun, when in defense of home and fireside they freed the land from the tyrant of foreign dominion, it waved from the masthead of the Bonhomme Richard, when as the sole representative of our navy she swept the seas. It mingled with the clouds at Fredericksburgh and Missionary Ridge, Lookout Mountain and a hundred other battlefields where a citizen soldiery was moved down like ripening grain fighting for a principle that could only be held dear by American hearts. It is next seen on the torrid plains of Cuba and the malarial swamps of the Philippines where American volunteers rescued from bondage the slaves of the effete oligarchy of Spain. Today it floats over a peaceful, loyal and liberty-loving people. Tomorrow in the future, its principles and all it represents and stands for will permeate the globe."

After the exercises many prominent citizens tendered their congratulations to Mr. Hughes, who is a representative mechanic, for his able effort.

Singing of "Star Spangled Banner" by the choir was the conclusion of the exercises.

CHRONIC DIARRHOEA.—For several years during the summer months I have been subject to looseness of the bowels, which quickly ran into a very bad diarrhoea and this trouble was frequently accompanied with severe pain and cramps. I used to call on doctors for my trouble but it became so regular a summer affliction that in my search for relief, I became acquainted with Chamberlain's Colic, Cholera and Diarrhoea Remedy, which proved so effective and so prompt that I came to rely exclusively upon it, and what also happily surprised me was that while it almost instantly relieved the cramps and stopped the diarrhoea, it never caused constipation. I always take a bottle of it with me when traveling.—H. C. Hartman, Anamosa, Iowa, U. S. A. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

WEAKNESS

When you are weak, nervous, and all run down, everything seems to go wrong. Ayer's Sarsaparilla will build you up, make your nerves strong, and give you pure, rich blood. Here is what a nurse of large experience says about it.

Mrs. E. B. Choppell, Stawell, Victoria, sends us her photograph, and writes: "I have been a nurse for thirty-five years, and I take great pleasure in recording my experience with Ayer's Sarsaparilla and Ayer's Pills. I have had great success with them, especially in cases of nervous prostration, impure blood, skin diseases, and weakening illnesses in general. I most heartily recommend these medicines to all sufferers from any of the above-named distressing complaints."

AYER'S Sarsaparilla

There are many imitation Sarsaparillas. Be sure you get "Ayer's." Ayer's Pills cure constipation. Sugar-coated, mild, but effective. Prepared by Dr. J. C. Ayer Co., Lowell, Mass., U. S. A. HOLLISTER DRUG CO., Agents.
